*Memoirs of Sherlock Holmes* Sir Arthur Conan Doyle, 2019-04-21 The Memoirs of Sherlock Holmes is a collection of Sherlock Holmes stories originally published in 1893 by Arthur Conan Doyle Doyle had decided that these would be the last collection of Holmes's stories and intended to kill him off in The Final Problem Reader demand stimulated him to write another Holmes adventure The Hound of the Baskervilles In The Return of Sherlock Holmes Holmes relates the aftermath of The Final Problem and how he survived **Memoirs of Sherlock Holmes: Special Edition** Arthur Conan Doyle, 2018-03-29 The memoirs are overshadowed by the event with which they close the meeting of the great detective and

Moriarty the Napoleon of Crime Their struggle seemingly to the death was to leave many readers desolate at the loss of Holmes but was also to lead to his immortality as a literary figure However illogical as a detective story The Final Problem has proved itself an unforgettable tale The stories that precede it included two narratives from Holmes himself on a mutiny at sea and a treasure hunt in a Sussex country house as well as a meeting with his brilliant brother Mycroft of whom Holmes says If the art of the detective began and ended in reasoning from any armchair my brother would be the greatest criminal agent that ever lived We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
