Shoremen Harold D. Jopp, 1974-01-01      **Shoreman** Harold D. Jopp, R. H. Ingersoll, 1974-01-01      Maryland Wits and Baltimore Bards Frank R. Shivers, 1998-01-29 In the first comprehensive literary history of Baltimore and Maryland Frank R Shivers Jr explores the region's long overlooked but substantial contribution to American letters In picture and story Shivers's lively account ranges from the colonial satire of Ebenezer Cook to the national anthem of Francis Scott Key to the acclaimed works of Poe Melville Fitzgerald and more 48 illustrations      **Done Crabbin'** Gilbert Byron, 2000-10-19 In his nationally acclaimed *The Lord's Oysters* Gilbert Byron told the story of a young boy growing up on Maryland's Eastern Shore in the early twentieth century Noah Marlin is older now as Byron takes up his tale of Chesapeake watermen and their families in this sequel to his beloved classic In *Done Crabbin'* Noah's world has begun to change as life on the river becomes less important than life in the town He's shocked to discover his fifth grade teacher the yellow haired Miss Bertie parked in a buggy on a back road with Doc Beller but keeps his discovery secret when he remembers Doc's profession I could imagine myself going to him for a small filling and then he would strap me in his chair it wasn't worth the chance He hears William Jennings Bryan speak beneath the leaking canopy of a Chataqua tent during a raging thunderstorm and remarks in passing that a young man on the tent crew would be killed a year later when his biplane crashed in France In the end they all leave the river Captain Cable trades his illegal 200 pound duck gun for a carpenter's tools Grandpappy abandons his houseboat spending his last days in the Marlin family home Noah's father finds a job in a Baltimore shipyard during the World War I shipbuilding boom and at last brings the family to the city to join him And when Noah himself goes off to prep school he knows that he and his father have left their old lives for good They would never follow the water again They are done crabbin'

The Publishers' Trade List Annual, 1979      Maryland's Eastern Shore John R. Wennersten, 1992 A hundred years ain't such a very long time on the Eastern Shore local farmers and watermen used to say and that is a telling refrain Past and present mix easily on the Shore and in this respect as well as in certain local customs and habits of language the region is very much still an old fashioned English society Until fairly recently the peninsula was one of the most geographically isolated regions on the Atlantic coast In this isolated society the most important factors have been agriculture seafaring and race a blend of soil sea and soul In his attempt to convey the special character of the region before accelerating change affects its transformation John Wennersten has used these themes as a framework for an absorbing narrative His insights into how these elements affected the development of the area and its current character take the story of the Eastern Shore beyond mere facts and into the realm of socio cultural history This is a fascinating overview of an unusual and perhaps vanishing lifestyle      *Catalog of Copyright Entries.
