Shores Never Reached:

On the Grammar of Optative Constructions Patrick Georg Grosz, 2012 The primary aim of this dissertation is to present an analysis for so called optative constructions clauses that express a wish hope or desire without containing a lexical item that means wish hope or desire A secondary aim is to contrast optative constructions with so called polar exclamatives clauses that express surprise shock or dismay at a given fact without containing a lexical item that means surprise shock or dismay The goal is to better understand the way in which syntax semantics and pragmatics interact in order to yield the meanings and uses that these constructions have The core claim is that we can understand optative constructions by virtue of exploring three properties that they share First I argue that optatives and polar exclamatives contain a generalized exclamation operator EX which serves to express an emotion towards the status of the modified proposition on a contextually provided scale Second I argue that semantic mood including factivity and counterfactuality is encoded in a distinguished Mood head the content of which co determines both morphological mood and the material that overtly surfaces in the position of C Third I argue for a generalized analysis of prototypical particles including non exclusive ONLY concessive AT LEAST and unstressed DOCH My analysis treats these particles as truth conditionally vacuous presupposition triggers which interact with optativity in three different ways First they convey additional information with respect to the modified proposition Second they eliminate alternative readings for an ambiguous clause due to incompatibility Third this disambiguating role makes them ideal licensors for a marked utterance type Chapter 1 of this dissertation is an introductory chapter that presents the core proposal in a nutshell After this coarse overview chapter 2 reviews some basic definitions and background on optatives and polar exclamatives Subsequently I proceed to a presentation of my entire system in chapter 3 The following chapters discuss each of the three core parts in turn starting with the EX operator in chapter 4 followed by semantic mood in chapter 5 and finally I discuss particles in chapter 6 Chapter 7 concludes

Deadly Shores Taylor Anderson, 2015-05-05 The Destroyermen series continues from the New York Times bestselling author of Straits of Hell The ambitious long planned raid on the Grik Empire has grown dangerously ill defined Only Matthew Reddy commander of the old destroyer USS Walker seems focused on the original intent While many Lemurians see an opportunity to reconquer their stolen homeland others Lemurian and human have their own agendas which could compromise the Alliance Complicating matters further is Reddy's suspicion that his task force is being stalked by some unknown power bent on aiding the Grik for reasons of its own As the raid begins and chaos reigns Reddy has no choice but to risk everything in a desperate act that results in a sprawling nightmare battle on the beaches of Grik City on the very decks of Walker and in the labyrinthine passageways of the Celestial Palace itself The final cost could be more than Matt Reddy or the Alliance can bear

The Secrets of the Dark Arka Chakrabarti, 2013-04 Is one born with his destiny or does he forge it In the mystical land of Gaya two prophecies bind the fate of men and empires alike The Destroyer born from the royal seed on the Land of the Setting Sun

shall bring the empires down or so has been foretold In between the Destroyer and the world stand the Seven Guardians of Gaya guarding the realm of man A king a father defies the Seven and fate itself to save the last drop of his blood and prince Agni grows in the Land of the Rising Sun exiled from his own people unaware of his past Losing the woman he loved most to the shadows in the dark Agni is thrown into a whirlpool of events that he neither knows nor understands His quest for vengeance brings him to the doorstep of a secret that will shatter the very foundation of beliefs of a world Can Agni avert his destiny Can he uncover the truth about the Seven and the prophecies now hidden behind a veil of ignorance The Secrets of the Dark are sometimes so terrible that they are better left unsaid *The Federal Cases* ,1895 **The House at the**

Shore Joy Joseph,2009-06-12 Starting in Ireland during the potato famine a family is driven to emigrate to the U S for a better life Parents and four children land in Philadelphia to begin anew Aidan and Susan Curran begin in a society unfriendly to the Irish Through determination and hard work they eventually improve their lot and become people of substance The children go on to their own lives One becomes a Catholic nun one a teacher The two men start small in real estate and eventually own a good portion of South Philadelphia They have their trials and tribulations become involved with the business classes of the city and move on to better things One son has a child who is afflicted with asthma causing them to build a home on the South Jersey coast to ease the symptoms The home originally a summer cottage figures greatly in their lives ever after The son grows up to be somewhat of a genius He goes to medical school and opens a practice He marries and raises five children During his lifetime he becomes adept at the practice of medicine pharmacy painting and poetry He conquers several languages and becomes an amateur boxer He joins the Army Medical Corp in 1918 and leaves his four children and a wife expecting a fifth to go to war While stationed in France he is decorated as well as wounded He returns at wars end to find his only son has acquired the same symptoms he had as a boy For the child's health they decide to move permanently to the Jersey shore He opens a practice there and all through the 1920s life goes on in a calm wonderful way although he is aware of some nagging seemingly minor medical problems The Depression comes and he finds that during the war when his wife was the only one to answer to his lawyers and bankers had robbed him blind From a life style of wealth and comfort the family is forced to go on Relief to get food on the table The doctor loses all his real estate to taxes treats his patients for free and experiences faltering health All they have left to their name is the house at the shore The doctor finally realizes that the mustard gas he was exposed to has been killing him ever since he was in the army At his death the five children who grew up to expect life would always be good and comfortable have to change their lifestyles A challenge when none were prepared to do so The story does not have a happy ending But no one ever said life was fair The house at the shore is the only survivor *Ecotourism Marshaling Resources to Promote New Jersey's Ecotourism Treasures* ,1998-05 Presents testimony from interested parties on whether the State should promote ecotourism as a policy to promote both environmental protection and economic development in NJ Covers how to use scarce resources to promote ecotourism in the

state and how to encourage the growth of ecotourism markets while maintaining environmental quality in the state Witnesses include representatives from a number of environmental groups Nature Conservancy Wetlands Inst etc as well as the NJ Dept of Environmental Protection and state and local travel and tourism groups planning boards and chambers of commerce

Asbestos, 1918 **Struggle for Ethnic Identity** Pyong Gap Min, Rose Kim, 1999 Dr Pyong Gap Min and Rose Kim present a compilation of narratives on ethnic identity written by first 1.5 and second generation Asian American professionals In an attempt to reconcile the dichotomies long associated with being both Asian and American these narratives trace the formation of each author's ethnic identity and discuss its importance in shaping his or her professional career The narratives touch upon common themes of prejudice and discrimination loss and retention of ethnic subculture ethnic versus non ethnic friendship networks and racial and inter racial dating patterns When coupled with Dr Min's comprehensive introductory chapter on contemporary trends in the study of ethnicity these narratives prove that constructing one's ethnicity is truly a dynamic process and serve as an invaluable resource for anyone interested in teaching or studying the concepts of ethnic identity The Original Six Lew Freedman, 2016-10-04 Since the inception of the National Hockey League on November 26 1917 the sport of hockey has been one of the most popular games across the globe After the National Hockey Association NHA which had been founded in 1909 ceased operations the NHL took over and became a mainstay for the sport While there had been teams that dated back to the 1800s and many that came and went through the years there are six teams which are considered to be the Original or Traditional Six the Montreal Canadiens Boston Bruins New York Rangers Chicago Blackhawks Toronto Maple Leafs and Detroit Red Wings In *The Original Six* Lew Freedman *Clouds Over the Goalpost A Summer to Remember* takes readers on a trip down memory lane not only introducing the NHL's humble beginnings but how far the game has actually come Broken up into six sections Freedman tells the history and stories of the teams that represent the heart and soul of the NHL From how these teams came to be and the steps that were taken to get them established to their early years and how they helped shape the game we love today *The Original Six* is not only for lovers of these teams but for the sport itself Whether you're a diehard supporter or fair weather fan learn how this incredible sport began and of the teams that helped it grow into one of the most entertaining and enjoyable games in the world Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not
