Rediscovering The Presence Of God:

Rediscovering the Presence of God Edward Thal, 2004-06-30 So much that passes for Christianity today is a pale shadow of what God intends for His people The modern Christian experience is often defined by its extremes of dry orthodoxy or shallow emotionalism Many sincere believers are trapped at one of these unhappy poles because they have never been taught how to experience the liberating reality of a true walk with God The simple keys presented here are addressed to those who are weary of this spiritual wilderness and desire above all else to rediscover His Presence and so enjoy the glorious liberty of the children of God

Rediscovering the Ministry of Blessing Russ Parker, 2014-02-20 The Bible teaches us Russ Parker writes that blessing is a unique ministry resource gifted to believers to effect the purposes of God in people's lives In this enthralling book the author tells of situations of family estrangement depression and chronic illness of times of hopelessness and helplessness where miraculous transformation has been wrought through calling on God to bless someone with the richest blessing they are able to receive As he has travelled the country teaching on the ministry of blessing Russ has seen an enthusiastic response and uptake especially amongst those involved in prayer ministry He believes it is time for all who want to be part of God's renewal both in church and through reaching out to the wider community

Rediscovering God's Grand Story James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We've closed our minds to all things transcendent and default to unbelief and can't make sense of the persistent echoes of the voice of God that reverberate in our souls In *Rediscovering God's Grand Story* James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God's Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won't go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time

The Nearness of God: Rediscovering God's Love and Longing Breige O'Hare, 2014-09-02 Written in a clear and down to earth fashion that weaves together daily life and faith *The Nearness of God* draws extensively on scripture and on key elements of the Catholic faith in order to lead the reader on a journey of rediscovery The journey follows the story of God's love and longing for his people God's gift of his life to creation God's gift of himself in covenant and in Christ

Rediscovering the West Stephen C. Rowe, 1994-01-01 An inquiry into how westerners can tap into their own philosophical and spiritual traditions to grow beyond their unsteadiness of relations inner dullness and underlying absence of vision or orientation and become more alert compassionate and intelligent Reviews the Zen worldview and such western traditions as the mystical Christ Socrates a

Rediscovering E. R. Dodds Christopher Stray, Christopher Pelling, Stephen

Harrison,2019-09-26 Rediscovering E R Dodds offers the first comprehensive assessment of a remarkable classical scholar who was also a poet with extensive links to twentieth century English and Irish literary culture the friend of Auden and MacNeice Dodds was born in Northern Ireland but made his name as Regius Professor of Greek at Oxford from 1936 to 1960 succeeding Gilbert Murray Before this he taught at Reading and Birmingham was active in the Association of University Teachers or AUT of which he became president and brought an outsider s perspective to the comfortable and introspective world of Oxford His famous book *The Greeks and the Irrational* 1951 remains one of the most distinguished and visionary works of scholarship of its time though much less well known is his long and influential involvement with psychic research and his work for the reconstruction of German education after the Second World War The contributions to this volume seek to shed light on these less explored areas of Dodds life and his significance as perhaps the last classicist to play a significant role in British literary culture as well as examining his work across different areas of scholarship notably Greek tragedy A group of memoirs one by his pupil and former literary executor Donald Russell and three by younger friends who knew visited and looked after Dodds in his last years complement this portrait of the influential scholar and poet offering a glimpse of the man behind the legacy

Rediscovering Jesus in Our Places Elia Shabani Mligo,2020-05-28 The question of contextual theology and its relevance to Africa in this time of globalization whereby there are rampant uncontrolled changes in cultures technologies economic policies and even people s religious lives is very urgent How is contextual theology relevant in the ever changing contexts of the church in Africa Indeed there are a number of challenges which contextual theology faces within the church in Africa which need to be addressed contextually Some such challenges include poverty rampant violence homosexuality alcoholism the resurgence of prosperity gospel materialistic prophets and incurable illnesses like Ebola HIV and AIDS and the current coronavirus COVID 19 However which context in Africa Context in Africa as in other parts of the world is always in flux it is complex and fluid There is no permanent context The experience of Jesus in such a changing context needs to be rediscovered depending on what transpires in each particular place at a particular time This book addresses some of the overarching challenges that face contextual theology and how such challenges should be addressed by the church in Africa in contemporary ever changing context for it to be relevant in Africa It also highlights the need to move from liberation and inculturation theologies to reconstruction theology in dealing with the challenges of the current church Hence the book is important to students and scholars engaging in practical systematic biblical and contextual theologies in all their branches

Introduction to Philosophy of Religion James Kellenberger,2017-09-29 Using various and competing religious sensibilities *Introduction to the Philosophy of Religion* helps students work through the traditional material and their own religious questions

Rediscovering New Testament Prayer John Koenig,2004-04-09 John Koenig presents a rich variety of prayer practices that reflect the real prayer experience of Christ and his followers Recapturing the earliest believers extraordinary encounters with the Holy Koenig offers prayer as instruction for the mind renewal of the

spirit and help in effecting positive change in one's life Rediscovering God Heyes, Zacharias, 2020 In *Discovering God* Fr Zacharias Heyes invites us to walk a new path toward rediscovering God amid our everyday life **Rediscovering the Kingdom** Myles Munroe, 2004-07-28 When governments collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology that will not fail for it was bore in the heart of God Himself As Dr Munroe unveils the reality and the power of the Kingdom of God you will be challenged to the core of your religious soul as you discover realities that few have seen let alone talked about Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue the Kingdom of God In this book you will discover The keys that make the Kingdom function in your life Why religion cannot solve your problems Why governments and world leaders continue to fail us Why religion can never fulfill your deepest desire Why power is the pursuit of all mankind The present and future reality of the Kingdom among us The original message and purpose of Jesus *The Presence of God* R.T. Kendall, 2017-08-01 Honor glorify and love God by learning to dwell in His presence R T Kendall invites you to discover what it means to be in the presence of God In this fresh new look at God's presence Kendall explores everything from the omnipresence of God to the tangible manifestation of His presence You will discover why God might at times withhold a sense of His presence while at other times you might experience an acute sense of awe or reverence of God that drives you to your knees in prayer leads you into spontaneous worship of Him or brings about healing and other miracles Kendall teaches you how to develop a sensitivity to His presence so your love for Him and relationship with Him will deepen and grow **Desperate for God's Presence** Bill Vincent, 2025-01-24 Desperate for God's Presence The Complete Collection by Bill Vincent is an inspiring and transformational compilation designed to guide readers into a deeper relationship with God This collection combines the expanded edition of Desperate for God's Presence the practical and thought provoking Study Guide and the uplifting 30 Day Devotional Each section of this book is crafted to help believers cultivate a hunger for God's presence grow spiritually and experience His power in everyday life Whether you're exploring the foundational truths of seeking God engaging in reflective study or committing to daily devotions this comprehensive resource equips you with tools for lasting spiritual growth Discover how to draw closer to God overcome spiritual stagnation and live in the fullness of His presence Perfect for individual reading group studies or devotional use this collection is a must have for anyone longing to encounter God in a profound way **Rediscovering the Holy Spirit** Michael Horton, 2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man's own body we too easily begin to

think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In

Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives *Rediscovering the Kingdom Daily Devotional Journal* Myles Munroe, 2011-07-28 In Rediscovering the Kingdom Myles Munroe challenges all Christians to examine their ideologies and concepts This 40 day journal and study guide will guide you through this book of wonderful self discovery and help you to put the concepts you learn into practice Discover a whole new world Use the questions to examine your current ideologies Use the applications to retrain your daily walk Use the meditations to change your worldview This journal is designed to check both heart and mind as they bring Kingdom principles to bear in our daily walk The philosophy of the Kingdom is made possible through the exercises and meditations useful for self study or in a group Exposure to the ideologies is just the beginning watch out for a new world of reality ahead Rediscovering Reverence Michael L. Gowens, 2011-11-03 A study of the Biblical theme the fear of the Lord and a discussion of the relevance of this attitude to New Testament believers **The God Chasers** Tommy Tenney, 1998 What is a God chaser A God chaser is an individual whose hunger exceeds his reach A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him A child chases a loving parent until suddenly the strong arms of the father enfold the chaser The pursuer becomes the captive the pursued the captor Back Cover Desperate for God's Presence (Study Guide) Bill Vincent, 2025-01-24 Desperate for God's Presence Understanding Supernatural Atmospheres by Bill Vincent is a transformative journey into the heart of God's power and presence Through nine deeply impactful chapters this study guide equips readers to cultivate a deeper relationship with God embrace the supernatural and live a life of divine purpose Each chapter unpacks essential spiritual principles such as moving in the supernatural overcoming fear through God's perfect love and pursuing intimacy with Christ Readers will learn practical applications engage with reflective questions and draw inspiration from biblical examples to experience God's glory daily Whether you are seeking personal renewal exploring the power of revival or striving to reflect God's love to the world this book will guide you into a life filled with God's transformative presence *Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive*

Spiritual Formation for Leaders Dr. Steve A. Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain's career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith

Recovering from Biblical Manhood and Womanhood: How the Church Needs to Rediscover Her Purpose Aimee Byrd, 2020-05-05 This book dismantles every mistruth that you've heard about the role of women in the Bible her place in the church and the patriarchal lie of so called biblical manhood and womanhood In its place Aimee Byrd details a truly biblical vision of women as equal partners in Christ's church and kingdom The church is the school of Christ commissioned to discipleship The responsibility of every believer men and women together is being active and equal participants in and witnesses to the faith And yet many women are trying to figure out what their place is in the church fighting to have their voices heard and filled with questions Do men and women benefit equally from God's word Are we equally responsible in sharpening one another in the faith and passing it down to the next generation Do we really need men's Bibles and women's Bibles or can the one Holy Bible guide us all The answers lie neither with radical feminists who claim that the Bible is hopelessly patriarchal nor with the defenders of biblical manhood whose understanding of Scripture is captive to the culture they claim to distance themselves from Recovering from Biblical Manhood and Womanhood presents a more biblical account of gender marriage and ministry It explores the feminine voice in Scripture as synergistic with the dominant male voice It fortifies churches in a biblical understanding of brotherhood and sisterhood in God's household and the necessity of learning from one another in studying God's word Until both men and women grow in their understanding of their relationship to Scripture there will continue to be tension between the sexes in the church Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement the effects it has on their congregation and the homage it ironically pays to the culture of individualism that works against church family and a Christ-like vision of community
