Shooting Ducks A History Of Oregon By Hobson Howard:

March 1939 Terry Frei, 2014-02-06 In 1939 the Oregon Webfoots coached by the visionary Howard Hobson stormed through the first NCAA basketball tournament which was viewed as a risky coast to coast undertaking and perhaps only a one year experiment Seventy five years later following the tournament s evolution into a national obsession the first champions are still celebrated as The Tall Firs They indeed had astounding height along the front line but with a pair of racehorse guards who had grown up across the street from each other in a historic Oregon fishing town they also played a revolutionarily fast paced game Author Terry Frei s track record as a narrative historian in such books as the acclaimed *Horns Hogs and Nixon Coming* plus a personal connection as an Oregon native whose father coached football at the University of Oregon for seventeen seasons makes him uniquely qualified to tell this story of the first tournament and the first champions in the context of their times Plus Frei long has been a fan of Clair Bee the Long Island University coach who later in life wrote the Chip Hilton Sports Series books mesmerizing young readers who didn t know the backstory told here In 1939 the Bee coached LIU Blackbirds won the NCAA tournament s rival the national invitation tournament in New York then in only its second year and still under the conflict of interest sponsorship of the Metropolitan Basketball Writers Association Frei assesses both tournaments and given the myths advanced for many years his conclusions in many cases are surprising Both events unfolded in a turbulent month when it was becoming increasingly apparent that Hitler s belligerence would draw Europe and perhaps the world into another war soon Amid heated debates over the extent to which America should become involved in Europe s affairs this time the men playing in both tournaments wondered if they might be called on to serve and fight Of course as some of the Webfoots would demonstrate in especially notable fashion the answer was yes It was a March before the Madness
