## **Reform Cookery:**

**Reform Cookery Book** Jean Oliver Mill, 2023-02-11 Of making books there is no end and as this is no less true of cookery books than of those devoted to each and every other subject of human interest one rather hesitates to add anything to the sum of domestic literature But while every department of the culinary art has been elaborated ad nauseam there is still considerable ignorance regarding some of the most elementary principles which underlie the food question the relative values of food stuffs and the best methods of adapting these to the many and varied needs of the human frame This is peculiarly evident in regard to a non flesh diet Of course one must not forget that there are not a few even in this age to whom the bare idea of contriving the daily dinner without the aid of the time honoured flesh pots would seem scarcely less impious than absurd as if it threatened the very foundations of law and order Nothing is more common than to hear people say most emphatically that vegetarian diet is no good for they have tried it We usually find upon enquiry however that the fair trial which they claim to have given consisted of a haphazard and ill advised course of meals for a month a week or a few days intermittently when a meat dinner was from some reason or other not available To avoid any very serious risks however she fortified herself as strongly as possible with the other unconsidered trifles soup sweets curds and cream strawberries c but despite all her precautions by tea time the aching void became so alarming that the banished joint was recalled from exile and being so famished she ate more than she would have done at dinner As people get into more wholesome ways of living the tendency is to have fewer courses and varieties at a meal but just at first it may be as well to start on the basis of a three course dinner One or other of the dishes may be dispensed with now and then and thus by degrees one might attain to that ideal of dainty simplicity from which this age of luxury and fuss and elaboration is so far removed **Reform Cookery Book** Mill, 2004-08-01 Reform Cooking Book Mrs Mill, **Reform Cookery Book** Jean O. Mill, 2010 Reprint of the 4th edition of the 1909 vegetarian cookbook **Reform Cookery Book** Mill, Mrs Mill, 2023-05-26 Still the Food Reform movement goes on and expresses itself in many ways New developments and enterprises on the part of those engaged in the manufacture and distribution of pure foods are in evidence in all directions Not only have a number of new Reform restaurants and depots been opened but vegetarian dishes are now provided at many ordinary restaurants while the general grocer is usually willing to stock the more important health foods Then the interest in and relish for a non flesh dietary has during the past year got a tremendous impetus from the splendid catering at the Exhibitions both of Edinburgh and London The restaurant in Edinburgh under the auspices of the Vegetarian Society gave a magnificent object lesson in the possibility of a dietary excluding fish flesh and fowl The sixpenny dinners as also the plain and high teas were truly a marvel of excellence daintiness and economy and the queue of the patient waiters sometimes 40 yards long amply testified to their popularity One is glad also to see that Health Foods manufacturers are one after another putting into practice the principle that sound health giving conditions are a prime essential in the production of what is pure and wholesome and in removing

from the grimy congested city areas to the clean fresh vitalising atmosphere of the country not only the consumers of these goods but those who labour to produce them derive real benefit
