Rediscovering The Parables:

Rediscovering the Parables Joachim Jeremias, 1966 Expounds four chapters in New Testament theology Jesus praying to God as abba father the sacrificial interpretation of the Cross traced to the words of Jesus himself the way Paul translated the teaching of Jesus into theology and developed the controversial formula justification by faith and an early Christian hymn about Jesus adapted as the prologue to St John's Gospel **Rediscovering the Parables**, 1978 Rediscovering the Parables of Jesus Joachim Jeremias, 1966 Parables of Time and Eternity Keith Ward, 2021-05-27 Most people agree that Jesus parables are about the kingdom of God But what is that They seem to have a lot about hell and judgment but how is that consistent with the Parable of the Prodigal Son and Jesus search for lost sheep They speak of the Son of Man but who or what is that Some have thought they predict the end of the world but could that be a failure to understand biblical language In a new survey of Jesus parables Keith Ward proposes that they imply a theology of the universal and unlimited love of God a moral demand to care for the well being of all living things a compassion for the poor and rejected of the earth an open door of repentance that even death cannot close the offer of new life in the Spirit and an ultimate goal of universal creative sharing in the life of the cosmic Christ A History of the Quests for the Historical Jesus, Volume 1 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates Jesus in the Church's Gospels John Henry Paul Reumann, 1968 *Matthew's Trilogy of Parables* Wesley G. Olmstead, 2003-11-27 Wesley Olmstead examines the parables of the Two Sons the Tenants and the Wedding Feast against the backdrop of the wider Matthean

narrative He explores Matthew's characterization of the Jewish leaders the people and the nations and assesses the respective roles of Israel and the nations in the plot of Matthew's Gospel Against the current of contemporary Matthean scholarship Olmstead argues both that the judgement this trilogy announces falls upon Israel and not only her leaders and that these parables point to the future inclusion of the nations in the nation that God had promised to raise up from Abraham Bringing both literary critical and redaction critical tools to bear on the texts at hand Olmstead not only elucidates the intended meanings of this parabolic trilogy but also attempts to determine the responses they elicited from their first readers Transcending Matthean scholarship this book has implications for all Gospel studies Rediscovering the parables: A landmark work in New Testament interpretation Joachim Jeremias,1966 *Announcing the Reign of God* Mortimer Arias,2001-01-22 In *Announcing the Reign of God* Mortimer Arias proposes that the time has come to recover in its fullness the biblical perspective of the kingdom for the mission of the church today and particularly for our evangelistic witness

What Are They Saying About the Parables? Second Edition Gowler, David B.,2021 Much has changed in the more than two decades since the first edition of this book appeared Parable scholarship continues to be a dynamic area of New Testament research and a number of important studies were published and significant developments have occurred during those years Jesus's parables these simple but profound stories continue to challenge us and even after many readings continue to reveal new insights **Parables for Preachers: Year B. The Gospel of Mark** Barbara E. Reid,1999 The parables of Jesus are puzzling sayings and stories with world transforming potential *Parables for Preachers* offers an understanding of how parables work and a fresh variety of possible meanings not only for Jesus's original audience and for the early Christians for whom Matthew Mark and Luke wrote but also for contemporary Christians as well The Gospel parables are analyzed in the order in which they appear in the Lectionary making this book an indispensable resource for preachers teachers catechists liturgy planners and Bible study groups Barbara Reid is Professor of New Testament at Catholic Theological Union Chicago She is the author of *Matthew in the New Collegeville Bible Commentary* series as well as *Choosing the Better Part* *Women in the Gospel of Luke* both published by Liturgical Press **Many Things in Parables** Frederick Houk Borsch,2002-09-06 This book contains twenty four expositions of thirty of the main Parables of Jesus along with an essay on their interpretation It gives evidence that in seeking to proclaim the Word of God in the present day situation modern preaching is binding itself closely to the text of the Bible *Bible. N.T. Parables. Rediscovering the Parables* Joachim Jeremias,1966 **The Biblical Tour of Hell** Matthew Ryan Hauge,2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of

hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in Odyssey Book 11 the literary model par excellence of postmortem revelation in antiquity Parable and Story in Judaism and Christianity Clemens Thoma, Michael Wyschogrod, 1989 A scholarly study of the parables and stories in biblical tradition to help discover the common heritage of Christians and Jews

An Annotated Guide to Biblical Resources for Ministry David R. Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia

The Language of the Kingdom and Jesus Jacobus Liebenberg, 2011-05-02 This study interprets Jesus parables and the sayings tradition regarding the Kingdom of God from a cognitive linguistic understanding of metaphor It also shows what contribution the theory of metaphor can make when the parables and aphorisms are studied in research on the historical Jesus The metaphoric nature and polyvalency of the parables and aphorisms of the Jesus tradition undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus Thiselton on Hermeneutics Anthony C. Thiselton, 2006 Hermeneutics is an interdisciplinary study of how we interpret texts especially biblical texts in the light of theories of understanding in philosophy meaning in literary theory and of theology This volume brings together the seminal thought of a leading contemporary pioneer in this field Thiselton's *The Two Horizons* was a classic on how horizons of biblical texts engage creatively with the horizons of the modern world The author's later *New Horizons in Hermeneutics* explored still more deeply the transforming capacities of biblical texts while his massive commentary on 1 Corinthians interpreted an epistle This volume collects many of Anthony Thiselton's more notable writings

from some seven books and 70 articles to which he adds his own re appraisals of earlier work It uniquely expounds the thought of a major contemporary British theologian through his own words and includes his own critical assessments

Life of Jesus research Evans,2019-07-01 Life of Jesus Research offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study *New Testament Foundations, Vol. 1* Ralph P. Martin,1999-11-19 The merits of this volume are many The author writes in a very readable and intelligible style making the book clear and easy to understand His evaluations are objective carefully weighing both strengths and weaknesses and doing so from the standpoint of liturgical principle rather than dogmatic assertion Despite the scholarly approach there is a practical emphasis not found in many introductions New Testament Foundations represents scholarship at its best The Theological Educator
