Nassau W. Senior, 1790-1864 Samuel Leon Levy,1970 1943 ed published under title Nassau W Senior the prophet of modern capitalism Works of N W Senior p 281 285 Includes bibliographical references *The Status of Women in Classical Economic Thought* Robert William Dimand,Chris Nyland,2003-01-01 This book explores how the classical economists explained the status of women in society As the essays show the focus of the classical school was not nearly as limited to the activities of men as conventional wisdom has supposed Chris Nyland from Monash University *The Palgrave Companion to Oxford Economics* Robert A. Cord,2021-06-16 The University of Oxford has been and continues to be one of the most important global centres for economics With six chapters on themes in Oxford economics and 24 chapters on the lives and work of Oxford economists this volume shows how economics became established at the University how it produced some of the world s best known economists including Francis Ysidro Edgeworth Roy Harrod and David Hendry and how it remains a global force for the very best in teaching and research in economics With original contributions from a stellar cast this volume provides economists especially those interested in macroeconomics and the history of economic thought with the first in depth analysis of Oxford economics **English, Irish and Subversives Among the Dismal Scientists** Noel W. Thompson,Nigel F. B. Allington,2010-12-13 Features a collection of essays on the Irish and English economists of the 18th and 19th centuries The Man Who Understood Democracy Olivier Zunz,2023-11-14 Olivier Zunz tells the story of a radical thinker who uniquely charged by the events of his time both in America and France used the world as a laboratory for his political ideas Giving equal attention to the French and American sources of Tocqueville s unique blend of political philosophy and political action *The Man Who Understood Democracy* offers the richest most nuanced portrait yet of a man who born between the worlds of aristocracy and democracy fought tirelessly for the only system that he believed could provide both liberty and equality Book cover *Economics and its Enemies* William Oliver Coleman,2002-10-23 Anti economics is described as the opposition to the main stream of economic thought that has existed from the Eighteenth century to the present day This book tells the story of anti economics in relations to Smith Ricardo Mill Walras Keynes and Hicks as well as current economic thinkers William Coleman examines how anti economics developed from the Enlightenment to the present day and analyzes its various guises Right anti economics Left anti economics Nationalist and Historicist anti economics and Irrationalist Moralist Aesthetic and Environmental anti economics Postcolonialism Meets Economics S. Charusheela,Eiman Zein-Elabdin,2013-04-15 In the last half century economics has taken over from anthropology the role of drawing the powerful conceptual worldviews that organize knowledge and inform policy in both domestic and international contexts Until now however the colonial roots of economic theory have remained relatively unstudied This book changes that The wide array of contributions to this book draw on the rapidly growing body of

postcolonial studies to critique both orthodox and heterodox economics This book addresses a large gap in postcolonial studies which lacks the type of sophisticated analysis of economic questions that it displays in its analysis of culture The intellectual and disciplinary terrain covered within this book spans economics history anthropology philosophy literary theory political science and women s studies **Marxism and the Global Financial Crisis** Hillel Ticktin,2013-09-13 The book discusses the nature of Marxist theory of crisis and applies it to the global financial crisis which began in 2007 Is the contemporary crisis simply the usual periodic upturn and downturn or is there something more fundamental Is there a structural crisis of capitalism from which there is no immediate solution Is capitalism managed and does it have a strategy Is the financial crisis representative of a failure in capitalism itself to subject banks and other financial institutions to the overall economy The book discusses Marx s view on crises as well as ideas on money and finance It considers the different modern Marxist ideas on the causes of crises falling rate of profit disproportionality and underconsumption It goes into detail as to the nature of the present crisis its course and causes in a spirited and independent manner Apart from the United States it considers the situation in the two countries in which protests erupted Iran and Greece They are taken as examples of the effect of the crisis on the country the society and the economy as well as its politics This book was originally published as a special issue of Critique Victorian Political Thought on France and the French G. Varouxakis,2002-02-17 By

scrutinizing the major Victorian political thinkers perceptions and representations of France this book shows how comparisons with the country on the other side of the Channel its politics civilization and the French national character contributed to nineteenth century Britain s self definition While the utterances on France of several other figures are also examined the main focus is on Walter Bagehot John Stuart Mill Matthew Arnold Lord Acton Thomas Carlyle Nassau William Senior James Fitzjames Stephen William Rathbone Greg Thomas Babington Macaulay John Morley and Frederic Harrison
