You Must Win: The winner can create History Ahmed Sayeed,2019-08-10 The latest book You Must Win contains a similar subject of humans should get freed from the Cage of Theology or Dogmatism My Contention is that The Earth will be it s own when heavens are destroyed The book Human Achievement contain the same message first Know thyself then only you can know the world your society your fellow being your kith and kins I wish that the Book would enlighten the reader with an advise that when we know nothing of the first Principle it is truly extravagant to define God Angels Heavens and minds to know precisely why God formed world when we

do not know why we pray and raise our arms at our will It advocates that Society is a growth in time not syllogism in Logic and when the past is out through the door it comes in at the windows It guides to show precisely by what changes we can diminish misery and injustice in the world in which we actually live A real Human who owns Humanity would automatically reject the story of Adam and Eve Let us live what is provided with and regarding the growth of Human life both physically and psychologically let us leave the matter to Scientists and to socialists Socialist concern must be to lead a life peacefully ethically contently after attaining basic biological and social needs and this may contend as my message as an author to the readers in particular and humanity in general
