E., 2015-07-26 Excerpt from The National Being Some Thoughts on an Irish Polity A good many years ago you grafted a slip of poetry on your economic tree I do not know if you expected a hybrid This essay may not be economics in your sense of the word It certainly is not poetry in my sense The Marriage of Heaven and Earth was foretold by the ancient prophets I have seen no signs of that union taking place but I have been led to speculate how they might be brought within hailing distance of each other In my philosophy of life we are all responsible for the results of our actions and their effects on others. This book is a consequence of your grafting operation and so I dedicate it to you About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The National Being Some Thoughts on an Irish Polity A.
