Leviticus 25:2-5

(2) Speak unto the children of Israel, and say unto them, When ye come into the land which I give you, then shall the land keep a sabbath unto the LORD.

(3) Six years thou shalt sow thy field, and six years thou shalt prune thy vineyard, and gather in the fruit thereof;

(4) But in the seventh year shall be a sabbath of rest unto the land, a sabbath for the LORD: thou shalt neither sow thy field, nor prune thy vineyard.

(5) That which groweth of its own accord of thy harvest thou shalt not reap, neither gather the grapes of thy vine undressed: for it is a year of rest unto the land.

(6) And the sabbath of the land shall be meat for you; for thee, and for thy servant, and for thy maid, and for thy hired servant, and for thy stranger that sojourneth with thee,

Shemittah What Its All About:

It's All About the Weddings Dr. Joseph A. Herr, 2023-10-05 I wake up every morning wanting more and more of God I have fallen in love with Him and can't get enough of Him I know without question that if I rightly divide the Word 2 Timothy 2:15 then I will eliminate all confusion and questions in the Word But I was challenged by a theologian whom I respect highly He said These scriptures are problematic for the rapture I was confident that I could find the answer but was hitting a block wall I asked God for the answer Little did I know He would wake me at 2:00 a.m. to give it to me The answer He gave me has changed my spiritual life dramatically and has allowed me to see several of the divine secrets He has left to illuminate His Word and to reveal truths that allow us to see Him and His plan in a brand new light The intent of this book is to reveal those secrets which have totally changed my perspective in so many important areas throughout the entire Bible I now have an understanding that goes far past the literal meaning into the spiritual intimacy of what God intended in areas like the family of God Jesus the way salvation grace communion the rapture the tribulation the millennium the entire book of Revelation and maybe most importantly I now see our relationship with God the Father in a totally different light I feel what Paul prayed for us all in Ephesians 1:17-18 that I have been given the spirit of wisdom and revelation in Him and that my eyes have been enlightened My eyes have been opened to a part of the Word that has changed the way I view all scriptures now My hope is that by reading and learning about these divine secrets your spiritual life will be impacted like mine has been God bless

Sobol Says: Two Minutes of Torah Short Essays on the Weekly Parsha Ephraim Sobol, 2014-03-14 Though he has no formal rabbinical training Ephraim Sobol began teaching a weekly parsha class in his community In two years time the class grew as his students shared their excitement He began writing Two Minutes of Torah a weekly Dvar Torah email based on his class These emails took on lives of their own and soon they were a much sought after read Appealing to audiences with a broad spectrum of knowledge Two Minutes of Torah offers original and concise insights into the parsha To help students connect with the lessons he has woven many of his real world experiences into his essays In the third volume of his popular series of books on the parsha Sobol completes that which he set out to do provide a constant companion for those seeking insights on the parsha every week Now spanning the entire Torah these works have become an essential component of many Shabbos tables Using a folksy and inviting manner Sobol provides fresh deep insights into an ancient text **Leaves of Faith** Aharon Lichtenstein, 2003 Where its predecessor dwelt primarily upon the content mode and practitioners of Torah study this volume focuses upon issues some theoretical others pragmatic some current others timeless which concern the practice and implementation of Torah It opens with an inquiry into whether and to what extent Halakhah recognizes the validity and value of an ethic which in some sense lies beyond its scope This is followed by two essays focused upon events in Israel but of more general significance as well which deal with the character and bounds of Jewish polity Tangentially related is the subject of the next chapter straddling the communal and the personal regarding the parameters of tolerance The next

several chapters treat more purely personal topics response to suffering Shabbat prayer and shemittah They are followed by discussions of aspects of the sensitive areas of conversion abortion and the Israeli chief rabbinate commingled with two essays more sociologically oriented on Jewish self identification and communal service and an exchange concerning Baruch Goldstein These are in turn followed by two chapters focused upon modern or centrist Orthodoxy particularly The volume concludes with a series of responses to major questions posed in various symposia in which participants were asked descriptively and prescriptively both to evaluate the current Jewish scene and to chart a suggested course for its future direction 1994, ספרים קטנים, ספרים קטנים Disclosing a Portion: the inner mechanics of the Torah Michael Laitman, 2014-03-03

The Pentateuch or The Five Books of Moses is a fascinating odyssey of a nation in the making Yet underneath the tales that reveal human nature at its zenith and at its nadir lies an ocean of wisdom that if uncovered can alter reality itself Dr Michael Laitman's Disclosing a Portion the inner mechanics of the Torah uncovers some of that wisdom in a manner none other has done before Throughout the year each week observant Jews read a different portion of the Pentateuch which they refer to as the Torah Each portion deals with a different topic and is titled according to the first word or words in the portion As you read through the portions you will discover that each of the protagonists in the stories we've known for so long is not a myth but a living force within These forces direct and determine your path in life and when you come to know them you come to know your true self Take your time to delve into the text and portion by portion you will find new meanings that will enrich and empower you as you become the happy confident person that you dream of being **The Way of the Boundary Crosser** Gershon Winkler Ph D, Gershon Winkler, 2005-01-26 The Way of the Boundary Crosser by highly regarded rabbi and author Gershon Winkler offers us an in depth understanding of the teachings of Jewish tradition that challenges the notion that there is only one way to be Jewish and that allows ample room for alternatives in Jewish theology observance and law

Piety and Rebellion Shaul Magid, 2019-09-17 Piety and Rebellion examines the span of the Hasidic textual tradition from its earliest phases to the 20th century The essays collected in this volume focus on the tension between Hasidic fidelity to tradition and its rebellious attempt to push the devotional life beyond the borders of conventional religious practice Many of the essays exhibit a comparative perspective deployed to better articulate the innovative spirit and traditional challenges Hasidism presents to the traditional Jewish world Piety and Rebellion is an attempt to present Hasidism as one case whereby maximalist religion can yield a rebellious challenge to conventional conceptions of religious thought and practice ספרים קטנים 1982, ספרים קטנים ספרים קטנים ספרים קטנים The Life of the Soul Andrea Gondos, Leore Sachs-Shmueli, 2024-12-01 The Life of the Soul surveys the wide ranging theories Jewish mystics have offered to the vexing question what precisely transpires after we die A common element in their theories is that human life is a part of a larger ecosystem of being which also includes plants animals and inanimate things like rocks They further maintained that the soul does not perish with the demise of the body but is rather renewed and recycled into new forms of embodied existence in the lower world Each essay highlights how

reincarnation also known as metempsychosis or the transmigration of souls is not a marginalized concept but is instead central to understanding a variety of perplexing issues in Judaism including catastrophic events in Jewish history theodicy the rationale for biblical commandments the complex identity of biblical figures and the issues of sin punishment and redemption Just as the concept of reincarnation is inherently about boundary crossing its investigation similarly bridges diverse epistemic fields and disciplines religion philosophy psychology history ritual gender and cultural studies Weaving together kabbalistic speculations and Jewish philosophical ideas drawn from distinct geographical regions and historical periods this book is poised to serve as a point of departure for future comparative investigations on the life of the soul in Judaism and Eastern religious traditions

Jewish Mysticism and Kabbalah Frederick E. Greenspahn, 2011-11-01 Over the past generation scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today what was once called nonsense by Jewish scholars has generated important research and attention both within the academy and beyond as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality In Jewish Mysticism and Kabbalah leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience From mystical outpourings in ancient Palestine to the Kabbalah Centre and from attitudes towards gender to mystical contributions to Jewish messianic movements this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non specialists alike

The Otherworld and Beyond J.R. Freeman, 2018-05-15 The world has been taught a systematic self perpetuating form of thinking People have become slaves to their minds which control how they act and think within society This mind control is more a result of tyranny than self righteousness Sadly the educational system has forced this deceit upon everyone since birth Societys main goal is controlling thoughts by dividing and conquering the mind driving people more toward hate than love This tyranny has been the separation of our identity Love is within all DNA but this systematic thinking has been destroying love in our consciousness You can ask one simple question using the systematic self perpetuating form of thinking and the entire world will know the answer No matter the language barrier people are socially confined to their minds We are all taught to socially accept certain people and not others We tend to debate whether or not it is worthwhile to help someone but we act quickly without thinking to help defenseless animals It is possible to illuminate the idea within the program and destroy the evil lying within the recesses of the mind It is a dark paradox of bitterness jealousy envy lust hatred and loathing You likely have heard this before many times but never thought it was inside of you It is there and it has been there forever controlling you It must be destroyed by our true identity This book provokes the innermost truth in all people as one collective thought Our current one sided thought will never evolve into a higher consciousness It is the destroyer rather than the maker of thoughts It opposes the law of righteousness within the abstract of color This opposition of color has risen within the walls of its own

kind since 1681 It is the idea within the separation of the colors black and white It still exists whether anyone believes it or not It thrives among conversations gestures and facial expressions It is here [Jewish Action](#) ,2006 **Soil and Sacrament** Fred Bahnson,2013-08-06 Part memoir part spiritual quest part agricultural travelogue Soil and Sacrament is a moving and profound exploration of the joy and solace found in returning to the garden Like many seekers of the authentic life Fred Bahnson sought answers to big questions such as what does it mean to follow God and how should I live my life But after divinity school at Duke Bahnson began to find answers not in a pulpit but at the handle of a plow After his agrarian conversion Bahnson started a faith based community garden in rural North Carolina to help its members grow real food and to feed his own spiritual hunger Soil and Sacrament tells the story of how Bahnson and people of faith all over America are re rooting themselves in the land reconnecting with their food and each other and praying with their very lives the prayer of the early Christian monks We beg you make us truly alive Through his journeys to four different faith communities Catholic Protestant Pentecostal and Jewish Bahnson explores the connections between spiritual nourishment and the way we feed our bodies with the sensitivity personal knowledge and insight shared by Wendell Berry and Bill McKibben Soil and Sacrament is a book about communion in its deepest sense an inspiring and joyful meditation on what grows above the earth beneath it and inside each one of us [אברהם אביב](#) Moshe Lieber,2002 Edited under the direction of Rabbi Nosson Scherman Rabbi Moshe Lieber does for the Chumash what he has done so successfully for the Pirkei Avos This is a work that will be an instant classic that will grace your Shabbos table and reading d **Zohar for All** Rav Michael Laitman PhD,2024-04-14 Beresheet Aleph Beresheet Bet Laitman Kabbalah Publishers is proud to present the second volume of Zohar for All The Book of Zohar with the Sulam Commentary This new rendition of The Zohar offers an accessible and coherent explanation to the fundamental and primary composition in the wisdom of Kabbalah The Sulam Ladder commentary is the most profound and elaborate commentary on The Book of Zohar and was written by the greatest kabbalist of the 20th century Rav Yehuda Leib HaLevi Ashlag Zohar for All smoothly merges the original text of The Zohar with the lucid explanations of Rav Yehuda Ashlag to create a streamlined text that is both clear and true to the source **Kabbalah and Catastrophe** Hartley Lachter,2024-10-22 While premodern kabbalistic texts were not chronicles of historical events they provided elaborate models for understanding the secret divine plan guiding human affairs Hartley Lachter analyzes innovative kabbalistic doctrines such as the idea of reincarnation and the notion of multiple successive universes through which Jewish mystics sought to demonstrate that the misfortunes of Jewish history were in fact necessary steps toward redemption Lachter argues that these works mostly composed between the early 14th century and the generation affected by the Spanish expulsion in the early 16th century enabled Jewish readers to make sense of the troubling misfortunes of their own time Kabbalah and Catastrophe uncovers the remarkable variety of ways that kabbalists deployed esoteric tradition to argue that God had not abandoned the Jews to the inscrutable forces of history Instead they suggested to readers that Jews are history s primary

actors and that despite their small numbers and lack of military power Jews nonetheless secretly push history forward For scholars of Jewish mysticism and medieval Jewish history Lachter articulates how premodern mystical texts can be crucial sources of insight into how Jews understood the meaning of history Feasting and Fasting Aaron S. Gross, Jody Myers, Jordan D. Rosenblum, 2020-01-07 How Judaism and food are intertwined Judaism is a religion that is enthusiastic about food Jewish holidays are inevitably celebrated through eating particular foods or around fasting and then eating particular foods Through fasting feasting dining and noshing food infuses the rich traditions of Judaism into daily life What do the complicated laws of kosher food mean to Jews How does food in Jewish bellies shape the hearts and minds of Jews What does the Jewish relationship with food teach us about Christianity Islam and religion itself Can food shape the future of Judaism Feasting and Fasting explores questions like these to offer an expansive look at how Judaism and food have been intertwined both historically and today It also grapples with the charged ethical debates about how food choices reflect competing Jewish values about community animals the natural world and the very meaning of being human Encompassing historical ethnographic and theoretical viewpoints and including contributions dedicated to the religious dimensions of foods including garlic Crisco peanut oil and wine the volume advances the state of both Jewish studies and religious studies scholarship on food Bookended with a foreword by the Jewish historian Hasia Diner and an epilogue by the novelist and food activist Jonathan Safran Foer Feasting and Fasting provides a resource for anyone who hungers to understand how food and religion intersect **The Bloomsbury Companion to Arendt** Peter Gratton, Yasemin Sari, 2020-10-01 Hannah Arendt's 1906 1975 writings both in public magazines and in her important books are still widely studied today She made original contributions in political thinking that still astound readers and critics alike The subject of several films and numerous books colloquia and newspaper articles Arendt remains a touchstone in innumerable debates about the use of violence in politics the responsibility one has under dictatorships and totalitarianism and how to combat the repetition of the horrors of the past The Bloomsbury Companion to Arendt offers the definitive guide to her writings and ideas her influences and commentators as well as the reasons for her lasting significance with 66 original essays taking up in accessible terms the myriad ways in which one can take up her work and her continuing importance These essays written by an international set of her best readers and commentators provides a comprehensive coverage of her life and the contexts in which her works were written Special sections take up chapters on each of her key writings the reception of her work and key ways she interpreted those who influenced her If one has come to Arendt from one of her essays on freedom or from yet another bombastic account of her writings on Adolph Eichmann or as a student or professor working in the field of Arendt studies this book provides the ideal tool for thinking with and rediscovering one of the most important intellectuals of the past century But just as importantly contributors advance the study of Arendt into neglected areas such as on science and ecology to demonstrate her importance not just to debates in which she was well known but those touched off only after her death Arendt's approaches as well as her

concrete claims about the political have much to offer given the current ecological and refugee crises among others In sum then the Companion provides a tool for thinking with Arendt but also for showing just where those thinking with her can take her work today

Founding God's Nation Leon R Kass, 2021-01-05 In this long awaited follow up to his 2003 book on Genesis humanist scholar Leon Kass explores how Exodus raises and then answers the central political questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses's leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass's analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today
