My Belief Jew My Belief:

Testimonies of Jews who Believe in Jesus, 1992 Testimonies may take you by surprise All kinds of Jews have counted the cost considered the claims and committed themselves to following Jesus as the Messiah In this book you ll read about a doctor a lawyer and a couple of business chiefs who candidly tell the events that led them to Y shua Jesus Also included are Paul Steiner a scientist Stan Telchin a pillar of the Jewish community Vera Schlamm a holocaust survivor people who some might think have every reason NOT to believe in Jesus They have come to faith in Him for reasons which are told between the covers of this book *Must a Jew Believe Anything?* Menachem Kellner, 2022-03-09 The crucial question for today s Jewish world Kellner argues is not whether Jews will have Jewish grandchildren but how many different sorts of mutually exclusive Judaisms those grandchildren will face This accessible book examines how the split that threatens the Jewish future can be avoided For this second edition the author has added a substantial Afterword reviewing his thinking on the subject and addressing the reactions to the original edition *Dutch Jews As Perceived by Themselves and by Others* Chaya Brasz, Yosef Kaplan, 2001 This study Encompasses a variety of topics relating to Dutch Jewry from the beginning of Jewish settlement through the Holocaust **The Jewish Faith** Grace Aguilar, 1864 *The Legend of Thomas Didymus. The Jewish Sceptic* James Freeman Clarke, 2025-08-09 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Reference and Identity in Jewish, Christian, and Muslim Scriptures* D. E. Buckner, 2020-07-08 In *Reference and Identity in Jewish Christian and Muslim Scriptures The Same God* D E Buckner argues that all reference is story relative We cannot tell which historical individual a person is talking or writing about or addressing in prayer without familiarity with the narrative oral or written which introduces that individual to us so we cannot understand reference to God nor to his prophets nor to any other character mentioned in the Jewish Christian or Muslim scriptures without reference to those very scriptures In this context we must understand God as the person who walked in the garden in the cool of the day Gen 3 8 and who is continuously referred to in the books of the Hebrew Bible and New Testament as well as the Quran Further developing ideas presented by the late Fred Sommers in his seminal *The Logic of Natural Language* Buckner argues that singular reference and singular conception is empty outside such a context **Faith Honoring** Jill L. Lindsey, Douglas Stump, Rehenuma Asmi, Erica Brown, Amaarah DeCuir, 2024-10-22 This book calls on educators to teach the whole child by including their faith as integral to their identity and offers suggestions for how to honor faith within a nurturing learning environment Part One describes the concept of faith honoring as an extension of historical educational approaches and offers a framework for how to teach in ways that are faith honoring Part Two is a collection of personal essays reflecting on experiences of faith honoring and faith silencing *A Minyan of Women* Beverly A. Greene, Dorith Brodbar, 2013-09-13 This book explores the diverse manner in which family dynamics shaped Jewish identities

in ways that were unique and directly connected to their experiences within their families of origin Highlighted is the diversity of experience of ethnic identity within members of a group of women who are similar in many respects and who belong to an ethnic group that is often invisible Jewish people like members of other ethnic groups are often treated as if their identities were homogeneous However gender social class sexual orientation factors surrounding immigration status proximity of family members to the holocaust or pogroms the number of generations one s family has been in the US and other salient aspects of experience and identities transform and inform the meaning and experience by group members The book explores these diversities of experience and goes on to highlight the way in which the intermingling of family dynamics and subsequent Jewish identity in these women is manifested in the practice of psychotherapy In 2012 the book had been awarded the Jewish Women Caucus of the Association for Women in Psychology Award for Scholarship for that year This book was published as a special issue of Women and Therapy
