Red Zone The Behind The Scenes Story Of The San Francisco Dog Mauling:

Red Zone Aphrodite Jones, 2004-05 Bestselling true crime writer Aphrodite Jones hocking new information behind the San Francisco dog mauling of Diane Whipple and the trial that has captured the nation's attention for over a year. In January 2001 Diane Alexis Whipple bled to death in the hallway of her ritzy Pacific Heights apartment building when she was mauled by two Presa Canarios a vicious breed of attack dog imported from the Canary Islands. After the lethal attack animal experts testified that the dogs could not have been stopped explaining that they had entered a frenzy called the d Zone. New York Times bestselling author Aphrodite Jones shows that the mauling was only one part of a frightening story involving obsession, bestiality and illegal dog rings. The dogs belonged to Whipple's neighbors lawyers Marjorie Knoller and Robert Noel who had been keeping them for a leader of the notorious prison gang the Aryan Brotherhood. Jones takes us deep into the bizarre world of Paul Rnfed chneider a Hannibal Lechter type character who actually owned the dogs Bane and Hera. She explains how Noel and Knoller after being warned about these killer dogs brought them to the heart of San Francisco leading the dogs eventually to murder an innocent next door neighbor. Jones also reveals the shocking L A area whereabouts of the offspring of Bane the dog most directly involved in the mauling. Jones is a masterful investigator and writer who has interviewed the complete cast of characters including Robert Noel and Marjorie Knoller during their imprisonment and can now tell the full story of what happened in that apartment hallway. *Red Zone* is a riveting page turning account of this news making story that takes us deep into the relationship between man and animal.

Unleashed Fury Julie Walsh, 2011-01-15 The question of whether dogs should be allowed off the leash in public places has become a major political issue in cities and suburbs across the United States. In the last two decades leash law disputes have burst upon the political scene and have been debated with an intensity usually reserved for such hot button issues as abortion and gun rights. This book investigates what has changed in American community life, social mores and the relationship between humans and dogs to provoke such passionate responses. At its heart the book details and evaluates the handling of three leash law disputes all of which were exceedingly divisive and emotionally intense. Two of the cases took place in San Francisco a city with a reputation as one of the most dog friendly in the United States until 2001-2002 when officials curtailed off leash walking. The other case study occurred in 1998 in Avon a wealthy suburb of Hartford Connecticut when town officials unilaterally imposed a leash law at a popular off leash park. This book is not only a revealing study of Americans' conflicted attitudes toward animals and the difficult balance between individual rights and the public good in our communities. It is also a useful source of information for both dog owners and local government officials who are faced with leash law disagreements.

Pit Bull Bronwen Dickey, 2017-04-04 The controversial story of one infamous breed of dog a New York Times Bestseller. *Animals list*. When Bronwen Dickey brought her new dog home she saw no traces of the infamous viciousness in her affectionate pit bull. Which made her wonder: How had the breed beloved by Teddy Roosevelt and Helen Keller come to be known as a brutal fighter? Dickey's search for

answers takes her from nineteenth century New York dogfighting pits to early twentieth century movie sets from the battlefields of Gettysburg to struggling urban neighborhoods In this illuminating story of how a popular breed became demonized and what role humans have played in the transformation Dickey offers us an insightful view of Americans relationship with their dogs

About Dogs Nicolae Sfetcu,2014-05-02 Dog anatomy breeding breeds equipment health law monuments organizations related professions and professionals shows and showing sports training and behavior types working dogs Dogs in popular culture famous dogs fictional dogs films The dog is a canine mammal of the Order Carnivora Dogs were first domesticated from wolves at least 12 000 years ago but perhaps as long as 150 000 years ago based on recent genetic fossil evidence and DNA evidence In this time the dog has developed into hundreds of breeds with a great degree of variation This guide details the dog anatomy breeding breeds equipment health law monuments organizations related professions and professionals shows and showing dog sports training and behavior dog types working dogs as well as dogs in popular culture famous dogs fictional dogs films about dogs dogs as pets and many other related aspects

Comparatively Queer W. Spurlin,J. Hayes,2010-10-11 These innovative essays take a comparative approach to queer studies while simultaneously queering the field of comparative literature strengthening the interdisciplinary of both The book focuses not only on comparative praxis but also on interrogating our assumptions and categories of analysis

Horror Dogs Brian Patrick Duggan,2023-08-07 How did beloved movie dogs become man killers like Cujo and his cinematic pack mates For the first time here is the fascinating history of canines in horror movies and why our best friends were and are still painted as malevolent Stretching back into Classical mythology treacherous hounds are found only sporadically in art and literature until the appearance of cinema s first horror dog Sherlock Holmes Hound of the Baskervilles The story intensifies through World War II s K 9 Corps to the 1970s animal horror films which broke social taboos about the good dog on screen and deliberately vilified certain breeds sometimes even fluffy lapdogs With behind the scenes insights from writers directors actors and dog trainers here are the flickering hounds of silent films through talkies and Technicolor to the latest computer generated brutes the supernatural rabid laboratory made alien feral and trained killers Cave Canem Beware the Dog or as one seminal film warned They re not pets anymore

Books and Beyond Kenneth Womack,2008-10-30 There s a strong interest in reading for pleasure or self improvement in America as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey s Although recent government reports show a decline in recreational reading the same reports show a strong correlation between interest in reading and academic achievement This set provides a snapshot of the current state of popular American literature including various types and genres The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk fantasy literature flash fiction GLBTQ literature graphic novels manga and anime and zines Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the

genre's reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention While students continue to read many of the standard classics new genres have emerged These have captured the attention of general readers and are also playing a critical role in the language arts classroom This book maps the state of popular literature and reading in America today including the growth of new genres such as cyberpunk zines flash fiction GLBTQ literature and other topics Each entry is written by an expert contributor and provides a definition of the genre an overview of its history a look at trends and themes a discussion of how the literary form engages contemporary issues a review of the genre's critical reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they're reading today and will appreciate its illumination of popular culture and contemporary social issues
