Inglorious Mark Avery, 2015-07-30 ONE OF 2015 S BOOKS OF THE YEAR IN THE TIMES AND THE MAIL ON SUNDAY A hard hitting passionate and well researched book about the conflict between driven grouse shooting and nature conservation in Britain with a foreword by Chris Packham Driven grouse shooting where flocks of Red Grouse are chased by lines of beaters so that they fly over lines of guns that shoot the fast flying birds is a peculiarly British fieldsport It is also peculiarly British in that it is deeply rooted in the British class system This multi million pound business dominates the hills of the north of England the Pennines the North Yorkshire Moors the Cheviots and throughout Scotland Grouse shooting is big business VERY big business And backed by powerful wealthy lobbying groups its tendrils run throughout British society Inglorious makes the case for banning driven grouse shooting The facts and arguments are presented fairly but the author Mark Avery states from the start why he has after many years of soul searching come down in favour of an outright ban There is too much illegal killing of wildlife such as Buzzards Golden Eagles and most egregiously of all Hen Harriers and as a land use it wrecks the ecology of the hills However grouse shooting is economically important and it is a great British tradition All of these and other points of view are given fair and detailed treatment and analysis and the author talks to a range of people on different sides of the debate The book also sets out Avery s campaign with Chris Packham to gain support for the proposal to ban grouse shooting culminating in Hen Harrier Day timed to coincide with the Glorious 12th This new paperback edition includes new material on what went on in 2015 including the devastating floods of that winter bringing the story right up to date Mark Avery continues to stir up a debate about fieldsports the countryside and big business in a book that all British conservationists will want to read **Money Shot** Susan Sey, 2011-06-07 Secret Service Agent Maria Goose di Guzman is assigned to Mishkawa Island on a goose chase of a case when she encounters a greater mystery in sexy park ranger Rush Guthrie *Shooting Midnight Cowboy* Glenn Frankel, 2021-03-16 Much more than a page turner It s the first essential work of cultural history of the new decade Charles Kaiser The Guardian One of The Washington Post s 50 best nonfiction books of

2021 A Publishers Weekly best book of 2021 The Pulitzer Prize winning journalist and New York Times bestselling author of the behind the scenes explorations of the classic American Westerns *High Noon* and *The Searchers* now reveals the history of the controversial 1969 Oscar winning film that signaled a dramatic shift in American popular culture Director John Schlesinger's *Darling* was nominated for five Academy Awards and introduced the world to the transcendently talented Julie Christie Suddenly the toast of Hollywood Schlesinger used his newfound clout to film an expensive Panavision adaptation of *Far from the Madding Crowd* Expectations were huge making the movie's complete critical and commercial failure even more devastating and Schlesinger suddenly found himself persona non grata in the Hollywood circles he had hoped to conquer Given his recent travails Schlesinger's next project seemed doubly daring bordering on foolish James Leo Herlihy's novel *Midnight Cowboy* about a Texas hustler trying to survive on the mean streets of 1960's New York was dark and transgressive Perhaps something about the book's unsparing portrait of cultural alienation resonated with him His decision to film it began one of the unlikelier convergences in cinematic history centered around a city that seemed at first glance as unwelcoming as Herlihy's novel itself Glenn Frankel's *Shooting Midnight Cowboy* tells the story of a modern classic that by all accounts should never have become one in the first place The film's boundary pushing subject matter homosexuality prostitution sexual assault earned it an X rating when it first appeared in cinemas in 1969 For *Midnight Cowboy* Schlesinger who had never made a film in the United States enlisted Jerome Hellman a producer coming off his own recent flop and smarting from a failed marriage and Waldo Salt a formerly blacklisted screenwriter with a tortured past The decision to shoot on location in New York at a time when the city was approaching its gritty nadir backfired when a sanitation strike filled Manhattan with garbage fires and fears of dysentery Much more than a history of Schlesinger's film *Shooting Midnight Cowboy* is an arresting glimpse into the world from which it emerged a troubled city that nurtured the talents and ambitions of the pioneering Polish cinematographer Adam Holender and legendary casting director Marion Dougherty who discovered both Dustin Hoffman and Jon Voight and supported them for the roles of Ratso Rizzo and Joe Buck leading to one of the most intensely moving joint performances ever to appear on screen We follow Herlihy himself as he moves from the experimental confines of Black Mountain College to the theatres of Broadway influenced by close relationships with Tennessee Williams and Anaïs Nin and yet unable to find lasting literary success By turns madcap and serious and enriched by interviews with Hoffman Voight and others *Shooting Midnight Cowboy* Art Sex Loneliness Liberation and the Making of a Dark Classic is not only the definitive account of the film that unleashed a new wave of innovation in American cinema but also the story of a country and an industry beginning to break free from decades of cultural and sexual repression **The Last Shot** Brett Wallach, 2023-04-19 It is the beginning of the fourth quarter for me actuarially Time is running out I'm way behind and I've got to score Now Middle aged Philadelphia Private Investigator Phil Allman is writing a detective novel And he is determined to have it published by a major house No matter what it takes Rachel Arison is Senior Vice President of Fiction at Bryce

Zirlinson Publishing: 35 Years 1983-2018: A History in Cover Art Shawn M. Tomlinson, 2018-12-16 It has been a long strange road and probably has no end clearly in sight Many more books are in the works as I write this in early December 2018 For example I have published nine novels to date and am writing nine more with plans for some beyond that The Shawn M Tomlinson's Guide to Photography series has 29 titles in print with another five or six nearly complete and plans for 30 to 40 more I'm also trying to rework and rearrange those books into omnibus editions by chronology and by theme I never will get every book done I want to do but it keeps me busy I always planned on putting out a catalog of all the Zirlinson Books but kept getting waylaid for one reason or another until now This catalog is available as a print book in color The color print book will be cost prohibitive for many people so there likely will be a black and white version available too
