American Indian culture is known for its rich oral traditions In many cases there were no written languages to document their histories The tribes relied on verbal communication to share their customs history rituals and legends The tribal elders used vibrant tales to pass information to the younger generations These stories were not only related to tribal history but were meant to entertain as well as educate while preserving their tribal culture Each time an elder told a story new life was breathed into it The telling of the stories gave a revived meaning to the tribe's past and their relations to the earth and the animals they had depended on for existence The Hopi Indians culture was and is rich with these stories With a past stretching back thousands of years they are one of the oldest living cultures in documented history The tribe's teachings relate stories of a great flood and other events dating to ancient times The Hopi trace their ancestry back to the Ancient Puebloan and Basketmaker cultures They were responsible for many stone structures and artifacts of the Grand Canyon and across the Southwest A deeply religious people they live by the ethic of peace and goodwill There was a time in Hopi history that when crops were harvested religious ceremonies had been performed and the winter wood had been collected It was at this time that the people broke out into dance and story telling It was a time of sharing a rich history With this book that time is now Included in this book which is one of two volumes is a huge collection of the stories of the Hopi Indians Without books

and without writing the Hopi have an extensive literature These stories have been collected with the main purpose of preserving the ancient stories of Native American life Over the years many collectors have recorded several versions of some of these tales So keep in mind there is some variation to what has been collected You are invited to enjoy the culture and as in true Native tradition share these stories with the next generation

LEGENDS of the IROQUOIS - 24 Native American Legends and Stories Anon E. Mouse, 2018-11-20

THESE 24 Iroquois legends and stories have been told in the homes of the Iroquois for many centuries long before the white man arrived on the North American continent The perusal and study of these stories will it is believed give as much pleasure to the reader as they have given the compiler Of special interest is the Legend of Hiawatha made famous fifty years earlier by Henry Wadsworth Longfellow Some of the stories and legends in this volume are The Birth of the Arbutus A Legend Of The River Legends Of The Corn The First Winter The Great Mosquito The Story Of Oniata The Legends of Hiawatha and many many more The American Indians like so many cultures built neither monuments nor wrote books However they did make picture writings known in later years as wampum Mostly these were mere symbols recording mainly feats of arms However the Iroquois used wampum as a record of a person's credentials or a certificate of authority It was also used for official purposes and religious ceremonies and it was used as a way to bind peace between tribes Among the Iroquois every chief and every clan mother has a certain string of wampum that serves as their certificate of office When they pass on or are removed from their station the string will then pass on to the new leader Runners carrying messages during colonial times would present the wampum showing that they had the authority to carry the message Wampum is still used to this day by the Iroquois in the ceremony of raising up a new chief and in the Iroquois Thanksgiving ceremonies If the American forefathers had taken more interest in the peoples they found on the Western Continent spending less of their energies in devising plans for cheating the Indians out of their furs and lands a policy their descendants have closely followed and admirably succeeded in our libraries might contain volumes of fairy tales that would delight the youth of many generations

Mouse,2018-09-27 Under an open sky nestling close to the earth the old Dakota story tellers have told these legends time and again While it is easy to recognise such legends without difficulty the renderings may vary in little incidents Here Zitkala Sa has tried to transplant the native spirit of these tales root and all into the English language since America in the last few centuries has acquired a second tongue In this volume you will find these fourteen stories and legends from the Dakotas Iktomi And The Ducks Iktomi s Blanket Iktomi And The Muskrat Iktomi And The Coyote Iktomi And The Fawn The Badger And The Bear The Tree Bound Shooting Of The Red Eagle Iktomi And The Turtle Dance In A Buffalo Skull The Toad And The Boy Iya The Camp Eater Manstin The Rabbit The Warlike Seven THESE ARE relics of the USA s once virgin soil These and many others are the tales the American Indians loved so much to hear beside the night fire For these people the personified elements and other spirits played in a vast world right around the center fire of the wigwam It was around such fires that these 14 stories would have been told The old legends of North America now belong quite as much to the fair skinned little patriot as to the land s black haired aborigine And when they are grown tall may they in their wisdom not lack interest in a further study of American Indian folklore A study which so strongly suggests the USA s near kinship with the rest of humanity and points a steady finger toward the great brotherhood of mankind and by which one is so forcibly impressed with the possible earnestness of life as seen through the teepee door If it be true that much lies in the eye of the beholder then in the American aborigine as in any other race sincerity of belief though it were based upon mere optical illusion demands a little respect After all at heart they are much like other peoples We invite you to settle down in a comfy chair and journey back to a time when these stories were told around campfires to the delight of young and old alike **KEYWORDS TAGS** old indian legends Dakotas north Dakota south Dakota fairy tales folklore myths legends children s stories children s stories bygone era fairydom fairy land classic stories children s bedtime stories fables cultural setting iktomi ducks blanket muskrat coyote fawn badger bear tree bound shooting red eagle turtle dance buffalo skull toad the boy iya camp eater manstin rabbit warlike seven Midwestern United States Midwest Black Hills Deadwood Fort Buford Standing Rock Wounded Knee Upper Missouri River Bismark Rapid City Sioux Falls Pine Ridge Rosebud Grand Forks Lake Traverse I29 I94 I90 **The Best Native American Myths, Legends, and Folklore** G.
