Boessenecker,2012-09-28 One of the great lawmen of the Old West Bob Paul 1830 1901 cast a giant shadow across the frontiers of California and Arizona Territory for nearly fifty years Today he is remembered mainly for his friendship with Wyatt Earp and his involvement in the stirring events surrounding the famous 1881 gunfight near the OK Corral in Tombstone Arizona This long overdue biography fills crucial gaps in Paul s story and recounts a life of almost constant adventure As told by veteran western historian John Boessenecker this story is more than just a western shoot em up and it reveals Paul to be far more than a blood and thunder gunfighter Beginning with Paul s boyhood adventures as a whaler in the South Pacific the author traces his journey to Gold Rush California where he served respectively as constable deputy sheriff and sheriff in Calaveras County and as Wells Fargo shotgun messenger and detective Then in the turbulent 1880s Paul became sheriff of Pima County Arizona and a railroad detective for the Southern Pacific In 1890 President Benjamin Harrison appointed him U S marshal of Arizona Territory Transcending local history Paul s story provides an inside look into the rough and tumble world of frontier politics electoral corruption Mexican U S relations border security vigilantism and western justice Moreover issues that were important in Paul s career illegal immigration smuggling on the Mexican border youth gangs racial discrimination ethnic violence and police minority relations are as relevant today as they were during his lifetime **The True Story of Notorious Arizona Outlaw Augustine Chacón** David Grassé,2021-08-23 By the time he

was hanged in 1903 Augustine Chac n had become the most notorious Mexican outlaw in the Arizona Territory His alleged crimes had made him a virtual legend but the facts show that Chac n wasn t the bloodthirsty fiend he was made out to be Journalists of the era chased sensationalist stories pandering to a readership that longed for excitement Each retelling of Chac n s exploits added outlandish details painting the escaped prisoner as a brutal gunman responsible for as many as fifty two murders In reality Augustine Chac n may not even have killed the man he was hanged for shooting Join author David Grass as he uncovers the true story of Arizona s most enduring criminal legend **Wyatt Earp and Bat Masterson** Bill Markley,2019-05-01 Which lawman did the most to tame the frontier Bat Masterson or Wyatt Earp Neither of them was a saint At times their actions were not in compliance with the law and they only served as peace officers for limited portions of their lives What sets them apart from the thousands of sheriffs and marshals who served on America s frontier Did they make

more arrests than others Did they kill large numbers of men Did they lead adventurous lives Was it their character Was there just the right ring to their names that led people to remember them Did they get the right publicity at the right time Did they just outlive all the others Or was it a combination of these factors This joint biography reveals the intersection of their legacies and attempts to answer the questions about their place in the story of the West **Tombstone's Treasure** Sherry Monahan,2007-03-16 The silver rush in Tombstone Arizona created one of the most sophisticated towns in the American West complete with lavish saloons gambling ice cream parlors and a swimming pool **Sheriff of Tombstone #13** Charlton Comics,2018-05-24 THE RELUCTANT SHERIFF his father when he wore the badge had kept a reasonable state of peace in Tombstone but Luke before Fat Jack Spade had made his last arrest had always reckoned his dad was too soft He hadn't asked for the sheriff's badge now he wore it he figured on keeping the gunhawks plumb peaceful in jail or boothill The comic reprints from ecomicspace.com are reproduced from actual classic comics and sometimes reflect the imperfection of books that are decades old **Dramatic Compositions Copyrighted in the United States, 1870 to 1916 ...** Library of Congress. Copyright Office,1918 *On The Trail Of The Old West* Winston G Ramsey,2015-06-30 The Old West may have faded from living memory but the actual locations where the robberies and shoot outs took place can still be found over one hundred years later In the pages of *On the Trail of the Old West Then and Now* we glimpse the past through contemporary newspaper reports illustrated with comparison then and now photographs Here are towns like Dodge City and Tombstone and the stories of the clashes between lawmen and the badmen with grim details of lawlessness violence and harsh frontier justice meted out by vigilante committees to recall a timeless era of American history the Wild West
