

NORWAY IN WORLD WAR II

The Shetland Bus

Shetland Bus The

John Sadler

Shetland Bus The:

The Shetland Bus David Armine Howarth, 1951 Om en illegal skibsrute fra Shetlands øerne til Norge under den tyske besættelse

Shetland Bus David Howarth, 2008-06-17 From the author of *We Die Alone* The Shetland Bus recounts the hundreds of crossings of small boats from the Shetland Islands to German occupied Norway to supply arms to the Resistors and to rescue refugees all under constant threat by German U boats and winter storms

The Shetland Bus David Howarth, 1955

The Shetland Bus David Armine Howarth, 1952

The Shetland Bus David Howarth, 2018 The occupation of Western Europe and Scandinavia in the spring of 1940 crippled Britain's ability to gather intelligence information After the Germans invaded Norway many Norwegians knew that small boats were constantly sailing from the Shetland Islands to land weapons supplies and agents and to rescue refugees In *The Shetland Bus* David Howarth who was second in command of the Shetland base recounts the hundreds of trips made by fishing boats in the dark of Arctic winter to resist the Nazi onslaught For the Norwegians who remained in Norway the Shetland Bus as this dangerous operation became known fortified them both physically and spiritually Nothing but war would have made seamen attempt such dangerous journeys Some stretched two thousand miles in length and lasted as long as three weeks in boats only fifty to seventy five feet long Fishing boats crossing the North Sea were sometimes attacked and sunk in minutes hundreds of miles from a friendly ship or shore Their crews had no hope of being saved But to take the Shetland Bus meant escape when capture became the only other option The Shetland Bus is the amazing true life account of storms attacks danger and the heroic efforts of brave men

The Shetland 'Bus' Stephen Wynn, 2021-06-09 A history of the World War II clandestine special operations group that linked German occupied Norway with Scotland's Shetland Islands The Shetland Bus was not a bus but the nickname of a special operations group that set up a route across the North Sea between Norway and the Shetland Islands north east of mainland Scotland The first voyage was made by Norwegian sailors to help their compatriots in occupied Norway but soon the Secret Intelligence Service and the Special Operations Executive asked if they would be prepared to carry cargoes of British agents and equipment as well Fourteen boats of different sizes were originally used and Fleming House in Shetland was commandeered as the operation's HQ The first official journey was carried out by the Norwegian fishing vessel the *Aksel* which left Luna Ness on 30 August 1941 on route to Bremen in Norway This book examines that first journey as well later ones and discusses the agents and operations which members of the Shetland Bus were involved in throughout the war It also looks at the donation of three submarine chasers to the operation made in October 1943 by the United States Navy These torpedo type boats were 110 ft long and very fast allowing journey times between Shetland and Norway to be greatly reduced and carried out in greater safety The story of the Shetland Bus would be nothing without the individuals involved both the sailors of the boats and the agents who were carried between the two countries These were very brave individuals who helped maintain an important lifeline to the beleaguered Norwegians It also allowed British and Norwegian agents a

way into Norway so that they could liaise with the Norwegian Underground movement and carry out important missions against the German occupiers Praise for The Shetland Bus Wynn who has written or co written several books on the Second World War is to be commended for his detailed account of a captivating and understudied moment in the history of special operations Wynn s readable and engaging account of his subject explores the intersections of transnational Second World War and special operations history As a result it should be of interest to a wide readership The Northern Mariner Very highly recommended Firetrench A great book about individual spies and sailors from both sides of the water putting their lives at great risk I really enjoyed this book and it was written in a bit of diary style plenty of information and photographs I certainly recommend this book to all UK Historian

The Shetland Bus Jack Duarte,2020-01-20 [Shetland Bus Man](#) Kaare Iversen,2004-08-01 **Shetland Bus Memorial** Shetland Bus Friendship Society,2003 **Shetland Bus** Trygve Sørvaag,2002 **The Shetland Bus** American Economic Association,1957 **Shetland Buses in the 20th Century** Gordon M. Jamieson,2001-01 A comprehensive survey of Shetland s bus services from the start to the end of the 20th century It includes at least one photograph of each vehicle The order of the book is by island from north to south and within that by operator *The Shetland Bus* David Howarth,1978

eastward down to the Moray Firth the eastern seaboard to the Forth and the sentinel of the Bass Rock It is an ancient strand redolent with history Sea battles have been fought in its lee from the time of Agricola to the Atlantic convoys In *Blood on the Wave* John Sadler embarks on a pilgrimage around Scotland's rugged and stunning coastline to explore the fascinating history that has occurred in its waters Beautifully illustrated throughout with photographs and line drawings the narrative also describes developments in ship building technique and design developments in naval gunnery with a look at coastal defenses From the long oared Norse galleys that swept down through the isles and the sea lochs to Somerled's birlinns and nyvaigs contesting with those of Godred of Man in a moonlit clash of spears many of the fiercest battles in Scottish history have been fought at sea Examining an array of skirmishes from the Wars of Independence to the Napoleonic Wars the scuttling of the Imperial German Navy at Scapa Flow to the lurking threat of Second World War U boats and nuclear submarines hunting for Soviet spy ships John Sadler has created a brilliant insightful and unique portrait of the Scottish war at sea

The Vikings Niel Oliver, 2021-11-11 The Vikings famously took no prisoners relished cruel retribution and prided themselves on their bloodthirsty skills as warriors But their prowess in battle is only a small part of their story which stretches from their Scandinavian origins to America in the west and as far as Baghdad in the east As the Vikings did not write their own history we have to discover it for ourselves and that discovery as Neil Oliver reveals tells an extraordinary story of a people who from the brink of destruction reached a quarter of the way around the globe and built an empire that lasted nearly two hundred years Drawing on the latest discoveries that have only recently come to light Scottish archaeologist Neil Oliver goes on the trail of the real Vikings Where did they emerge from How did they really live And just what drove them to embark on such extraordinary voyages of discovery over 1 000 years ago *The Vikings* explores many of those questions for the first time in an epic story of one of the world's great empires of conquest

The Flight of the Vikings Andrew Orr, 2024-12-30 Chronicles the courageous escapes of Norwegians fleeing Nazi occupation in 1940 weaving their stories into a comprehensive saga of resistance and vengeance When the full might of Nazi Germany descended without warning upon neutral Norway in April 1940 many brave Norwegians wanted to escape to Britain to join the fight against the occupation of their country The most natural route to freedom was to take to the cruel North Sea in small boats following in the ancient traditions of their Viking ancestors Facing perils of betrayal by collaborators and pursuit by the Gestapo these brave Norwegians were in flight but they were absolutely determined to return as avengers of Nazi oppression For the first time the stories of these remarkable escapes have been woven together into a single comprehensive Viking saga set in the social and military context of the Nazi occupation Extensive research has revealed many new boats and dramatic escapes with at least 360 boats carrying over 4 000 fugitives now known to have crossed to the Allies The onward progress of the avenging escapers is followed into the renowned Kompani Linge commandos the famous Shetland Bus and the other free forces Attempts by German intelligence to infiltrate spies are revealed and how most of them were caught and turned into

double agents Hitler had dreams of turning Norway into a semi autonomous Aryan utopia but he was to be confounded by the obstinate defiance of the Norwegian people and by the free Vikings who returned to wage war against him

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Shetland Bus The** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
