Lopez Jr.,2008-09-15 Gendun Chopel is considered the most important Tibetan intellectual of the twentieth century His life spanned the two defining moments in

modern Tibetan history the entry into Lhasa by British troops in 1904 and by Chinese troops in 1951 Recognized as an incarnate lama while he was a child Gendun Chopel excelled in the traditional monastic curriculum and went on to become expert in fields as diverse as philosophy history linguistics geography and tantric Buddhism Near the end of his life before he was persecuted and imprisoned by the government of the young Dalai Lama he would dictate the Adornment for Nagarjuna's Thought a work on Madhyamaka or Middle Way philosophy It sparked controversy immediately upon its publication and continues to do so today The Madman's Middle Way presents the first English translation of this major Tibetan Buddhist work accompanied by an essay on Gendun Chopel's life liberally interspersed with passages from his writings Donald S Lopez Jr also provides a commentary that sheds light on the doctrinal context of the Adornment and summarizes its key arguments Ultimately Lopez examines the long standing debate over whether Gendun Chopel in fact is the author of the Adornment the heated critical response to the work by Tibetan monks of the Dalai Lama's sect and what the Adornment tells us about Tibetan Buddhism's encounter with modernity The result is an insightful glimpse into a provocative and enigmatic work that will be of great interest to anyone seriously interested in Buddhism or Asian religions

The Yogin and the Madman Andrew Quintman, 2013-11-12 Tibetan biographers began writing Jetsun Milarepa's 1052-1135 life story shortly after his death initiating a literary tradition that turned the poet and saint into a model of virtuosic Buddhist practice throughout the Himalayan world Andrew Quintman traces this history and its innovations in narrative and aesthetic representation across four centuries culminating in a detailed analysis of the genre's most famous example composed in 1488 by Tsangnyen Heruka or the Madman of Western Tibet Quintman imagines these works as a kind of physical body supplanting the yogin's corporeal relics

Cheng,2013-04-30 Lu Xun 1881 1936 arguably twentieth century China s greatest writer is commonly cast in the mold of a radical iconoclast who vehemently rejected traditional culture The contradictions and ambivalence so central to his writings however are often overlooked Challenging conventional depictions Eileen J Cheng s innovative readings capture Lu Xun s disenchantment with modernity and his transformative engagements with traditional literary conventions in his modern experimental works Lurking behind the ambiguity at the heart of his writings are larger questions on the effects of cultural exchange accommodation and transformation that Lu Xun grappled with as a writer How can a culture estranged from its vanishing traditions come to terms with its past How can a culture severed from its roots and alienated from the foreign conventions it appropriates conceptualize its own present and future Literary Remains shows how Lu Xun s own literary encounter with the modern involved a sustained engagement with the past His creative writings which imitate adapt and parody traditional literary conventions represent and mirror the trauma of cultural disintegration in content and in form His contradictory uncertain and at times bizarrely incoherent narratives refuse to conform to conventional modes of meaning making or teleological notions of history opening up imaginative possibilities for comprehending the past and present without necessarily reifying them Behind Lu Xun s refusal to mourn that is his insistence on keeping the past and the dead alive in writing lies an ethical claim to recover the redemptive meaning of loss Like a solitary wanderer keeping vigil at the site of destruction he sifts through the debris composing epitaphs to mark both the presence and absence of that which has gone before and will soon come to pass For in the rubble of what remains he recovered precious gems of illumination through which to assess critique and transform the moment of the present Literary Remains shows how Lu Xun s literary enterprise is driven by a radical hope that in spite of the destruction he witnessed and the limits of representation his writings like the texts that inspired his own might somehow capture glimmers of the past and the present and illuminate a future yet to unfold

Literary Remains will appeal to a wide audience of students and scholars interested in Lu Xun modern China cultural studies and world literature

Small Press Record of Books in Print Len Fulton,1994 *Master & Madman* Peter Thomas,Nicholas Tracy,2012-03-05 Anthony Lockwood's story is at the heart of the Georgian Navy though the man himself has never taken centre stage in its history His naval career described by himself as twenty five years incessant peregrination followed a somewhat erratic course but almost exactly spanned the period of the French wars and the War of 1812 Lockwood was commended for bravery in action against the French was present at the Spithead Mutiny shipwrecked and imprisoned in France appointed master attendant of the naval yard at Bridgetown Barbados during the year the slave trade was abolished and served as an hydrographer before beginning his three year marine survey of Nova Scotia and the Bay of Fundy Against the odds he managed to finesse a treasury appointment as Surveyor General of New Brunswick and became the right hand man of the Governor General Smyth Deeply ingrained in his character however was a democratic determination that was out of step with the authoritarian character of the Navy and the aristocratic one of New Brunswick His expectation of social justice verged on madness and when he finally succumbed to lunacy it was in the defence of democracy The turbulence of the times inspired Lockwood to stage a one man coup d'état which ended with him being jailed and shipped back to London to live out his days as a pensioner and mental patient Truly a dramatic rise and a tragic fall
