Sherman Fighting Prophet:

Sherman Lloyd Lewis,1994-03 War is hell said William Tecumseh Sherman The Union general who is remembered for his devastating march through Georgia during the Civil War is presented in all his passionate humanity by Lloyd Lewis

Sherman Lloyd Lewis,1969 *Sherman* Lloyd Lewis,1969 (W. T.) *Sherman, Fighting Prophet* Lloyd Lewis,1932

Sherman, Fighting Prophet. Illustrated with Reproductions of Maps, Engravings and Photographs. With a New Appraisal by Bruce Catton Lloyd Lewis, *Sherman's Ghosts* Matthew Carr,2012-03-13 This thought provoking military history considers the influence of General Sherman s Civil War tactics on American conflicts through the twentieth century The New York Times To know what war is one should follow our tracks Gen William T Sherman once wrote to his wife describing the devastation left by his armies in Georgia Sherman s Ghosts is an investigation of those tracks as well as those left across the globe by the American military in the 150 years since Sherman s infamous March to the Sea Sherman s Ghosts opens with an epic retelling of General Sherman s fateful decision to terrorize the South s civilian population in order to break the back of the Confederacy Acclaimed journalist and historian Matthew Carr exposes how this strategy which Sherman called indirect warfare became the central preoccupation of war planners in the twentieth century and beyond He offers a lucid assessment of the impact Sherman s slash and burn policies have had on subsequent wars and military conflicts including World War II and in the Philippines Korea Vietnam and even Iraq and Afghanistan In riveting accounts of military campaigns and in the words of American soldiers and strategists Carr finds ample evidence of Sherman s long shadow Sherman s Ghosts is a rare reframing of how we understand our violent history and a call to action for those who hope to change it *Sherman's Horsemen* David Evans,1999-03-22 Through exhaustive research David Evans has been able to recreate a vivid captivating and meticulously detailed image of the day by day life of the Yankee horse soldier *Sherman's March in Myth and Memory* Edward Caudill,Paul Ashdown,2009-10-16 General William Tecumseh Sherman s devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War As they moved from Atlanta to Savannah destroying homes buildings and crops killing livestock and consuming supplies Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South By the time of the general s death in 1891 when one said The March no explanation was required That remains true today Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century Sherman s March in Myth and Memory examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history Edward Caudill and Paul Ashdown provide a brief overview of Sherman s life and his March but their focus is on how these myths came about such as one description of a 60 mile wide path of destruction and how legends about Sherman and his campaign have served a variety of interests Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old

South aristocracy and its Lost Cause and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism Sherman's March in Myth and Memory looks at the general's treatment in the press among historians on stage and screen and in literature from the time of the March to the present day The authors show us the many ways in which Sherman has been portrayed in the media and popular culture and how his devastating March has been stamped into our collective memory Sherman's Mississippi Campaign Buckley T. Foster, 2006-10-15 Publisher

Civil War Dynasty Kenneth J Heineman, 2023-11-21 For years the Ewing family of Ohio has been lost in the historical shadow cast by their in-law General William T Sherman In the era of the Civil War it was the Ewing family who raised Sherman got him into West Point and provided him with the financial resources and political connections to succeed in war The patriarch Thomas Ewing counseled presidents and clashed with radical abolitionists and southern secessionists leading to the Civil War Three Ewing sons became Union generals served with distinction at Antietam and Vicksburg marched through Georgia and fought guerrillas in Missouri The Ewing family stood at the center of the Northern debate over emancipation fought for the soul of the Republican Party and waged total war against the South In *Civil War Dynasty* Kenneth J Heineman brings to life this drama of political intrigue and military valor wars and all This work is a military political religious and family history told against the backdrop of disunion war violence and grief **The Biography Book**

Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best-selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

US Leadership in Political Time and Space J. Johansson, 2014-11-05 Spanning the history of American leadership the book examines all facets of American thought leaders and innovators along with the models of ethics and courage they've provided for the American consciousness From Thomas Paine to Rosa Parks the book provides a multi-faceted approach to American leadership studies **John A. Logan** James Pickett Jones, 2001-03-15 James P Jones uses newspaper accounts private letters and the records of Congress to examine Major General John A Logan's return to his political and legislative career after the Civil War Logan emerged from the national conflict a military hero and uncommitted to any political party By 1884 his personality and fiercely defended principles had earned him the vice-presidential nomination on the ill-fated

Republican ticket Many writers on this period have portrayed Logan as a corrupt politician but Jones successfully clears the Illinoisan's record Description of previous edition The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army

Military History Institute,1982 Special Bibliography ,1982 The American Civil War Steven E. Woodworth,1996-12-09
The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

Belligerent Muse Stephen Cushman,2014-10-13 War destroys but it also inspires stimulates and creates It is in this way a muse and a powerful one at that The American Civil War was a particularly prolific muse unleashing with its violent realities a torrent of language from soldiers intimate letters and diaries to everyday newspaper accounts great speeches and enduring literary works In *Belligerent Muse* Stephen Cushman considers the Civil War writings of five of the most significant and best known narrators of the conflict Abraham Lincoln Walt Whitman William Tecumseh Sherman Ambrose Bierce and Joshua Lawrence Chamberlain Considering their writings both as literary expressions and as efforts to record the rigors of the war Cushman analyzes their narratives and the aesthetics underlying them to offer a richer understanding of how Civil War writing chronicled the events of the conflict as they unfolded and then served to frame the memory of the war afterward Elegantly interweaving military and literary history Cushman uses some of the war s most famous writers and their works to explore the profound ways in which our nation s great conflict not only changed the lives of its combatants and chroniclers but also fundamentally transformed American letters

Jefferson Davis and His Generals Steven E. Woodworth,1990
Jefferson Davis is a historical figure who provokes strong passions among scholars Through the years historians have placed him at both ends of the spectrum some have portrayed him as a hero others have judged him incompetent *The Civil War in Books* David J. Eicher,1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans

and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1/2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume The Civil War in Books Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since The Civil War Day by Day will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

On War and Leadership Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom
