body He was a brave man however and putting aside all fear went forward dauntlessly Crunch crunch he stepped now on the dragon s body now between its coils and without even one glance backward he went on his way He had only gone a few steps when he heard some one calling him from behind On turning back he was much surprised to see that the monster dragon had entirely disappeared and in its place was a strange looking man who was bowing most ceremoniously to the ground His red hair streamed over his shoulders and was surmounted by a crown in the shape of a dragon s head and his sea green dress was patterned with shells Hidesato knew at once that this was no ordinary mortal and he wondered much at the strange occurrence
