

Praying for those in authority

A PRAYER FOR GOVERNMENT LEADERS

Mighty God, we lift up our government leaders to You. Give them wisdom, integrity, and a heart for justice. Help them to lead with compassion and humility always seeking the common good.

Protect them from the temptations of power, selfish ambitions, and corruption, and guide them in making decisions that honor You.

Refresh them as they lead and serve, and we pray they would be guided by the Holy Spirit.

May our prayers support them in their roles and bring unity and cooperation for the betterment of our country.

Amen.

Prayer For The Government:

Ukrainians and Jews in Revolutionary Times Henry Abramson, 2018-02-23 After the fall of the Russian Empire Jewish and Ukrainian activists worked to overcome previous mutual antagonism by creating a Ministry of Jewish Affairs within the new Ukrainian state and taking other measures to satisfy the national aspirations of Jews and other non Ukrainians This bold experiment ended in terrible failure as anarchic violence swept the countryside amidst civil war and foreign intervention Pogromist attacks resulted in the worst massacres of Jews in Europe in almost three hundred years Some 40 percent of these pogroms were perpetrated by troops ostensibly loyal to the very government that was simultaneously extending unprecedented civil rights to the Jewish population Henry Abramson explores this paradox and sheds new light on the relationship between the various Ukrainian governments and the communal violence focusing especially on the role of Symon Petliura the Ukrainian leader later assassinated by a Jew claiming revenge for the pogroms A Prayer for the Government treats a crucial period of Ukrainian and Jewish history and is also a case study of ethnic violence in emerging political entities This revised edition contains a new Foreword and Afterword by the author **Praying for the Government** Derek Prince, Derek Prince Ministries-International, 2008-05 **Controlling Governments Through Intercessory Prayer** David Carney, 2024-12-14 Controlling Governments through Intercessory Prayer explores the true history of the United States It reveals the hidden agendas that have shaped the modern world This historical evidence has been gathered by some of the most prestigious historians and nationally known investigative reporters of our time Controlling Governments through Intercessory Prayer takes readers on a journey through the rise of global power structures financial institutions and political movements that have orchestrated the erosion of American sovereignty and freedom D W Carney delves into the untold stories behind pivotal moments in U S history exposing the intricate web of corruption manipulation and greed that has influenced both domestic and international affairs The narrative connects the dots between the rich and powerful and the deep state and the military industrial complex Through a blend of historical analysis and investigative journalism Controlling Governments through Intercessory Prayer challenges conventional narratives and offers an alternative perspective on the factors driving the nation s decline The book examines the role of central banking systems such as the Federal Reserve in controlling economies the influence of media in shaping public opinion and the orchestrated rise of globalism that seeks to dismantle national identities With its bold assertions and meticulously documented evidence Controlling Governments through Intercessory Prayer appeals to readers interested in history politics and those who question the status quo This thought provoking book is both a call to action and a sobering reflection on the forces that threaten the future of the United States It shows how to biblically pray for government leaders and learn how to release God s power by using God s word Jesus told us to pray that His Kingdom would come and how to partner with Him through prayer Controlling Governments through Intercessory Prayer making it a must read for anyone seeking to understand the broader implications of modern

The Government's Speech and the Constitution Helen Norton, 2019-08-22 When we discuss constitutional law we usually focus on the constitutional rules that apply to what the government does Far less clear are the constitutional rules that apply to what the government says When does the speech of this unusually powerful speaker violate our constitutional rights and liberties More specifically when does the government s expression threaten liberty or equality And under what circumstances does the Constitution prohibit our government from lying to us In *The Government s Speech and the Constitution* Professor Helen Norton investigates the variety and abundance of the government s speech from early proclamations and simple pamphlets to the electronic media of radio and television and ultimately to today s digital age This enables us to understand how the government s speech has changed the world for better and for worse and why the government s speech deserves our attention and at times our concern
