A Short History of Spain Mary Platt Parmele,2021-03-31 In presenting this book to the public the author can only reiterate what she has already said in works of a similar kind that she has tried to exclude the mass of confusing details which often make the reading of history a dreary task and to keep closely to those facts which are vital to the unfolding of the narrative This is done under a strong conviction that the essential facts in history are those which reveal and explain the development of a nation rather than the incidents more or less entertaining which have attended such development And also under another conviction that a little thoroughly comprehended is better than much imperfectly remembered and understood A Short History of the Spanish Civil War Julián Casanova,2021-10-21 Inhaltsverzeichnis Introduction The roots of the conflict Spain split in half Holy War and anticlerical hatred An international war on Spanish soil The Republic at war The new order A long war An uncivil peace *A Short History of Spain* Charles Petrie,1975 *A history of Spain ... to the death of Ferdinand the Catholic* Ulick Ralph Burke,1900 A History of Spain from the Earliest Times to the Death of Ferdinand the Catholic Ulick Ralph Burke,1895
