

National Service The Best Years Of Their Lives

David Childs

National Service The Best Years Of Their Lives:

National Service Trevor Royle, 2011 More than 2 million men were conscripted to serve in Britain's armed forces during the period of National Service which began after World War II and was phased out by 1963 Aged just 18 these individuals many of whom had never left their hometowns before were put in uniform to serve their nation and taken to some of the furthest reaches of Britain's crumbling empire It was an experience that left a profound mark on the post war generations Using first hand accounts and official documents these remarkable times are described in this detailed entertaining and hugely informative account of the National Service years **The Best Years of Our Lives** Sarah Kozloff, 2017-10-07

William Wyler's *The Best Years of Our Lives* 1946 tells the story of three veterans returning from World War II and adjusting to civilian life in a manner unusual for classical Hollywood cinema with melodrama leavened by authentic detail personal memories and a fierce desire to capture its historical moment Sarah Kozloff's illuminating study of the film traces the contribution of Wyler himself injured while serving in the US Air Force Robert Sherwood's screenplay Gregg Toland's deep focus cinematography Hugo Friedhofer's award winning score and the ensemble cast of Myrna Loy Fredric March Dana Andrews Teresa Wright and Harold Russell The film's poignant message spoke to American audiences reeling from the end of the conflict and the bumpy transition to peace producer Samuel Goldwyn received hundreds of letters from ex servicemen about how accurately his production had captured their experiences Despite winning nine Academy Awards *Best Years* was soon engulfed in political conflict from both the right and the left Disagreements about the film's politics foreshadowed HUAC's anti Communist investigations and the fracturing of the Hollywood community that culminated in the collapse of the studio system Sarah Kozloff's discussion of the film's development production and reception history draws on archival research to shed new light on our understanding of this much loved movie and to bring *The Best Years of Our Lives* back where it belongs in our collections in our libraries and in our hearts *Sexing the Soldier* Rachel Woodward, Trish

Winter, 2007-08-07 *Sexing the Soldier* takes a critical look at how gender what it means to be a man or a woman is understood within the contemporary British Army and the political and practical consequences of this Drawing on original research this informative volume looks at the history and structure of the British Army as a masculine institution personnel policies which deal with gender issues the construction of ideas about military masculinities and femininities within the Army media representations of the figure of the soldier Using case studies ranging from the exclusion of women from direct combat posts to the issues surrounding bullying this book argues that we need a fuller more nuanced assessment of gender issues in the military that moves beyond the simplistic ideas about women's and men's natural capacities for soldiering

Fighting the Mau Mau Huw Bennett, 2012-11-22 British Army counterinsurgency campaigns were supposedly waged within the bounds of international law overcoming insurgents with the minimum force necessary This revealing study questions what this meant for the civilian population during the Mau Mau rebellion in Kenya in the 1950s one of Britain's

most violent decolonisation wars For the first time Huw Bennett examines the conduct of soldiers in detail uncovering the uneasy relationship between notions of minimum force and the colonial tradition of exemplary force where harsh repression was frequently employed as a valid means of quickly crushing rebellion Although a range of restrained policies such as special forces methods restrictive rules of engagement and surrender schemes prevented the campaign from degenerating into genocide the army simultaneously coerced the population to drop their support for the rebels imposing collective fines mass detentions and frequent interrogations often tolerating rape indiscriminate killing and torture to terrorise the population into submission

Sport and the Military Tony Mason, Eliza Riedi, 2010-11-04 On battleships behind the trenches of the Western Front and in the midst of the Desert War British servicemen and women have played sport in the least promising circumstances When 400 soldiers were asked in Burma in 1946 what they liked about the Army 108 put sport in first place well ahead of comradeship and leave and this book explores the fascinating history of organised sport in the life of officers and other ranks of all three British services from 1880 1960 Drawing on a wide range of sources this book examines how organised sport developed in the Victorian army and navy became the focus of criticism for Edwardian army reformers and was officially adopted during the Great War to boost morale and esprit de corps It shows how service sport adapted to the influx of professional sportsmen especially footballers during the Second World War and the National Service years

Masculinity and the British Organization Man since 1945 Michael Roper, 1994-01-20 The post war period is often regarded as a time when Britain underwent its managerial revolution the family firm and the gentleman amateur giving way to the large bureaucracy and the trained management expert Yet the conception of modern management as an objective process could hardly be further from the truth Drawing on detailed life history interviews with the post war generation of organization men this study explores the intimacies that operate among men in management It argues that despite the rise of professional management relations between managers continue to function in highly subjective ways The pleasure of technical innovation or of seeing a new product through to the market the mixture of rivalry and patronage that surrounds management succession the hard bargaining of industrial relations at every level managerial functions involve the dramatization of emotions among men By challenging the enduring myth of the rational organization man this book sheds new light on gender segregation in management It argues that the exclusion of women from senior positions cannot be understood simply as the outcome of unprofessional practices A focus on the emotional relations between male managers reveals the psychic dimensions of exclusionary behaviour An emotional economy flourishes among men in management but its workings have been hidden by the myth of the rational organization man

The Cameronians Trevor Royle, 2011-07-15 In May 1968 as part of cutbacks to the British Army The Cameronians Scottish Rifles was disbanded at a moving ceremony held at the same spot in Douglas in Lanarkshire at which it had been raised in 1689 And yet although the regiment is no more its place in history is unassailable The ceremony embraced the history of one regiment The Cameronians which had its origins in

the turbulent period that accompanied the rise of the House of Orange at the end of the seventeenth century while its other component part the 90th Perthshire Light Infantry was raised as a light infantry regiment during the war against Revolutionary France Following amalgamation in 1881 The Cameronians Scottish Rifles quickly built up a solid reputation as a fighting regiment During the First World War it raised 27 battalions and during the Second World War its battalions served in Europe and Burma In the course of its long history the regiment provided the British Army with many distinguished soldiers including three field marshals Viscounts Hill and Wolseley and Sir Evelyn Wood Always tough and enduring in battle it reflected the character of its main recruitment area Glasgow and Lanarkshire and in later years it took self conscious pride when the Germans nicknamed its soldiers Giftzwerge or poison dwarfs The Cameronians puts its story into the context of British military history and makes use of personal testimony to reveal the life of the regiment Masculinity in Fiction and Film Brian Baker,2008-06-08 Covers wide range of popular British and American fiction and film including Westerns spy fiction science fiction and crime narratives *The Cambridge Social History of Britain, 1750-1950* F. M. L. Thompson,1990 Whilst in certain quarters it may be fashionable to suppose that there is no such thing as society historians they have had no difficulty in finding their subject The difficulty rather is that an outpouring of research and writing is hard for anyone but the specialist to keep up with the literature or grasp the overall picture In these three volumes as is the tradition in Cambridge Histories a team of specialists has assembled the jigsaw of topical monographic research and presented an interpretation of the development of modern British society since 1750 from three perspectives those of regional communities the working and living environment and social institutions Each volume is self contained and each contribution thematically defined contains its own chronology of the period under review Taken as a whole they offer an authoritative and comprehensive view of the manner and method of the shaping of society in the two centuries of unprecedented demographic and economic change **Conscription in Britain, 1939-1964** Roger Broad,2006 Compulsory military service in Britain can be traced back to Anglo Saxon times but it was only in the twentieth century that it became universal Conscription occurred during both world wars with a total of eight million men in total being conscripted into the army navy and air forces and after the end of the Second World War compulsory service continued for another eighteen years to meet overseas commitments and under the threat of the Cold War Conscription in Britain 1939 1963 outlines the historical record of conscription from the fyrd of the Dark Ages through to Nelson s day and up to and including the First World War The book goes on to concentrate on conscription during the Second World War and National Service which continued in the decades afterwards The strategic and political considerations that governed British military recruitment in the period 1939 1963 are described and analyzed Individual experiences in the services are examined putting human flesh on the strategic and political skeleton The book looks at aspects of conscription including the demands made on the services how officers and men were selected and trained and how discipline was imposed The years following the Second World War are also investigated considering the effect of

twenty four years continuous conscription on the services themselves on women's rights on attitudes towards authority and patriotism on race issues and on the breakout of individualism in the 1960s **The Korean War in Britain** Grace

Huxford, 2018-05-20 The Korean War in Britain explores the social and cultural impact of the Korean War 1950-53 on Britain. Coming just five years after the ravages of the Second World War, Korea was a deeply unsettling moment in post-war British history. From allegations about American use of germ warfare to anxiety over Communist use of brainwashing and treachery at home, the Korean War precipitated a series of short-lived panics in 1950s Britain. But by the time of its uneasy ceasefire in 1953, the war was becoming increasingly forgotten. Using Mass Observation surveys, letters, diaries, and a wide range of under-explored contemporary material, this book charts the war's changing position in British popular imagination and asks how it became known as the Forgotten War. It explores the war in a variety of viewpoints: conscript, POW, protester, and veteran, and is essential reading for anyone interested in Britain's Cold War past. The 1960s Philip Tew, James Riley, Melanie

Seddon, 2018-07-26 How did social, cultural, and political events in Britain during and leading up to the 1960s shape modern British fiction? The 1960s were the swinging decade; a newly energised youth culture went hand in hand with new technologies, expanding educational opportunities, new social attitudes, and profound political differences between the generations. This volume explores the ways in which these apparently seismic changes were reflected in British fiction of the decade. Chapters cover feminist writing that fused the personal and the political; gay, lesbian, and immigrant voices; and the work of visionary, experimental, and science-fiction writers. A major critical re-evaluation of the decade, this volume covers such writers as J.G. Ballard, Anthony Burgess, A.S. Byatt, Angela Carter, John Fowles, Christopher Isherwood, Doris Lessing, Michael Moorcock, and V.S. Naipaul. **Patriots** Richard Weight, 2013-10-17 Who are the British today? For nearly three hundred years, British national identity was a unifying force in times of glory and despair. It has now virtually disappeared. In *Patriots*, Richard Weight explores the decline of Britishness and the rise of powerful new identities in England, Scotland, Wales, and Ireland. Based on a wealth of original research, it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style. Here are the themes of Orwell's *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom. Brimming with zest and feel, this is politico-cultural history at its best. Peter Hennessy, *Wide-ranging, intelligent, sensible, and important*. Max Hastings, *Sunday Telegraph*. A marvellously rich, ambitious, and at times iconoclastic study by a young historian of how, in the broadest sense, national identity in Britain has changed in the last 60 or so years. David Kynaston, *Financial Times*. A major work, the fruit of long research, wide reading, and hard thinking, engagingly written, bubbling with fresh ideas. Stephen Howe, *Independent*. **The Black Watch** Trevor Royle, 2011-07-15 The Black Watch was formed at Aberfeldy in Perthshire in the early eighteenth century as an independent security force or watch to guard the approaches to the lawless areas of the Scottish Highlands. Instantly recognisable due to the famous red hackle cap badge and the traditional dark blue and green government tartan kilt from which it got its name.

The Black Watch was renowned as one of the great fighting regiments of the British Army and served with distinction in all major conflicts from the War of Austrian Succession onwards. In a highly controversial move the regiment served under the operational control of the US Army during the counter insurgency war in Iraq in December 2004. The Black Watch prided itself on being a family regiment with sons following fathers into its ranks and this new concise history reflects the strong sense of identity which was created over the centuries. In 2006 as part of a radical review of the country's defence policy The Black Watch was amalgamated into the new Royal Regiment of Scotland. This new account of the famous regiment is therefore a timely memorial to its long and distinguished history.

Manful Assertions Michael Roper, John Tosh, 2021-10-15

Masculine assertions whether of verbal command, political power or physical violence have formed the traditional subject matter of history. This volume combines current discussions in sexual politics with historical analysis to demonstrate that far from being natural and monolithic masculinity is an historical and cultural construct with varied competing and above all changing forms.

The British Army and the People's War, 1939-1945 Jeremy A. Crang, 2000-11-18

During the Second World War the British army absorbed approximately three million new recruits, the majority of whom were conscripts. Drawn from all occupational groups and social classes, the military authorities were confronted with the task of molding these civilians in uniform into an effective fighting force. This book analyzes the impact of this process of integration on the army as a social institution. Exploring such aspects of the army's social organization as other rank selection, officer selection, officer promotion, officer-man relations, the soldier's working life, army welfare and army education, it assesses the ways in which the army changed in relation to its new intake, what the extent of any change that took place actually was and how different the army of 1945 was to that of 1939.

The British Army of the Rhine Peter Speiser, 2016-05-30

Between 1945 and 1957 West Germany made a dizzying pivot from Nazi bastion to Britain's Cold War ally against the Soviet Union. Successive London governments though often faced with bitter public and military opposition, tasked the British Army of the Rhine (BAOR) to serve as a protecting force while strengthening West German integration into the Western defense structure. Peter Speiser charts the BAOR's fraught transformation from occupier to ally by looking at the charged nexus where British troops and their families interacted with Germany's civilian population. Examining the relationship on many levels, Speiser ranges from how British mass media representations of Germany influenced BAOR troops to initiatives taken by the Army to improve relations. He also weighs German perceptions, surveying clashes between soldiers and civilians and comparing the popularity of the British services with that of the other occupying powers. As Speiser shows, the BAOR's presence did not improve the relationship between British servicemen and the German populace but it did prevent further deterioration during a crucial and dangerous period of the early Cold War. An incisive look at an under-researched episode, *The British Army of the Rhine* sheds new light on Anglo-German diplomatic, political and social relations after 1945 and evaluates their impact on the wider context of European integration in the postwar era.

The Military and Liberal Society Tomas Kucera, 2017-08-25

This book

describes to what extent and in what ways the military policies of Western European societies are determined by liberal ideology A wide variety of issues affected by liberal ideology including conscription conscientious objection military mission military ethics and the professional identity of soldiers are addressed in the book The empirical analysis draws on the cases of the German Bundeswehr from the 1950s onwards the Swedish Armed Forces the transformation after the end of the Cold War and the British Armed Forces from the beginning of the twentieth century onwards The book's examination of these cases reveals that specific policies institutions and practices are preferred because of their relation to liberalism Since Samuel Huntington's seminal book *The Soldier and the State* the literature on civil military relations and military sociology depicts the relationship between liberal ideology and military security as intrinsically antithetical This book is conceived as a critical debate with Huntington Contrary to the notion of antithetical societal military relationship this book demonstrates that a meaningful adaptation of the military to the principles possessed by its parent society can be more often than not desirable also from the perspective of security strategy This book will be of considerable interest to students of civil military relations military sociology Western European politics security studies and IR

Queen's Own Highlanders Trevor Royle, 2011-09-02 Created in 1961 as a result of the amalgamation of the Queen's Own Cameron Highlanders and the Seaforth Highlanders the Queen's Own Highlanders embody the history and traditions of some of Scotland's oldest Highland regiments Two great Highland families Cameron of Lochdarroch and Mackenzie of Seaforth were involved in the formation of the antecedent regiments and their tartans were incorporated in their successor's uniform During its long history the regiment has served in the Napoleonic Wars the Crimea the Indian Mutiny the Boer War and the two World Wars of the twentieth century After the Battle of Waterloo in 1815 the Duke of Wellington specifically mentioned the Cameron Highlanders in his dispatches as a result of the bravery shown by Piper Kenneth Mackay who left the safety of the regiment's defensive square to encourage the men by playing the traditional rallying tune *Cogadh no Sith* War or Peace the True Gathering of the Clans In 1994 the Queen's Own Highlanders amalgamated with the Gordon Highlanders and in 2006 they became the 4th Battalion of the new Royal Regiment of Scotland This account of the regiment is therefore a timely memorial to its long and distinguished history

Britain Since 1945 David Childs, 2006 This is the sixth edition of what has become the standard textbook on contemporary British political history since the end of World War II This authoritative chronological survey discusses domestic policy and politics in particular but also covers external and international relations The new and improved edition of this important book brings the picture to the present by including the following additions September 11th the Iraq war and after the election of Iain Duncan Smith DS and Michael Howard as leaders of the Conservative party the issue of immigration the new royal wedding the 2005 election the importance of China on the British stage Britain since 1945 is essential reading for any student of contemporary British history and politics

National Service The Best Years Of Their Lives Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading National Service The Best Years Of Their Lives free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading National Service The Best Years Of Their Lives free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading National Service The Best Years Of Their Lives free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading National Service The Best Years Of Their Lives. In conclusion, the internet offers numerous platforms and websites that allow users to

download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading National Service The Best Years Of Their Lives any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About National Service The Best Years Of Their Lives Books

1. Where can I buy National Service The Best Years Of Their Lives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a National Service The Best Years Of Their Lives book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of National Service The Best Years Of Their Lives books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are National Service The Best Years Of Their Lives audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read National Service The Best Years Of Their Lives books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
