**The SAGE Handbook of Counselling and Psychotherapy** Colin Feltham, Ian Horton, 2006 This all inclusive comprehensive book may on first glance appear to have little that is relevant to emergency nurses On closer scrutiny it covers many of the emotional problems and crises you will encounter in the emergency department It is a useful resource and reference book and will be valued by students and practitioners of emergency nursing Accident and Emergency Nursing Praise for the First Edition An amazingly comprehensive well written balanced and pluralistic handbook that manages to present the rainbow field of psychotherapy and counselling in an accessible and reliable way This state of the art volume will become absolutely indispensable for anyone involved in this work whether in training or qualified Andrew Samuels Professor of Analytical Psychology University of Essex This remarkable book is more than an elegant presentation of contemporary counselling and psychotherapeutic theory It is packed full of practical skills and hints all written by highly experienced practitioners and presented in an accessible and jargon free format No idea is left unturned This is a practical handbook in every sense of the word and essential reading for trainees and practitioners alike Professor Robert Bor Consultant Clinical Psychologist Royal Free Hospital London Well organized fully inclusive and skilfully edited it is going to be impossible not to buy this handbook Basically it has something on everything which people might ask about the counselling and psychotherapy profession Dave Mearns Professor of Counselling University of Strathclyde This is an

immensely useful source book for therapists to keep near at hand in order to update knowledge and to satisfy curiosity about new ways of working. It will also be extremely helpful for trainees as they strive to gain an overarching perspective in a rapidly proliferating field. Professor Helen Cowie, School of Psychology and Counselling, University of Surrey, Roehampton. The SAGE Handbook of Counselling and Psychotherapy, Second Edition, is the most comprehensive text of its kind and an essential resource for trainees and practitioners alike. Comprising succinct and easy-to-access contributions, the Handbook describes not only the traditional skills and theoretical models but also the most common client concerns brought to therapy and the particular skills required for different practice settings and client groups. Written and edited by those at the very forefront of counselling and psychotherapy, the Handbook has been substantially updated for this the Second Edition and includes new material on evidence-based practice, psychopharmacology, counselling by email, psychodrama, solution-focused therapy, quality evaluation, and attachment theory. For trainees, The SAGE Handbook of Counselling and Psychotherapy, Second Edition, provides the ideal companion to each stage of their studies, while for practitioners, the Handbook is an indispensable source of professional reference.

*The Trainee Handbook* Robert Bor, Mary Watts, 2011-01-19. The Trainee Handbook is a supportive guide to the practical, technical, and administrative issues faced by trainees in counselling psychology and psychotherapy.

Boundaries, Power and Ethical Responsibility in Counselling and Psychotherapy Kirsten Amis, 2017-03-27. The boundaries of the therapeutic relationship are a crucial part of effective therapy. But understanding them and the effects of power and responsibility can be intimidating to trainee or newly qualified therapists. This book will take step by step through everything they need to know to work ethically and safeguard the wellbeing of both themselves and their clients. It tackles Contracting and the importance of negotiating and clarifying boundaries with clients. The implications and limits of maintaining confidentiality. Keeping clear sexual boundaries and how to work around issues safely and appropriately. What happens when circumstances change and everyday or serious disruptions occur to therapy. The nature of the therapist's power and how to employ it responsibly to a client's benefit. Packed with case studies, ethical dilemmas, and points for reflection and discussion, this is an essential read for trainee practitioners and qualified therapists looking to ensure safe and ethical practice.

*Contracts in Counselling & Psychotherapy* Charlotte Sills, 2006-06-15. Praise for the First Edition: An excellently edited book. It touches upon the core philosophical bases of psychodynamic, psychoanalytic, cognitive, and humanistic counselling and explores the complicated and sometimes contradictory nature of contracting within these approaches. The book is written in an accessible language and often uses very powerful imagery to underline its message. I found this book to be extremely stimulating, accessible, and readable. I recommend it to all people interested in counselling and particularly to students of counselling at all levels. British Journal of Guidance and Counselling.

*Contracts in Counselling and Psychotherapy*, Second Edition, is a practical guide to an essential area of professional knowledge and skills. Any kind of therapeutic relationship requires an agreement between practitioner and client at the outset. When contracting with clients

practitioners need to consider a whole range of factors including goals of counselling theoretical orientation brief or open ended counselling different personality types ethical and legal issues This book provides a unique guide to the nature of counselling contracts why they are needed and how they are made For the second edition the book has been thoroughly updated to take account of the BACP ethical framework Two new chapters have been added covering the legal aspects of contracting and how to make contracts with trainees Contracts in Counselling and Psychotherapy Second Edition is an authoritative source of information and practical guidance for trainees and practitioners in counselling and psychotherapy Charlotte Sills is Visiting Professor at Middlesex University and Head of Transactional Analysis Department at Metanoia Institute London
