Vaughan, Virginia Mason Vaughan, 2012-04-05 This book is a lively account of how American culture has embraced the English playwright and poet from colonial times to the present It ranges widely following the story of Shakespeare's reception in America from the scholarly criticism editions of the plays and curricula to the light hearted burlesques musical comedies and kitsch **Kabuki Lady Macbeth** Karen Sunde, Shōzō Satō, 2006 Typescript dated 2005 Unmarked typescript printed after the run of Kabuki Lady Macbeth directed by Shozo Sato in the smaller theater upstairs at Chicago Shakespeare Theater 800 East Grand Avenue on Navy Pier Chicago Ill It had been reviewed March 23 2005 *Interlinguicity, Internationality, and Shakespeare* Michael Saenger, 2014-12-01 Languages have become more mobile than ever before producing translations transplantations and cohabitations of all kinds The early modern period also witnessed profound linguistic transformation but in very different ways Interlinguicity Internationality and Shakespeare undoes the illusion that Shakespeare wrote in what we now think of as English In a series of essays approaching Shakespeare from unique and thought provoking perspectives contributors from history performance criticism and comparative literature look at interlinguicity the condition of being between languages and internationality the condition of being between countries Each essay focuses on local issues such as community identification in the Netherlands of Shakespeare's time and the appropriation of Shakespeare in German literature in the nineteenth century to suggest that Shakespeare never wrote in English because English was not then nor is it now an intact knowable system Many languages existed in sixteenth century London and English did not have clear limits Interlinguicity Internationality and Shakespeare helps to explain the hybridity that Shakespeare embraced in all his writing Contributors include Paula Blank College of William and Mary Lauren Coker Saint Louis University Brian Gingrich Princeton University Alexa Huang George Washington University James Loehlin University of Texas at Austin Scott Newstok Rhodes College Patricia Parker Stanford University Elizabeth Pentland York University Philip Schwyzer University of Exeter Gary Waite University of New Brunswick and Robert N Watson University of California Los Angeles **Shakespeare East and West** Minoru Fujita, Leonard Pronko, 2013-12-16 The International Shakespeare Association meeting held in Tokyo in August of 1991 was regarded by many of the

*Shakespeare and East Asia* Alexa Alice Joubin, 2021-01-26 Structured around modes in which one might encounter Asian themed performances and adaptations Shakespeare and East Asia identifies four themes that distinguish post 1950s East Asian cinemas and theatres from works in other parts of the world Japanese formalistic innovations in sound and spectacle reparative adaptations from China Taiwan and Hong Kong the politics of gender and reception of films and touring productions in South Korea and the UK and multilingual diaspora works in Singapore and the UK These adaptations break new ground in sound and spectacle they serve as a vehicle for artistic and political remediation or in some cases the critique of the myth of reparative interpretations of literature they provide a forum where diasporic artists and audiences can grapple with contemporary issues and through international circulation they are reshaping debates about the relationship between East Asia and Europe Bringing film and theatre studies together this book sheds new light on the two major genres in a comparative context and reveals deep structural and narratological connections among Asian and Anglophone performances These adaptations are products of metacinematic and metatheatrical operations contestations among genres for primacy or experimentations with features of both film and theatre
