This is a very revealing and enlightening book about the anti christ Pastor Robert Johnson has sought to inform the reader on a biblical level which is what matters most He has brought together the scriptures from various passages in the Bible and place them in context to give those who desire a better understanding of the mystery of the anti christ his going forth upon the earth and his end In this book Robert Johnson goes to great length to employ sound hermeneutics and exercises great care to exegete the scriptures properly As Robert mentions this book will offend some but for those who are truly seeking a better understanding of this mystery found in God's Word it is an enlightening and in depth study of the mystery of Iniquity If there is one book of prophecy you read this year let it be this one I strongly encourage Christians and serious students of the Bible to read it Pastor Clifford Little Green's Tabernacle Baptist Church Macon Georgia
