Lynch, Domingos Nunez, Grace Dyas, 2020-05-14 Contemporary Irish Documentary Theatre is the first anthology of Irish documentary drama. It features five challenging plays by Irish writers and one by an international author interrogating and commenting on crucial events of Irish history and of the diaspora with introductory essays by established academics. Together these plays represent the most innovative development in contemporary Irish theatre and illuminate the social and political realities of contemporary Ireland. The first two plays of 2010 and 2013 deal with scandals of clerical and institutional abuse and use as source material the Ryan Report of 2009 and the documents from the 2008 Irish Bank Guarantee. The next two of 2014 and 2013 concern interpretations of the most iconic moment of Irish history the Easter Rising. The first of these is based on published statements of participants in the event and the second on the lived experiences of those in the contemporary Republic whose founding ideals have not been realized. The last two plays of 2015 and 2016 widen the view to the history of the Irish in the diaspora one retelling the history of emigration to England based on published research material and the other tracing Roger Casement's experiences in the Amazon and his subsequent participation in the Easter Rising using extracts from his diaries and other writings. The plays included and discussed are No Escape by Mary Raftery Guaranteed by Colin Murphy Of This Brave Time by Jimmy Murphy History by Grace Dyas My English Tongue My Irish Heart by Martin Lynch The Two Deaths of Roger Casement by Domingos Nunez The Unbegotten John Creasey, 2012-11-25 The human race is experiencing a slow death as the population ages but no babies are being born. Emissaries from outer space are the cause but this is unknown and they are attempting to prevent Dr Palfrey discovering the truth. Once again he is faced with the need to save the world this time from a megalomaniac takeover by The Master *Start With an Earthquake...* Tim Stockil, 2013-10-01 Start With an Earthquake How to make presentations that wow your audience is designed to help anyone deliver a speech that is dynamic, creative and memorable. Using this book readers can explore what gives a speech impact through language, gesture, vocal variety and rhetorical devices. It focuses on making a speech more creative and advises how preparing yourself practically, physically, vocally and emotionally can help banish speech day panic. It also clarifies why PowerPoint is generally unhelpful and almost always badly used and reveals a fool proof method for constructing a speech from the initial idea to the final delivery. Tim Stockil spent ten years in the theatre as a director before moving into training so he understands both the concept of top quality performance and how to draw it out of even the most nervous and tongue tied subject. Central to his method is to ensure that you have both a topic what your speech is about and an objective what you want your audience to feel and do as a result of your presentation. Stockil insists that no speech should ever just be about imparting information though many people in business fail to realise this. With his theatrical background he shows how to rehearse properly again something that most business people fail to do. Stockil peppers the text with real life experiences of his 25 years of running courses on presentation skills and coaching people one to one. Readers will find examples of speeches and the people who gave them successful and otherwise. These include a long extract from a very powerful contemporary

speech which is accompanied by notes which demonstrate why it is so effective Start With an Earthquake is ideal for those who work in business or have to face presentations on a daily basis However the book would also be helpful to anyone making a speech from a wedding to the Rotary Club *The Rake* Mary Jo Putney,2011-10-24 A woman holds the key to one man s destiny in this classic Regency romance from the legendary New York Times bestselling author Disinherited and disgraced Reginald Davenport s prospects cried for a dire end But fate has given him one last chance at redemption by taking his rightful place as the heir of Strickland his lost ancestral estate Davenport knows his way around women yet nothing prepares him for his shocking encounter with Lady Alys Weston Masquerading as a man in order to obtain a position as estate manager of Strickland Alys fled a world filled with mistrust and betrayal She was finished with men until Strickland s restored owner awakens a passion she thought she would never feel A passion that will doom or save them both if only they can overcome their pasts Praise for Mary Jo Putney Putney s endearing characters and warm hearted stories never fail to inspire and delight Sabrina Jeffries A complex maze of a story twisted with passion violence and redemption Miss Putney just gets better and better Nora Roberts A gifted writer with an intuitive understanding of what makes romance work Amanda Quick No one writes historical romance better Cathy Maxwell Dynamite Laura Kinsale **The Unique Crossword Dictionary** Athol Crane,2008-08-30 The unique dictionary is a dictionary designed for quick reference printed in a handy format to be a great companion for crossword partakers **Abandoned Memories** MaryLu Tyndall,2014-07-01 In MaryLu Tyndall s stunning conclusion to her Escape from Paradise series Angeline Moore longs to make a fresh start in the Confederate colony of New Hope Brazil James Callaway longs to create a city free from immoral women who caused his failure as a preacher But a series of strange happenings soon lead the colonists to believe they have been brought to this place for a divine purpose Escape to Paradise Series Book 1 Forsaken Dreams Book 2 Elusive Hope Book 3 Abandoned Memories July 2014
