## **Shepherd Leadership Wisdom For Leaders From Psalm 23:**

**Shepherd Leadership** Blaine McCormick, David Davenport, 2020-10-06 Today's professionals need reliable models to teach them how to become better leaders. In this remarkable book, leadership experts Blaine McCormick and David Davenport introduce us to a new kind of leader by offering a new image of leadership: the leader as shepherd. Drawing on the wisdom of the timeless Twenty-Third Psalm, the authors provide professionals with ancient wisdom for grappling with today's leadership challenges. Shepherd Leadership offers a much-needed lens through which to consider our own leadership as well as the leadership of those around us. This book teaches us important lessons about leadership: we can be vigilant without being adversarial, we can serve without being passive, and we can guide without commanding. Shepherd Leadership offers a visionary new model for transforming leadership practices in both corporate and small business settings. This is whole-person leadership. It's not just a matter of thinking or doing things a certain way; it's a fully integrated life, a matter of head and hand and heart. It's a way of thinking and doing and being. Blaine McCormick and David Davenport inspire leaders with a fresh interpretation of this familiar spiritual text, helping all to integrate their spiritual life with their working life through a unique blend of timeless wisdom and contemporary business leadership strategy. *The Shepherd and His Staff* Theodore Mistra, 2017-07-07 This book is about leadership. It is, in fact, about the greatest leader model who ever lived. Ken Blanchard and Phil Hodges were the first to encourage us to follow Jesus as the ultimate example of leadership for all purposes. Theodore Mistra applied this principle to his own career and learned that even an executive's highest calling is to become just such a shepherd leader. In *The Shepherd and His Staff*, Mistra illustrates what the Bible reveals about the key principles and practices to becoming a shepherd leader. He shows that the shepherd as a leadership calling role and responsibility has equal force for both men and women. He asks us to remember that leadership applies to any person who has authority or influence over another person and that this influence is always to be used to glorify God, whether in the home, church, schools, business, or government. **Live Your Calling** Kevin Brennfleck, Kay Marie Brennfleck, 2004-11-01 An action plan for self-fulfillment that helps people find their true calling in life.
