Shining Hero:

Hero in the Labyrinth William Bishop, 2007-05-01 A lady once casually remarked on British public broadcasting that a third of society is depressed but no one ever speaks about it Perhaps in all seriousness it is to this third of the population that this book is addressed However you don't have to be depressed to read it Potentially it is both amusing and instructive light and deep Shocked by the approach of his fiftieth year an English bachelor makes a desperate attempt to become inwardly aware of his given circumstances The attempt is sustained as a trial over a complete seven year cycle in his life leading virtually to the constitution of a new self Occasionally enlivened by humour what is particularly valuable in this account of Hero's manoeuvrings in time is its honesty and sustained sense of hope

On the Hero's Journey Joseph Campbell, 2025-09-16 Rediscover the timeless story that shapes all of us in *On the Hero's Journey* an accessible introduction to one of the most influential ideas in storytelling from world renowned mythologist Joseph Campbell This pocket size gem of short quotations offers both a deeper understanding of how the stories we tell shape our lives and profound inspiration for your own personal journey

Homer's Hero Michelle M. Kundmueller, 2019-10-01 Offering a new Plato inspired reading of the Iliad and the Odyssey this book traces the divergent consequences of love of honor and love of one's own private life for human excellence justice and politics Analyzing Homer's intricate character portraits Michelle M Kundmueller concludes that the poet shows that the excellence or virtue to which humans incline depends on what they love most Ajax's character demonstrates that human beings who seek honor strive perhaps above all to display their courage in battle while Agamemnon's shows that the love of honor ultimately undermines the potential for moderation destabilizing political order In contrast to these portraits the excellence that Homer links to the love of one's own such as by Odysseus and his wife Penelope fosters moderation and employs speech to resolve conflict It is Odysseus rather than Achilles who is the pinnacle of heroic excellence Homer's portrait of humanity reveals the value of love of one's own as the better albeit still incomplete precursor to a just political order Kundmueller brings her reading of Homer to bear on contemporary tensions between private life and the pursuit of public honor arguing that individual desires continue to shape human excellence and our prospects for justice

The Trans and Non-Binary Hero's Journey Valerie Estelle Frankel, Dean Leetal, 2024-07-10 A brave heroine whose quest involves living her true gender A genderqueer knight who battles the transphobic court to save their prince Often fearing discovery the trans hero embarks on adventure aided by an accepting mentor and other allies and challenged by transphobic villains and sometimes uncomprehending family members Ultimately the trans hero triumphs finding love selfhood and affirmation This book adapts Joseph Campbell's classic pattern of comparative mythology and applies it to trans and non binary heroes in modern popular media who are traversing multiple worlds Analyzed are works for the screen such as Steven Universe The Matrix Sense8 and Sandman print materials such as DC and Marvel comics and television fantasy books and graphic novels from trans and non binary creators worldwide

Narrating Sustainability

through Storytelling Daniel Fischer, Sonja Fücker, Hanna Selm, Anna Sundermann, 2022-12-08 Stories and narratives are powerful tools for explaining the world around us This book explores storytelling as a way of engaging audiences with sustainable development issues and reflects on the opportunities and limitations of storytelling for sustainability as an innovative approach to sustainability communication Bringing together voices and perspectives from research and practice this volume explores the ways in which storytelling can support change toward sustainability Unlike other anthologies the book first provides a sound scientific basis by unfolding the storytelling approach and presenting empirical studies on its impact on effects It clarifies important terms and presents recent findings on the impact of storytelling on sustainability from an extensive 3 year research project on this question The second part shows how storytelling can be used in different fields of practice to communicate sustainability in more engaging and effective ways Here the main focus is on not only case based accounts of positive change but also tensions arising from the application of storytelling for sustainability in journalism higher education corporate communication or science communication Combining theory with practical examples this innovative book will be a great resource for students and scholars of environmental communication and sustainable development as well as professionals working in related fields

St. Nicholas, 1882

Turn of Glory Al Lacy, 2011-07-20 At the Battle of Chancellorsville four soldiers risk their lives to come to the aid of their friend Rance Dayton while he is under fire An official commendation from General Stonewall Jackson follows and the four are proclaimed heroes But in a matter of days their lives change drastically when the four mistake General Jackson and other approaching riders for Union soldiers and open fire Jackson is killed and the four former heroes now hounded and shamed head west and turn to lives of crime And it is Rance Dayton now a U S marshal who must bring the outlaws to justice

Battles of Destiny 2-in-1 Vol. 4 Al Lacy, 2009-10-07 Dramatic Tales of Love and Civil War The Battles of Destiny series is now available in four attractive two in one volumes Bestselling author Al Lacy packs each dramatic novel in the popular historical fiction series with heartwarming romance and solid moral values Set during the Civil War these are the tales of families soldiers nurses and spies as they contend with the deadly threats posed by war and the eternal hope that springs from love Fast moving and historically accurate these stories appeal to men and women who enjoy a trip back in time Now longtime and new Lacy fans can purchase the entire Battles of Destiny classics and enjoy hours of endless reading pleasure The Civil War Wings of the Wind Battle of Antietam Early in his life tragedy and hardship caused young Hunter McGuire to lose everyone he loved his parents his little sister his best friend Years later Dr Hunter McGuire grieves once again after being separated from the young nursing student who has stolen his heart This time however a tender reunion takes place after Jodie returns unexpectedly and helps Hunter tend the wounded at the battle of Antietam Yet their struggles have just begun for their life together is threatened by more than they realize And only One can save their love the God who walks on the wings of the wind Turn of Glory Battle of Chancellorsville Confederate Major Rance Dayton is

wounded on the battlefield and fears he will die until four friends risk their lives to save him The courageous four are honored and live as heroes until in the confusion and darkness of a nighttime battle an unthinkable tragic accident changes their lives forever The four so recently renowned as heroes are now despised and hounded as miscreants and soon they desert the army and head west to live as outlaws It is there that Rance a newly commissioned U S Marshal meets the four again this time in very different circumstances but with the knowledge that he owes them his life Story Behind the Book

While studying American history in high school I was struck with a strange fascination for the Civil War That fascination grew stronger when I studied it again in college and I've visited many of the sites where the battles took place When I visited the Appomattox Court House in Virginia where General Robert E Lee signed the documents of surrender before General Ulysses S Grant I was struck with the thought of creating a series of novels based upon specific battles in the Civil War I wanted to mold fictional characters with real ones and fill the stories with romance suspense intrigue and the excitement of battle That's how the Battles of Destiny series came to be Al Lacy **The Teutonic Way: Religion** Kveldulf Gundarsson,2023-05-16 Expanding on Teutonic magic the book continues the pathway to understanding the heathen religion and faith Teutonic Religion has been updated with new charts tables and diagrams **MASTER T.H. WHITE.**,2023-06-01 The Master involves two children Judy and Nicky and their dog Jokey who are stranded on Rockall an extremely small uninhabited remote rocky islet in the North Atlantic Ocean They find that it is hollow and inhabited by a mysterious person who aims to take over the world The Seven Basic Plots Christopher Booker,2004-01-01 This volume provides an analysis of stories plot structures and their psychological meanings attempting to distill all of storytelling down to a few archetypes Drawing on a vast array of examples from Proust to detective stories from the Marquis de Sade to E T the author leads readers through the changes in the nature of storytelling over the past 200 years and why so many stories have lost the plot by losing touch with their underlying archetypal purpose He analyzes why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years **Pathways to Bliss** Joseph Campbell,2004 Here he anchors mythology's symbolic wisdom to the individual applying the most poetic mythical metaphors to the challenges of our daily lives Jacket The Hero with a Thousand Faces Joseph Campbell,2008 This newly redesigned edition of Campbell's seminal 1949 work combines the insights of modern psychology with the author's revolutionary understanding of comparative mythology Illustrated **Washington Irving and the Fantasy of Masculinity** Heinz Tschachler,2022-02-02 Washington Irving remains one of the most recognized American authors of the 19th century remembered for short stories like Rip van Winkle and The Legend of Sleepy Hollow He also accomplished other writing feats including penning George Washington's biography and other life stories Throughout his life Irving was at odds with socially approved ways of being a man Irving purportedly saw himself and was seen by others as feminine shy and non confrontational Likely related to this he chose to engage with other men's fortunes and adventures by

writing defining his male identity vicariously through masculine archetypes both fictional and non fictional Sitting at the intersection of literary studies and masculinity studies this reading reconstructs Irving s life long struggle to somehow win a place among other men Readers will recognize masculine themes in his tales from the Spanish period his western adventures as well as in historical biographies of Columbus Mahomet and Washington In many writings by Irving especially Sleepy Hollow readers will observe themes dominated by masculinity The book is the first of its kind to encompass and examine Irving s writings

Experiencing Hektor Lynn Kozak,2016-12-01 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched At the Iliad s climax the great Trojan hero Hektor falls at the hands of Achilles But who is Hektor He has resonated with audiences as a tragic hero great warrior loyal husband and father protector of a doomed city Yet never has a major work sought to discover how these different aspects of Hektor s character accumulate over the course of the narrative

to create the devastating effect of his death This book documents the experience of Hektor through the Iliad s serial narrative Drawing on diverse tools from narratology to cognitive science but with a special focus on film character television poetics and performance practice it examines how the mechanics of serial narrative construct the character of Hektor How do we experience Hektor as the performer makes his way through the epic How does the juxtaposition of scenes in multiple storylines contribute to character How does the narrative work to manipulate our emotional response How does our relationship to Hektor change over the course of the performance Lynn Kozak demonstrates this novel approach through a careful scene by scene breakdown and analysis of the Iliad focusing especially on Hektor In doing so she challenges and destabilises popular and scholarly assumptions about both ancient epic and the Iliad s other hero
