Author of the Bestselling Mitford Years Novels

The background of the cover is a painting of a stone building at night. A central arched doorway has a red double door, which is slightly ajar, revealing a warm yellow light from within. The door is decorated with two circular wreaths. On either side of the door are small, arched windows with stained glass designs, also glowing with light. The building's facade is made of rough-hewn stone. A path of snow leads from the bottom of the frame up to the door. The overall atmosphere is cozy and festive, typical of a winter holiday scene.
