Native Tongues

Sean P. Harvey

Native Tongues:

Native Tongues Sean P. Harvey, 2015-01-05 Exploring the morally entangled territory of language and race in 18th and 19th century America Sean Harvey shows that white theories of an Indian mind inexorably shaped by Indian languages played a crucial role in the subjugation of Native peoples and informed the U S government's efforts to extinguish Native languages for years to come

Native Tongues Francis Goskowski, 2022-12-12 The Native Tongues of this book are the distinctive voices through which great writers from five proud nations of the Western world have highlighted their ideals aspirations belief systems emphases and nuances to form the collective identity their people have shared and passed on over the centuries Author Francis Goskowski explores how the characters and their interactions are depicted in five classic novels one each from the United States France Great Britain Russia and Germany The portrayals illustrate the differences in the ways the foundational principles of the West are understood and applied within these five national traditions Taken together these contributions blend in an organic whole integral to the Western patrimony

Motherless Tongues Vicente L. Rafael, 2016-04-01 In *Motherless Tongues* Vicente L. Rafael examines the vexed relationship between language and history gleaned from the workings of translation in the Philippines the United States and beyond Moving across a range of colonial and postcolonial settings he demonstrates translation's agency in the making and understanding of events These include nationalist efforts to vernacularize politics U S projects to weaponize languages in wartime and autobiographical attempts by area studies scholars to translate the otherness of their lives amid the Cold War In all cases translation is at war with itself generating divergent effects It deploys as well as distorts American English in counterinsurgency and colonial education for example just as it re-articulates European notions of sovereignty among Filipino revolutionaries in the nineteenth century and spurs the circulation of text messages in a civilian driven coup in the twenty first Along the way Rafael delineates the untranslatable that inheres in every act of translation asking about the politics and ethics of uneven linguistic and semiotic exchanges Mapping those moments where translation and historical imagination give rise to one another *Motherless Tongues* shows how translation in unleashing the insurgency of language simultaneously sustains and subverts regimes of knowledge and relations of power

The First Immigrants from Asia A.J.

Jaffe,1992-08-31 Survey of the evolution of Amerindians from their migration from Asia into North America to the present day American Hip-Hop Nathan Sacks,2017-01-01 Audisee eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers A rapper spits rhymes into a microphone A DJ scratches a record back and forth against a turntable needle Fans feet stomp along to a stiff beat These are the sounds of hip hop Hip hop music busted out of New York City in the 1970s Many young African Americans found their voices after stepping up to the mic In the decades afterward rappers and DJs took over the airwaves and transformed American music In the twenty first century hip hop is a global sensation Learn what inspired hip hop s earliest rappers to start rhyming over beats as well as the stories behind hip hop legends such as Run D M C 2Pac Lauryn Hill and Jay Z Follow the creativity and the rivalries that have fueled everything from party raps to songs about social struggles And find out how you can add your own sounds to the mix **One Parent, One Language** Susanne Döpke,1992-01-01 This volume examines the relationship between young children s degrees of bilingualism and features of the verbal input which these children receive from their parents In particular it seeks to explore the following question to what extent are families who follow the one parent one language principle and whose children become active bilinguals this way different from families who take the same approach but whose children never develop an active command of the minority language Case studies of six first born children growing up with German and English were done during the children s third year of life The input the children received was examined for parents consistency of language choice parents insistence that the children use the appropriate language parents sensitivity towards the children s interactional and attentional needs and parents orientation towards the teaching of formal aspects of the linguistic system The findings support the notion that raising one s children bilingually according to the one parent one language principle involves great efforts on the side of the minority language speaking parent Importantly they indicate that these efforts must be invested in the child s education turn by turn Memories of Yesterday: Echoes of a Vanished Time Pasquale De Marco,2025-08-15 Embark on a nostalgic journey through time with Memories of Yesterday Echoes of a Vanished Time This captivating book delves into the rich tapestry of our shared heritage preserving the fading memories of our ancestors and celebrating the enduring spirit of our communities Within these pages you ll discover the traditions and customs that have shaped our identities unraveling the intricate threads that connect us to our past Explore the stories that have been passed down through generations tracing the triumphs and struggles of those who came before us and honoring the legacy they have bestowed upon us Our journey takes us to the heart of our communities where we discover the bonds that unite us the shared experiences that forge unbreakable connections and the importance of belonging We celebrate the vibrant diversity of our languages and cultures recognizing the power of words to inspire connect and preserve our heritage Venture into the realm of art and craft where we marvel at the ingenuity and creativity of our ancestors Their handiwork speaks volumes about their skills their passions and their deep connection to their surroundings Explore the role of art in

expressing our humanity bridging divides and fostering a sense of wonder and appreciation Our exploration extends to the realm of faith where we delve into the beliefs and practices that have shaped our spiritual journeys We examine the search for meaning and purpose the impact of religion on our communities and the importance of fostering understanding and harmony amidst diverse perspectives As we journey through the chapters of this book we come to appreciate the delicate balance between preserving our traditions and embracing the future We recognize the responsibility we hold as stewards of our heritage ensuring that it continues to inspire and enrich generations to come We envision a vibrant and meaningful future one that honors the past while embracing innovation and progress Memories of Yesterday Echoes of a Vanished Time is a testament to the enduring human spirit a celebration of our shared history and an invitation to explore the rich tapestry of our heritage Let this book transport you to a world of nostalgia wonder and timeless wisdom If you like this book write a review

Does Science Need a Global Language? Scott L. Montgomery, 2024-05-31 In early 2012 the global scientific community erupted with news that the elusive Higgs boson had likely been found providing potent validation for the Standard Model of how the universe works Scientists from more than one hundred countries contributed to this discovery proving beyond any doubt that a new era in science had arrived an era of multinationalism and cooperative reach Globalization the Internet and digital technology all play a role in making this new era possible but something more fundamental is also at work In all scientific endeavors lies the ancient drive for sharing ideas and knowledge and now this can be accomplished in a single tongue English But is this a good thing In *Does Science Need a Global Language* Scott L. Montgomery seeks to answer this question by investigating the phenomenon of global English in science how and why it came about the forms in which it appears what advantages and disadvantages it brings and what its future might be He also examines the consequences of a global tongue considering especially emerging and developing nations where research is still at a relatively early stage and English is not yet firmly established Throughout the book he includes important insights from a broad range of perspectives in linguistics history education geopolitics and more Each chapter includes striking and revealing anecdotes from the front line experiences of today's scientists some of whom have struggled with the reality of global scientific English He explores topics such as student mobility publication trends world Englishes language endangerment and second language learning among many others What he uncovers will challenge readers to rethink their assumptions about the direction of contemporary science as well as its future

Census of the Philippine Islands: pt. 2. Schools, universities, commerce and transportation, banks and insurance ,1921 **Census of the Philippine Islands Taken Under the Direction of the Philippine Legislature in the Year 1918** Philippines. Census Office, 1921

A Companion to Modern Chinese Literature Yingjin Zhang, 2015-08-07 This wide ranging Companion provides a vital overview of modern Chinese literature in different geopolitical areas from the 1840s to now It reviews major accomplishments of Chinese literary scholarship published in Chinese and English and brings attention to previously

neglected important areas Offers the most thorough and concise coverage of modern Chinese literature to date drawing attention to previously neglected areas such as late Qing Sinophone and ethnic minority literature Several chapters explore literature in relation to Sinophone geopolitics regional culture urban culture visual culture print media and new media The introduction and two chapters furnish overviews of the institutional development of modern Chinese literature in Chinese and English scholarship since the mid twentieth century Contributions from leading literary scholars in mainland China and Hong Kong add their voices to international scholarship

Don't Sweat the Technique Melissa L. East of Eden: Searching for Dignity and Autonomy in America Pasquale De Marco, 2025-08-09 East of Eden Searching for Dignity and Autonomy in America is a groundbreaking exploration of the Native American experience delving into the rich tapestry of their history culture and identity Through the lens of personal narratives historical accounts and expert analysis this book sheds light on the struggles and triumphs of a people who have faced centuries of adversity From the earliest encounters with European settlers to the ongoing fight for sovereignty and self-determination East of Eden unveils the complexities and contradictions that have shaped the Native American journey It confronts the harsh realities of colonialism assimilation and discrimination while also celebrating the vibrancy of Native cultures the beauty of their art and the wisdom of their traditions With a focus on the enduring spirit of Native Americans this book highlights their resilience and adaptability in the face of adversity It explores their unwavering connection to the land their rich cultural traditions and their contributions to American society Through this exploration East of Eden challenges stereotypes and misconceptions creating a space for dialogue and reconciliation More than just a historical account East of Eden is a call to action a plea for a more just and equitable future where the rights and dignity of all Native Americans are recognized and respected It is a testament to the power of the human spirit a story of resilience and triumph that will inspire and educate readers of all backgrounds This book is essential reading for anyone seeking a deeper understanding of Native American history and culture It is a valuable resource for scholars educators and anyone interested in the ongoing fight for social justice and equality If you like this book write a review

Acquisition of

Word Order in Chinese as a Foreign Language Wenying Jiang, 2009 In this book linguistic achievements of word order studies in Chinese have been applied to Chinese second language acquisition research By analyzing a great number of word order errors made by learners of Chinese as a foreign language CFL this book has developed a method for describing and explaining Chinese word order errors With this method the book has the potential to empower CFL teachers all over the world to teach Chinese in an informed manner and particularly to teach Chinese word order more effectively and efficiently Book Jacket

Congressional Record United States. Congress, 1922 The Language of the Inuit Louis-Jacques Dorais, 2014-08-01 The culmination of forty years of research The Language of the Inuit maps the geographical distribution and linguistic differences between the Eskaleut and Inuit languages and dialects Providing details about aspects of comparative phonology grammar and lexicon as well as Inuit prehistory and historical evolution Louis Jacques Dorais shows the effects of bilingualism literacy and formal education on Inuit language and considers its present status and future An enormous task masterfully accomplished The Language of the Inuit is not only an anthropological and linguistic study of a language and the broad social and cultural contexts where it is spoken but a history of the language s speakers

Friends Forever Bill Boylan, 2011-10 From the very first page of this book you will readily discover this is not a deep theological book about the study of the Holy Spirit known as pneumatology It s simply a book attempting to describe what my very best friend the Holy Spirit is like I ve tried to make it as non theological as possible and as personal as possible We will spend the remaining ages of time and later eternity with the Holy Spirit fully resident within us Since He s going to be that close to us for all time and eternity we need to get to know Him as well as possible during our mortal journeys here during this life After all we re going to be Friends Forever
