Brother Like Me Harry B. Dunbar, 1995 **What Cloud Is My Brother In?** Kim Vesey, 2023-02-09 Death is often perceived as an end point Yet any family who has lost a child either at birth or at some point in the child's journey towards adulthood will acknowledge it is a beginning The beginning of a life long grief journey not just for the parents but for other family members as well While tears often come easily words and actions many times do not How does one explain the death of a newborn or the death of a child in elementary school or even high school to their brothers and or sisters This story invites the

Poems: My brother's grave, Dream of life, and other poems John Moultrie,1876 Have You Seen My Brother? Margie Cretella,2024-03-11 Imagine these words black ice a car a truck a tree and Northeast Ohio These words can only add up to a tragic car crash And they did The nightmare happened on November 13 2013 and left me on a journey searching for my brother and God It seemed like a game that I didn t want to partake in but I had no choice This game led me to several hospitals where I spent my time asking the hospital staff if they knew where my brother was They always led me to a room of an almost lifeless man lying in a bed and often looking at me like he was wondering who I was Where exactly was my brother the loud boisterous man that I once knew for fifty eight years He was the man that you would hear before you would even see him I wanted that brother back and wanted him back immediately I spent ten years searching for my brother and God It left me exhausted mad bitter and at times lonely How would I go about finding them I would have been happy if I could just find one of them but who would be more important to me my brother or God I couldn t imagine God turning his back on my brother Father Steve a devout Catholic priest because I could only envision God taking care of him every step of the way Would I be fortunate enough to find out that maybe God and my brother were hanging out the whole time searching for me Maybe I was the one who was lost If you like stories about faith family love and willpower then this book is for you
