Looking For A God To Pray To Christian Spirituality In Transition:

Looking for a God to Pray to William E. Reiser, 1994-01-01 Why are people turning to things like New Age spirituality Has the gospel nothing to offer them Indeed it does affirms Reiser if we take the time to appreciate the story of Jesus in its challenging depth Reiser s new book calls for a spirituality that includes a fresh way of conceiving and talking about our relationship to God praying and today s world *Catholic Christian Spirituality for NEW AGE DUMMIES* Fr. Benjamin A. Vima, 2012-12-21 This book is about Catholic spirituality which the author christens it as Catholic Christian Spirituality which introduces this spirituality to those who dream about knowing it clearly and observing it validly and fruitfully but not fully realized their dream yet It is a compilation of the Catholic Christian Spirituality s Scriptural foundations its historical explications of the Church its multi dimensional applications and its inner and outer dynamics Definitely the sole difference of this book from others as the author writes is the fact that it is a book written with my red and warm blood as a personal journal of my experiential spirituality as a cradle New Age Catholic Though this post modern age is judged as one of the most secular ones even as many comment it is an age of irreligiosity there are actually millions of people around the globe being hungry for spirituality and earnestly looking for help with their inner lives Too many self declared sages propose too many strategies as they like Fr Vima observes in those dealings many are too extreme or too sentimental or too conservative and liberal or too wordy and theoretical With a heart of pastor serving in many parishes in the States he offers this book to the Catholic Christian friends who live move in this turbulent period This book is supposed to join in that group of works In no way it seeks to be exhaustive or conclusive handbook or textbook on Catholic Christian spirituality or any sort of spiri tual guidance It consists of discussions on the basic elements of Catholic Christian spirituality its various types its motives and especially its dynamics The author underlines this book s uniqueness as he writes In human communication it is said one visual is worth thousand words **The Publishers Weekly** ,2007 Finding God in a Holy Place Chris Cook, 2010-07-08 Focussing on Durham Cathedral this is a practical guide to prayer in holy spaces concentrating on the places where we can go to be closer to God **The Seeking Heart** Ian Mobsby, 2025-01-28 In the contemporary church the word mission has become synonymous with pace expansion and results Yet such an approach can often leave those with responsibilities in mission or ministry feeling exhausted and overwhelmed Not only that but mission which focuses on the rapid and the growing fails to recognise the rich resources the more contemplative Christian traditions can offer our post secular society and especially those who would call themselves spiritual but not religious *Religion and Life* ,1924 **Proceedings-- National Wilderness Research Conference** ,1986 This second volume of conference proceedings includes over 70 reports of current wilderness research presented at the National Wilderness Conference 1985 Topics covered include wilderness fire air quality soil and vegetation fish and wildlife water wilderness use and user characteristics visitor attitudes and behaviour management concepts etc The Christian Work and the Evangelist ,1910 **The Christian Union** Henry Ward

Beecher,1886 **Tending the Holy** Norvene Vest,2003-11-01 God is mystery writes Norvene Vest in the Introduction to Tending the Holy and every form of religion is an effort to respond faithfully to the mystery of God by whatever name The Divine breaks through into human experience in many ways and humans respond variously to the awesome experience of God And those various responses are what the contributors to Tending the Holy document In this provocative and cutting edge collection readers are given the opportunity to see what spiritual direction looks like and what questions are asked through a variety of lenses From an examination of the spiritual direction relationship in the Evangelical Christian tradition to Buddhism and Hindu ones to the better known ones of the Benedictines Carmelites and Ignatians and finally to the contemporary lenses of feminism Generation X the institutional perspective and even one based on the natural world and the spirituality of St Francis this collection explores unexplored territory Tending the Holy is an important resource for spiritual directors and pastoral counselors Contributors include Shaykha Fariha al Jerrahi New York Ven Tejadhammo Bhikku Sangha Lodge Buddhist Monastery Australia Chrisopher Key Chapple Loyola Marymount University Rabbi Zari Weiss Seattle Washington Sr Marian Cowan CSJ Sisters of St Joseph of Carondelet St Louis Missouri Lisa Myers La Canada California Dr Michael Plattig University of the Capuchins Germany Sister Katherine Howard OSB St Benedict s Convent St Joseph Minnesota John H Mostyn CBC Rome The Rev Dr John Mabry San Francisco Norvene Vest Altadena California and The Rev Dr H Paul Santmire Watertown Massachusetts The Spiritual Directors International Series This book is part of a special series produced by Morehouse Publishing in cooperation with Spiritual Directors International SDI a global network of some 6 000 spiritual directors and members **Index to Book Reviews in Religion** ,1999 **Christian Spirituality: Latter developments, pt. 1.
