*Sovereign Scriptural Segues* J. George Lawrence,2013-12-24

Many of Christ's disciples abandoned Him because they could not accept His hard teaching noted in the book of John chapter 6. This hard hitting book mirrors the words of eternal life that the Holy Scriptures provide enabling those who respond by grace favor power through faith to share not possess that very life. The sovereign statements made by Jesus Christ require much of those to whom much is given and indicate the need for perseverance. Christ will not believe repent continue segue in faith or persevere for us but will daily empower us to be more than conquerors of sin and the world. We are not helpless against sin and temptation and we are commanded to stop sin in our lives by God's grace. With a unique approach to examining the sovereign scriptural segues presented throughout the Bible this book will enlighten and hopefully inspire the reader to take a more serious look at all of God's Holy Word. His messages to us that are critical for victorious Christian living. o Metaplasmic memory words o Post modern Humpty Dumpty interpretation of Scripture o Biblical acronyms o In depth analysis of Christ's exact words and parables o Conventional Greek grammar tenses. Much of Scripture is dedicated to correcting the tragedy of error which is prevalent in the lion's share of Christian literature. The truth that is often eclipsed is uncovered here. This presentation aims to lead toward greater unity and conformity to God's Will. To be or not to be in Christ. **Glimpsed in**

**Passing** Joy Mead,2014-10-22. Poems with a spiritual dimension from Iona. Community member Joy Mead. They come from the beauty of the glimpsed moment a precious jewel held for a short time amid the pain and sorrow of the world then let go into the bigger picture. The beauty is what we remember what gives the moment its significance. *Luke: Jimmy Swaggart Bible*

*Commentary* Jimmy Swaggart, LUKE BIBLE COMMENTARY. After nearly 40 years of full time ministry Brother Swaggart

published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published. It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation. True to

Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet what seems to separate this work from all other

commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God.
