Catholic Cults and Devotions Michael P. Carroll,1989 Imagine a heart which has been ripped from a man s body wrapped with thorns pierced

with a knife and then placed on the man's chest or a group of people who believe that wearing a small rectangle of wool next to their skin ensures that they will go to heaven as long as it is brown wool and worn continuously. Although psychoanalysts have long investigated similar ideas and beliefs, they have ignored popular Catholicism even though behaviour such as this occurs over and over again in the history of Catholic cults and devotions. *Luther and German Humanism* Lewis W. Spitz, 2024-10-28. The particular interest of Professor Spitz has been the close relationship and synergy between humanism and religious reform in the transformation of European culture in the 16th century. Within the general cultural and intellectual context of the Renaissance and Reformation movements, the present volume focuses on Luther and German humanism; a subsequent collection looks more particularly at the place of education and history in the thought of the time. The articles here discuss Luther's imposing knowledge of the classics, his attitudes towards learning, the religious and patriotic interests of the humanists, and the role of a younger generation of humanists in the Reformation. Also included is a far-reaching appraisal of the impact of humanism and the Reformation on Western history.
