Christian-Muslim Relations. A Bibliographical History Volume 19. Sub-Saharan Africa and Latin America (1800-1914) ,2022-06-20 Christian Muslim Relations a Bibliographical History19 CMR 19 covering Sub Saharan Africa Latin America and the Caribbean in the period 1800 1914 is a further volume in a general history of relations between the two faiths from the 7th century to the early 20th century It comprises a series of introductory essays and the main body of detailed entries These treat all the works surviving or lost that have been recorded They provide biographical details of the authors descriptions and assessments of the works themselves and complete accounts of manuscripts editions translations and studies The result of collaboration between numerous new and leading scholars CMR 19 along with the other volumes in this series is intended as a basic tool for research in Christian Muslim relations Section Editors Ines A eri Todd Clinton Bennett Luis F Bernab Pons Jaco Beyers Emanuele Colombo Lejla Demiri Martha Frederiks David D Grafton Stanis aw Grod Alan Guenther Vincenzo Lavenia Arely Medina Diego Melo Carrasco Alain Messaoudi Gordon Nickel Claire Norton Reza Pourjavady Douglas Pratt Charles Ramsey Peter Riddell Umar Ryad Cornelia Soldat Charles Tieszen Carsten Walbiner Catherina Wenzel **Promised Lands** David M. Wrobel,2002 Whether seen as a land of opportunity or as paradise lost the American West took shape in the nation s imagination with the help of those who wrote about it but two groups who did much to shape that perception are often overlooked today Promoters trying to lure settlers and investors to the West insisted that the frontier had already been tamed that the only frontiers remaining were those of opportunity Through posters pamphlets newspaper articles and other printed pieces these boosters literally imagined places into existence by depicting backwater areas as settled culturally developed regions where newcomers would find none of the hardships associated with frontier life Quick on their heels some of the West s original settlers had begun publishing their reminiscences in books and periodicals and banding together in pioneer societies to sustain their conception of frontier heritage Their selective memory focused on the savage wilderness they had tamed exaggerating the past every bit as much as promoters exaggerated the present Although they are generally seen today as unscrupulous charlatans and tellers of tall tales David Wrobel reveals that these promoters and reminiscers were more significant than their detractors have suggested By exploring the vast literature produced by these individuals from the end of the Civil War through the 1920s he clarifies the pivotal impact of their works on our vision of both the historic and mythic West In examining their role in forging both sense of place within the West and the nation s sense of the West as a place Wrobel shows that these works were vital to the process of identity formation among westerners themselves and to the construction of a West in the national imagination Wrobel also sheds light on the often elitist sometimes racist legacies of both groups through their characterizations of Native Americans African Americans Mexican Americans and Asian Americans In the era Wrobel examines promoters painted the future of each western place as if it were already present while the old timers preserved the past as if it were still present But as he also demonstrates that

West has not really changed much promoters still tout its promise while old timers still try to preserve their selective memories Even relatively recent western residents still tap into the region's mythic pioneer heritage as they form their attachments to place Promised Lands shows us that the West may well move into the twenty first century but our images of it are forever rooted in the nineteenth

The Diaries of Reuben Smith, Kansas Settler and Civil War Soldier Lana Wirt Myers, 2018-03-21 In 1854 after recently arriving from England twenty two year old Reuben Smith traveled west eventually making his way to Kansas Territory There he found himself in the midst of a bloody prelude to the Civil War as Free Staters and defenders of slavery battled to stake their claim The young Englishman wrote down what he witnessed in a diary where he had already begun documenting his days in a clear and candid fashion As beautifully written as they are keenly observant these diaries afford an unusual view of America in its most tumultuous times of Kansas in its critical historical moments and of one man's life in the middle of it all for fifty years From his moving account of traveling from England by ship to his reflections on settling in the newly opened Kansas Territory to his observations of war and politics Smith provides a picture that is at once panoramic and highly personal His diaries depict the escalation of the Civil War along the Kansas Missouri border as well as the evolution of a volunteer soldier from an inexperienced private to a seasoned officer and government spy They take us inside military camps and generals quarters to the front lines of battle and in pursuit of bushwhackers William Quantrill and Cole Younger Later they show us Smith as a state representative and steward of the Kansas State Insane Asylum in its early years In historic scenes and poignant personal stories these diaries offer a unique perspective on life in the Midwest in the last half of the nineteenth century Editor Lana Wirt Myers's commentary and extensive notes provide the context and information needed for a full understanding of Reuben Smith's remarkable stories
