**The Strange Case of Francis Tidir** Parker Woodward, 1901 *The Strange Case of the Dutch Painter* Timothy Miller, 2022-02-01 Paris 1890

When Sherlock Holmes finds himself chasing an art dealer through the streets of Paris he is certain he has smoked out one of the principals of a cunning forgery ring responsible for the theft of some of the Louvre's greatest masterpieces. But for once Holmes is dead wrong. He doesn't know that the dealer Theo Van Gogh is rushing to the side of his brother who lies dying of a gunshot wound in Auvers. He doesn't know that the dealer's brother is a penniless misfit artist named Vincent, known to few and mourned by even fewer. Officialdom pronounces the death a suicide, but a few minutes at the scene convinces Holmes it was murder. And he, his bulldog determined to discover why a penniless painter who harmed no one had to be killed and who killed him. Who could profit from Vincent's death? How is the murder entwined with his own forgery investigation? Holmes must retrace the last months of Vincent's life, testing his mettle against men like the brutal Paul Gauguin and the secretive Toulouse-Lautrec, all the while searching for the girl Olympia, whom Vincent named with his dying breath. She can provide the truth, but can anyone provide the proof? From the madhouse of St. Remy to the rooftops of Paris, Holmes hunts a killer while the killer hunts him.
