Men Of Dunwich Story Of A Vanished Town:

Men of Dunwich Rowland Parker,1979 Sheringtons Geoffrey Edgar Sherington,Bruce Banfield Sherington,2014-04-09 Sheringtons is the history of a family over five centuries set against contexts of place and enterprise For the first three hundred years the Sherington family were yeomen farmers at Westleton on the coast of Suffolk During the nineteenth century members of the family moved to South London The family was re shaped through urban living and separated through divorce and ultimately emigration overseas Some went west to the Americas only to meet disappointment and violent deaths Others went to Australia where they helped to found Ford Sherington the manufacturer of the well known Globite suitcase **Medieval Suffolk** Mark Bailey,2007 In this book Mark Bailey provides a comprehensive survey of the economy and society of late medieval Suffolk The Remembered Land Jim Leary,2015-10-22 How did small scale societies in the past experience and respond to sea level rise What happened when their dwellings hunting grounds and ancestral lands were lost under an advancing tide This book asks these questions in relation to the hunter gatherer inhabitants of a lost prehistoric land a land that became entirely inundated and now lies beneath the North Sea It seeks to understand how these people viewed and responded to their changing environment suggesting that people were not struggling against nature but simply getting on with life with all its trials and hardships satisfactions and pleasures and with a multitude of choices available At the same time this loss of land the loss of places and familiar locales where myths were created and identities formed would have profoundly affected people s sense of being This book moves beyond the static approach normally applied to environmental change in the past to capture its nuances Through this a richer and more complex story of past sea level rise develops a story that may just have resonance for us today **The Thing on the Doorstep and Other Weird Stories** H. P. Lovecraft,2013-10-01 A definitive edition of stories by the master of supernatural fiction Howard Phillips Lovecraft s unique contribution to American literature was a melding of traditional supernaturalism derived chiefly from Edgar Allan Poe with the genre of science fiction that emerged in the early 1920s This Penguin Classics edition brings together a dozen of the master s tales from his early short stories Under the Pyramids originally ghostwritten for Harry Houdini and The Music of Erich Zann which Lovecraft ranked second among his own favorites through his more fully developed works The Dunwich Horror The Case of Charles Dexter Ward and At the Mountains of Madness The Thing on the Doorstep and Other Weird Stories presents the definitive corrected texts of these works along with Lovecraft critic and biographer S T Joshi s illuminating introduction and notes to each story For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Shakespeare: The Living Record* Irvin Leigh Matus,2016-03-07 **Manheimer's**

Cataloging and Classification, Revised and Expanded Jerry Saye, 1999-09-09 This work has been revised and updated to include the Anglo American Cataloguing Rules 2nd ed the Dewey Decimal System Classification 21st ed and the Library of Congress Classification Schedules The text details the essential elements of the International Standard Bibliographic Description introduces the associated OCLC MARC specifications and more The downloadable resources give more than 500 PowerPoint slides and graphics identical to the text in addition to scans of the title page and title page verso and other illustrations that support examples from Anglo American Cataloguing Rules 2nd ed *Angles on a Kingdom* Joseph Grossi, 2021-07-05 *Angles on a Kingdom* analyses changing attitudes towards East Anglia within early medieval England as revealed in several important literary texts *The Shifting Sands of the North Sea Lowlands* Katie Ritson, 2018-10-26 Global seawater levels are rising and the low lying coasts of the North Sea basin are amongst the most vulnerable in Europe In our current moment of environmental crisis the North Sea coasts are literary arenas in which the challenges and concerns of the Anthropocene are being played out This book shows how the fragile landscapes around the North Sea have served as bellwethers for environmental concern both now and in the recent past It looks at literary sources drawn from the countries around the North Sea Denmark Germany the Netherlands and England from the mid nineteenth century onwards taking them out of their established national and cultural contexts and reframing them in the light of human concern with fast changing and hazardous environments The six chapters serve as literary case studies that highlight memories of flood disaster and recovery attempts to engineer the landscape into submission perceptions of the landscape as both local and global and the imagination of the future of our planet This approach which combines environmental history and ecocriticism shows the importance of cultural artefacts in understandings of and responses to environmental change and advocates for the importance of literary studies in the environmental humanities This book will be of great interest to students and scholars of the Environmental Humanities including Eco criticism and Environmental History as well as anyone studying literature from the Germanic philologies **Lucy Maud Montgomery** Mary Henley Rubio, 2011-02-18 Mary Henley Rubio has spent over two decades researching Montgomery's life and has put together a comprehensive and penetrating picture of this Canadian literary icon all set in rich social context Extensive interviews with people who knew Montgomery her son maids friends relatives all now deceased are only part of the material gathered in a journey to understand Montgomery that took Rubio to Poland and the highlands of Scotland From Montgomery's apparently idyllic childhood in Prince Edward Island to her passion filled adolescence and young adulthood to her legal fights as world famous author to her shattering experiences with motherhood and as wife to a deeply troubled man this fascinating intimate narrative of her life will engage and delight *Nordic Narratives of Nature and the Environment* Reinhard Hennig, Anna-Karin Jonasson, Peter Degerman, 2020-07-06 Many contemporary environmental risks and global environmental changes occurring today are unprecedented in the history of human life on earth However the images and narratives through which humans relate to these phenomena are built on

existing cultural tropes and narrative models Cultural social and historical contexts strongly influence how we construct images and narratives of nature and the environment It is therefore highly important to study such narratives in works of literature film and other forms of cultural expression in relation to the specific circumstances from which they arise Nordic Narratives of Nature and the Environment is the first English language anthology that presents ecocritical research on northern European literatures and cultures The contributors examine specifically Nordic narratives of nature and the environment with a focus on the cultures and literatures of the modern northern European countries Denmark Finland Norway and Sweden including S pmi which is the land traditionally inhabited by the indigenous Sami people Covering northern European literatures and cultures over a period of more than two centuries this anthology provides substantial insights into both old and new narratives of nature and the environment as well as intertextual relations the variety of cultural traditions and current discourses connected to the Nordic environmental imagination Case studies relating to works of literature film and other media shed new light on the role of culture history and society in the formation of narratives of nature and the environment and offer a comprehensive and multi faceted overview of the most recent ecocritical research in Scandinavian studies
