Hearings United States. Congress Senate, 1945 *To Establish a Missouri Valley Authority: Hearings, Apr. 17, 1945* United States. Congress. Senate. Committee on Commerce, 1945 **Planning in Europe** Richard Williams, 2018-05-20 Originally published in 1984 Planning Urban Europe is a volume of essays reviewing the systems of town and country planning that operate within the member states of the European Economic Community The book looks at how the community's institutions and policies relate to the activity of planning and contributions are written by experts native to the country of study Each contribution focuses on the scope and style of planning in that country as opposed to detailed accounts of planning legislation The book will be of value to practitioners students and officials wanting to gain an insight into planning elsewhere in Europe

The Law of Nature Conservation Christopher Rodgers, 2013-03-21 Providing a detailed account of the law of nature conservation this book reviews and discusses the way in which the law promotes the conservation of species of animal bird and plant and how it protects natural habitats for protected species Using an interdisciplinary approach the book sets nature conservation in its economic and scientific context It explains how the law reconciles the public interest in promoting biodiversity and the conservation of species and habitats on the one hand and the private property rights of landowners and other resource appropriators on the other The book offers an illuminating new interpretation of this area of environmental regulation using a resource allocation model of property rights to explain how

legal and economic instruments for promoting nature conservation work in practice The analysis covers all recent legislation and case law including the Marine and Coastal Access Act 2009 the Conservation of Habitats and Species Regulations 2010 and the 2012 National Planning Policy Framework The book will serve as a critical guide to UK nature conservation law for those working in the system and a valuable reference point on the UK's approach to the area for environmental lawyers and policy makers overseas
