Prime Movers The Makers Of Modern Dance In America:

Prime Movers Joseph H. Mazo, 2000 The lives and works of the choreographer dancers who created American modern dance come vividly to life in this graceful and witty book It illuminates such greats as Loie Fuller Isadora Duncan Ruth St Denis Ted Shawn Doris Humphrey Martha Graham Merce Cunningham and Twyla Tharp Together they made up the group of geniuses who created a new theatrical dance form that was serious unique and most important not classical ballet By concentrating on those artists who fashioned a particular style of modern dance or epitomised a high point in dance development this book creates a lively history of American dance itself

Dance Degree Programs Kathleen E. Klein, 2009-03-19 The purpose of the research study was to examine the history and philosophy of certain very distinct dance degree programs The dissertation is intended to serve as a resource to benefit faculty and administrators in American undergraduate and graduate level dance programs The primary goal was to recognize emergent themes aimed at stronger outcomes for students seeking a career track in dance Beginning with an overview of the historical development of dance and dance education in the United States the study closely examined the current cultural educational and political structures functions and mechanisms that influence prevailing public views of this art form in mainstream American life

Seeing America Melissa A. McEuen, 2021-05-11 This vibrant and penetrating study opens a window on American culture between the world wars Publishers Weekly *Seeing America* explores the camera work of five women who directed their visions toward influencing social policy and cultural theory Taken together they visually articulated the essential ideas occupying the American consciousness in the years between the world wars Melissa McEuen examines the work of Doris Ulmann who made portraits of celebrated artists in urban areas and lesser known craftspeople in rural places Dorothea Lange who magnified human dignity in the midst of poverty and unemployment Marion Post Wolcott a steadfast believer in collective strength as the antidote to social ills and the best defense against future challenges Margaret Bourke White who applied avant garde advertising techniques in her exploration of the human condition and Berenice Abbott a devoted observer of the continuous motion and chaotic energy that characterized the modern cityscape Combining feminist biography with analysis of visual texts McEuen considers the various prisms through which each woman saw and revealed America Winner of the 1999 Emily Toth Award for the best feminist study of popular culture given by the Women's Caucus of the Popular Culture Association A rich resource for anyone interested in the history of photography women's history and American history in general Bloomsbury Review A valiant well researched effort to bridge the history of visual culture with American social and political history *Journal of American History* The best books always leave their audience wanting more That is certainly true of this gem of a work *Library Journal* starred review

Career Readiness and Preparation Criteria in Undergraduate Dance Degree Programs Kathleen E. Klein, 2009 In *Career Readiness and Preparation Criteria in Undergraduate Dance Degree Programs* Kathleen E Klein seeks to develop a rubric that can assist colleges universities and communities in providing stronger

outcomes for students seeking a career path in dance Beginning with an overview of the historical development of dance and dance education in the United States this book closely examines the current cultural educational and political structures functions and mechanisms that influence prevailing public views of this art form in mainstream American life These views frame fundamental topics for the field of post secondary dance education regarding curriculum instruction and definitions of professional career possibilities The analysis and interpretation of this research is filtered through a specific lens with the intention of discovering the effective and ineffective principles and practices within the three examined institutions which can be applied to developing high success rates of employment among students graduating from future programs It is further hoped that this study will serve as a catalyst for inter academic dialogue in order to strengthen and advocate for the integrity and position of dance education in American colleges and universities Book Jacket *Lighting Dance* Flaviana Xavier Antunes Sampaio, 2020-10-15 *Lighting Dance* pioneers the discussion of the ability of lighting design to foreground shadow in dance performances Through a series of experiments integrating light shadow and improvised dance movement it highlights and analyses what it advances as an innovative expression of shadow in dance as an alternative to more conventional approaches to lighting design Different art forms such as painting film and dance pieces from Loie Fuller the Russell Maliphant Dance Company Elevenplay Pilobolus and the Tao Dance Theater served to inspire and contextualise the study From lighting to psychology from reviews to academic books shadows are examined as a symbolic and manipulative entity The book also presents the dance solo Sombreiro which was created to echo the experiments with light shadow and movement aligned to an interpretation of cultural shadow Jung 1954 in Samuels Shorter and Plaut 1986 Casement 2006 Ramos 2004 Stein 2004 and others The historical development of lighting within dance practices is also outlined providing a valuable resource for lighting designers dance practitioners and theatre goers interested in the visuality of dance performances *Choreography: The Basics* Jenny Roche, Stephanie Burridge, 2022-05-30 This book provides a comprehensive and concise overview of choreography both as a creative skill and as a field of study introducing readers to the essential theory and context of choreographic practice Providing invaluable practical considerations for creating choreography as well as leading international examples from a range of geographical and cultural contexts this resource will enhance students knowledge of how to create dance This clear guide outlines both historical and recent developments within the field including how choreographers are influenced by technology and intercultural exchange whilst also demonstrating the potential to address social political and philosophical themes It further explores how students can devise and analyse their own work in a range of styles how choreography can be used in range of contexts including site specific work and digital technologies and engages with communities of performers to give helpful expert suggestions for developing choreographic projects This book is a highly valuable resource for anyone studying dancemaking dance studies or contemporary choreographic practice and those in the early stages of dance training who wish to pursue a career as a

choreographer or in a related profession *New School* Peter M. Rutkoff, William B. Scott, 1986 The New School was a center for adult education established in 1918 in New York and was always open to and supported by Jews Ch 5 pp 84 106 describes the creation of a graduate faculty in 1933 by president Alvin Johnson He brought twelve leading Jewish scholars from Germany assisted by private Jewish contributions and by the Rockefeller Foundation which however disapproved of the Jewish and socialist background of these scholars and feared the disruption of the quota system Ch 6 pp 107 127 describes the refugees studies on the nature of fascism and their gradual abandonment of socialism Hans Staudinger in particular emphasized the crucial role of racism in the evolution of the Nazi state With the outbreak of World War II the New School tried to save more refugees but was obstructed by State Department officials Also mentions the work of Hannah Arendt at the New School in the 1950s 60s *Howling Near Heaven* Marcia B. Siegel, 2020-03-24 For more than five decades Twyla Tharp has been a phenomenon in American dance a choreographer who not only broke the rules but refused to repeat her own successes Tharp has made movies television specials and nearly one hundred riveting dance works Her dance show *Movin Out* ran on Broadway for three years and won Tharp a Tony award for Best Choreography *Howling Near Heaven* is the only in depth study of Twyla Tharp s unique restless creativity This second edition features a new forward that brings the account of Tharp s work up to date and discusses how dance and dance making in the United States have changed in recent years This is the story of a choreographer who refused to be pigeonholed and the dancers who accompanied her as she sped across the frontiers of dance *The Motional Improvisation of Al Wunder* H.R. Elliott, 2021-05-16 The Motional Improvisation of Al Wunder takes readers on a journey through the life history creative genealogies and unique working processes of one of the master teachers of Euro American postmodern movement based improvisational performance who has until now received scant critical attention The book offers a long overdue examination of the significant impact made by an important figure on grassroots movement based improvisational performance in 1960s 1970s America and in Australia from the 1980s onwards It revisits the work of groundbreaking New York choreographer Alwin Nikolais with whom Wunder trained and for whom he later taught in the 1960s covers collaborations with founders of Action Theater Ruth Zaporah and Motivity Aerial Dance Terry Sendgraff as part of the explosion of improvisation in San Francisco in the 1970s and tracks the consolidation of a unique pedagogy that would see hundreds of students learn how to map their performative creativity in Melbourne from the 1980s onwards It conducts a fascinating investigation into the wellsprings of Wunder s approach to improvised performance as an end in itself covering teaching innovations such as his use of the Hum Drum positive feedback personal power sources and articulators It includes valuable contributions from a number of ex students and established Australian artists in dance music and visual art who share the profound impact Wunder has made on their creative practices This book will be a valuable resource to movement dance improvisation students and teachers at undergraduate and postgraduate level and independent artists drawn to movement improvisation as performance **Teaching Creative**
