Shenandoah Whispers And Echoes:

Shenandoah Whispers and Echoes Tom Orrell, 2002-06 Shenandoah Whispers And Echoes is a historical fiction novella that is actually a story within a story Right away the reader is drawn in with a mysterious and unexpected discovery in the present then flashes back to the past by means of an old handwritten journal It gives a unique first person account of life in the Shenandoah Valley of Virginia in the latter half of the 19th century In the words of James Randolph Wise this simple Southern man's experiences are set against the backdrop of the Civil War and its aftermath and serve as the focal points of this candid and bittersweet tale It is constructed within the framework of actual historical events as it takes great pains to stay true to history It was a simpler purer less complicated era and time slows down Through this thoroughly engrossing narrative we experience the triumphs and tragedies of this boy growing into manhood along with his family experiencing the American Civil War and its aftermath in a whole new light This topic as told from that perspective make the book rather fresh and unique This story exposes some of the myths and injustices about the war in the Shenandoah Valley Some of the revelations of that war may shock the reader with indignation but rest assured that the fine line between fact and fiction is often indistinguishable and not often pleasant It's the story of gradual change in one man and in a nation Most importantly it's a tale of resilience and determination of the human spirit in both the best and worst of times Southerners can readily relate to and identify with this tale It is a story set in a time and place that deserves revisiting This book espouses the universal themes of family honor truth faith love war and tragedy These themes all have a time tested track record of wide appeal among people everywhere regardless of age religion sex race education income or geographic region As for a specific core target audience this story has the definite potential to appeal in particular to Southern folks with deep family roots in the old South Shenandoah Whispers And Echoes will haunt your conscience and genuinely move you Mennonites of the Washington County, Maryland, and Franklin County, Pennsylvania, Conference Daniel R. Gelbach, 1992 *Ghosts Walk the Shenandoah* Daryl Anderson, 2023-05-22 June 1969 It's been three years since a serial killer walked the streets of Baltimore and changed Dara Burke's life forever Now in high school Dara's determined to enjoy her last summer before senior year Until her aunt insists that Dara accompany her to Black Springs West Virginia to attend a distant cousin's wedding Dara doesn't want to go She'd never even met Cousin Isobel and small towns aren't her thing But Dara rationalizes that she'll only be gone a few days But when she arrives at Isobel's isolated ruin of a house in the woods she feels a foreboding As the wedding looms Dara counts the days until she returns to Baltimore Then disaster strikes when Isobel's odious fiancé is murdered While the police focus on Isobel Dara knows there's more to the story As she digs deeper into the murder she uncovers a terrible secret that lurks beneath the surface of the seemingly idyllic mountain town Slowly

Dara comes to realize that Black Springs is a place that holds the darkness close A haunted land of secret hollows and dark waterfalls the earth here is well nourished with the blood and bones of folk who have gone before Now something stirs in the Blue Ridge Something evil With vivid prose and haunting imagery Daryl Anderson weaves a tale of mystery and terror that will keep you turning the pages long into the night Dive in if you dare but beware once you enter the Shenandoah you may never leave *Shenandoah* ,1986 *Hours of Fancy.
