The Literary and Legal Genealogy of Native American Dispossession George D Pappas,2017-07-14 The Literary and Legal Genealogy of Native American Dispossession offers a unique interpretation of how literary and public discourses influenced three U S Supreme Court Rulings written by Chief Justice John Marshall with respect to Native Americans These cases *Johnson v M Intosh* 1823 *Cherokee Nation v Georgia* 1831 and *Worcester v Georgia* 1832 collectively known as the Marshall Trilogy have formed the legal basis for the dispossession of indigenous populations throughout the Commonwealth The Trilogy cases are usually approached as pure legal judgments This book maintains however that it was the literary and public discourses from the early sixteenth through to the early nineteenth centuries that established a discursive tradition which in part transformed the American Indians from owners to mere occupants of their land Exploring the literary genesis of Marshall s judgments George Pappas draws on the work of Michel Foucault Edward Said and Homi Bhabha to analyse how these formative U S Supreme Court rulings blurred the distinction between literature and law
