Sukarya, 2000-11-21

ORDINARY PEOPLE is a small window of Deniek G Sukarya a professional photographer who in his spare time actively documents the daily lives of individual members of the community around him Over a long period of time since 1975 Deniek has been pursuing his obsession which has today become an important part of his visual journey It is as if he is turning back to the romanticism of his childhood in Tegalcangkring Jembrana Bali in the yellowing rice paddies encircled by fresh mountain air and sea breezes Deniek aims his lens at the reality of life in his community which slowly but surely fills the philosophical recesses of his inner being based on the work ethic of the people who are both his idol and his visual subject That possibly what was present in his choice to make ORDINARY PEOPLE his theme because it expresses ruggedness perseverance simplicity and brotherhood As a result Deniek has continued to record that pulse wherever he goes outside the limits and far from his primordial community To Deniek ORDINARY PEOPLE has become a symbol which projects optimism in life as a cornerstone to face reality Unlike his commercial works which emphasize technical matters and looks ORDINARY PEOPLE becomes more meaningful because it becomes a source that transforms a message related to the spirit of life work ethic and life itself Therefore the photography book DENIEK G SUKARYA ORDINARY PEOPLE is a personal vision which is in fact extraordinary because it not only provides a place for the empowerment of those who are always marginalized by statistics but also gives an opportunity for hope which is the most meaningful part of this series of visual documentation
