Extraordinary Women Conservationists of Washington Dee Arntz, 2015-01-12 Courageous women are to thank for many of Washington's environmental conservation successes Bonnie Phillips Melanie Rowland and Helen Engle battled harmful timber cutting Polly Dyer and Emily Haig worked to expand Olympic National Park and organized efforts to establish North Cascades National Park Women helped create the Washington Environmental Council and Washington Conservation Voters As a state representative Jolene Unsoeld led the fight against Boeing and other major corporations to pass the state Model Toxics Control Act Author and Washington conservationist Dee Arntz recounts these important stories and many others showing that the legacy of Washington's female conservationists is nothing short of extraordinary *Beyond Nature's Housekeepers* Nancy C. Unger, 2012-10-18 This book highlights the unique and complex role women have played in the shaping of the American environment from pre-Columbian Native Americans to present-day environmental justice activists

Women Writers of the American West, 1833-1927 Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves

The Rise of the American Conservation Movement Dorceta E. Taylor, 2016-08-04 In this sweeping social history Dorceta E

Taylor examines the emergence and rise of the multifaceted U S conservation movement from the mid nineteenth to the early twentieth century She shows how race class and gender influenced every aspect of the movement including the establishment of parks campaigns to protect wild game birds and fish forest conservation outdoor recreation and the movement s links to nineteenth century ideologies Initially led by white urban elites whose early efforts discriminated against the lower class and were often tied up with slavery and the appropriation of Native lands the movement benefited from contributions to policy making knowledge about the environment and activism by the poor and working class people of color women and Native Americans Far ranging and nuanced *The Rise of the American Conservation Movement* comprehensively documents the movement s competing motivations conflicts problematic practices and achievements in new ways [Women in Wonderland](#) Elizabeth A Watry,2023-08-03 Betsy Watry tells the tales of a dozen women some of whom had short lived adventures in Yellowstone National Park but most of whom spent decades as rangers scientists interpreters and entrepreneurs shaping the Park s physical and cultural landscape This is a wonderful hidden history full of surprising stories grounded in intensive research and written with charm Dr Mary Murphy historian and author of *Hope in Hard Times* For so long Yellowstone National Park has needed a book about the women who stood and today stand tall in its history At long last Elizabeth Watry has produced it Women across the nation should celebrate this book for its noteworthy contribution to women s history as we professional historians do Lee Whittlesey Park Historian National Park Service Yellowstone National Park To read about Yellowstone National Park too often means viewing it through the eyes and exploits of men By sharing the experiences and contributions of women who visited lived and worked in Yellowstone Elizabeth Watry places women front and center in the Park s wondrous history *Women in Wonderland* is sure to become a treasured resource Diane Smith author of *Letters from Yellowstone* *Women and Nature* Glenda Riley,1999-01-01 Long before Rachel Carson s fight against pesticides placed female environmental activists in the national spotlight women were involved in American environmentalism In *Women and Nature Saving the Wild West* Glenda Riley calls for a reappraisal of the roots of the American conservation movement This thoroughly researched study of women conservationists provides a needed corrective to the male dominated historiography of environmental studies The early conservation movement gained much from women s widespread involvement Florence Merriam Bailey classified the birds of New Mexico and encouraged appreciation of nature and concern for environmental problems Ornithologist Margaret Morse Nice published widely on Oklahoma birds In 1902 Mary Knight Britton established the Wild Flower Preservation Society of America Women also stimulated economic endeavors related to environmental concerns including nature writing and photography health spas and resorts and outdoor clothing and equipment From botanists birders and nature writers to club women and travelers untold numbers of women have contributed to the groundswell of support for environmentalism **The American West** Robert V. Hine,John Mack Faragher,2000-01-01 Two historians Robert V Hine and John Mack Faragher present the American West as both frontier and

region real and imagined old and new and they show how men and women of all ethnic groups were affected when different cultures met and clashed Their concise and engaging survey of frontier history traces the story from the first Columbian contacts between Indians and Europeans to the multicultural encounters of the modern Southwest Profusely illustrated with contemporary drawings posters and photographs and written in lively and accessible prose the book not only presents a panoramic view of historical events and characters but also provides fascinating details about such topics as western landscapes environmental movements literature visual arts and film

South Dakota History ,1997 **Historical Dictionary of Women's Education in the United States** Linda Eisenmann,1998-07-17 The history of women s education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women s education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women s educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading

A History of African-American Leadership John White,Bruce J. Dierenfield,2014-06-11 The story of black emancipation is one of the most dramatic themes of American history covering racism murder poverty and extreme heroism Figures such as Malcolm X and Martin Luther King are the demigods of the freedom movements both film and household figures This major text explores the African American experience of the twentieth century with particular reference to six outstanding race leaders Their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned The book also examines the grass roots of black protest movements in America paying particular attention to the major civil rights organizations as well as black separatist groups such as the Nation of Islam

Seattle's Women Teachers of the Interwar Years Doris Hinson Pieroth,2012 In Seattle s Women Teachers of the Interwar Years Doris Pieroth describes the contributions of a remarkable group of women who dominated the Seattle public

school system in the early years of the twentieth century and helped to produce well educated citizens who were responsible for the widespread philanthropic volunteer and municipal activities that came to characterize the city While most publications on the history of education have emphasized theory or administration Pieroth focuses on individual teachers Set against the backdrop of a developing city the book provides vivid portraits of educated strong ambitious women making successful careers at a time when job opportunities for women were very limited Pieroth interviewed as many of these women as she could find and quotes from the interviews enhance her lively well written narrative Using details drawn from local newspapers and school publications she demonstrates that the influence of this cohort of women made modern Seattle the livable place that it remains today Seattle s Women Teachers of the Interwar Years is a significant contribution to the history of Seattle and the region to women s history and to the history of education
