

The background of the cover is a composite image. At the top, a large, orange, skeletal structure resembling a space station or a large aircraft is set against a dark blue sky with wispy clouds. Below this, a bright yellow comet or meteor streaks across the dark sky. The bottom half of the cover shows a view of Earth from space, with a blue horizon and white clouds. Overlaid on this view are several faint, white wireframe models of various aerospace structures, including what looks like a space station and a rocket. The title text is centered in the middle of the cover.
