Shilappadikaram Ankle Braclet:

Shilappadikaram Iḷaṅkōvaṭikaḷ,1965 The primary epic of Tamil literature *Enemy Lines* Margaret Trawick,2007-04-11
Enemy Lines captures the extraordinary story of boys and girls coming of age during a civil war Margaret Trawick lived and worked in Batticaloa in Eastern Sri Lanka where thousands of youth have been recruited into the Sri Lankan armed resistance movement known as the Tamil Tigers LTTE This compelling account of her experiences is a powerful exploration of how children respond to the presence of war in their world and of how adults have responded to the presence of children in this conflict What emerges from her beautifully written narrative which includes many voices of the children and young adults who have joined the LTTE is a picture of a region that has been profoundly affected by the horrors of war but where war is not the only thread in the fabric of people's lives these Sri Lankans fight and prepare for combat but they also play love celebrate and dream Enemy Lines the most extensive ethnographic account of the Tamil Tigers available advances a striking argument about the nature of war itself as it brings alive a region where childhood warfare and play have become commingled in a world of continual uncertainty **Indian Narratology** Ayyappappanikkar,2003 Silappadikaram S. Krishnamoorthy,1964 Historical Dictionary of the Tamils Vijaya Ramaswamy,2017-08-25 The Tamils have an unbroken history of more than two thousand years Tamil the language they speak is one of the oldest living languages in the world The only people comparable to the Tamils in terms of their hoary past and vibrant present would be the Jews with one marked difference The Tamils have always had their homeland Tamilaham alternately pronounced and spelt Tamizhaham known today as Tamil Nadu which to them represents their mother and is revered by them as Tamizh Tai literally Tamil Mother This is in striking contrast to the Jews who have been through a long and arduous struggle to gain their homeland a deeply contested site to this day with Hebrewisation of Israel being a key marker of Jewish identity in the region Tamils by contrast have a clear numerical majority in the region that now comprises Tamil Nadu and the language unites rather than divides adherents of different faiths The second edition of Historical Dictionary of the Tamils contains a chronology an introduction and an extensive bibliography The dictionary section has over 600 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Tamils **The Tale of an Anklet** Iḷaṅkōvaṭikaḷ,1993 Originating in Tamil mythology Cilappatikaram is the love story of Kannaki and Kovalan Kannaki wears a circular anklet representing the power strength and dignity of the goddess Pattini Goddess status is bestowed upon Kannaki as her life undergoes the same fate as the anklet that is stolen and used as a weapon The Encyclopedia of Amazons Jessica Amanda Salmonson,2015-04-07 An excellent A to Z reference of female fighters in history myth and literature from goddesses to gladiators to guerrilla warriors Library Journal This is an astounding collection of female fighters from heads of state and goddesses to pirates and gladiators Each entry is drawn from historical fictional or mythical narratives of many eras and lands With over one thousand entries

detailing the lives and influence of these heroic female figures in battle politics and daily life Salmonson provides a unique chronicle of female fortitude focusing not just on physical strength but on the courage to fight against patriarchal structures and redefine women's roles during time periods when doing so was nearly impossible The use of historical information and fictional traditions from Japan Europe Asia and Africa gives this work a cross cultural perspective that contextualizes the image of these unconventional depictions of might valor and greatness

Subaltern Narratives in Fiji Hindi Literature Vijay Mishra, 2024-02-13 *Subaltern Narratives in Fiji Hindi Literature* is the first comprehensive study of fiction written in Fiji Hindi that moves beyond the hegemonic and colonially implicated perspectives that have necessarily informed top down historical accounts Mishra makes this case using two extraordinary novels *Auk Pur n A Subaltern Tale* 2001 and *Fiji Maa Mother of a Thousand* 2018 by the Fiji Indian writer Subramani They are massive novels respectively 500 and 1 000 pages long written in the devan gar Sanskrit script They are examples of subaltern writing that do not exist as a legitimization of the subaltern voice anywhere else in the world The novels constitute the silent underside of world literature whose canon they silently challenge For postcolonial diaspora and subaltern scholars they are defining indeed definitive texts without which their theories remain incomplete Theories require mastery of primary texts and these subaltern novels heroic compositions as they are in the vernacular offer a challenge to the theorist

Sivasankari, 2024-05-23 Knit India Through Literature is a mega literary project first of its kind in Indian literature. It is the result of the penance yagna done for 16 years by Sivasankari, noted Tamil writer. Knit India Through Literature has involved intense sourcing, research, and translation of literature from 18 Indian languages. The project, she says, aims to introduce Indians to other Indians through literature and culture and help knit them together. The interviews of stalwart writers from all 18 languages approved by the eighth schedule of Indian Constitution, accompanied by a creative work of the respective writer, are published with her travelogues of different regions along with an in-depth article by a scholar on the cultural and literary heritage of each of the languages in four volumes: South, East, West, and North respectively. Her travelogues, her interviews, and the overview of each literature she has sought all reveal one important unity: the concern our writers and poets express in their works for the problems that beset our country today. Through her project, Sivasankari feels writers can make an invaluable contribution with their writings to change the thinking of the people and help eliminate those problems. In this volume, she deals with Tamil, one of the languages spoken in the southern region of India.
