N. Middleton,2011-11-17 Informative broad ranging this title sheds new light on the life and literary art of one of the last century s most celebrated authors The first volume to be authorized by the Graham Greene Birthplace Trust Dangerous Edges of Graham Greene brings together writers journalists and scholars to investigate as well as to assess Greene s prolific oeuvre and intense personal interests Here the reader may explore everything from Greene s Vienna at the time of the filming of The Third Man to his sometimes fraught relationship with Evelyn Waugh from Greene s unconventional fictional treatment of women to his believing skepticism While Greene often informed friends that a ruling passion gives to a shelf of novels the unity of a system critics of his literary art have found it extraordinarily difficult to define the content of this ruling passion Perhaps this is because Greene s own character seems so paradoxical ironic even Moreover in believing that sin contains within itself the seeds of saintliness he consistently loiters on what Robert Browning calls the dangerous edge of things In exploring this dangerous edge this book covers the full breadth of Greene s life and literary career Broken Chain Vera Muller-Paisner,2014-07-01 By the early 1990s four thousand Jews remained in Poland a startling figure considering 3 25 million Jews lived there at the start of World War II Indeed of all the horrors of the Holocaust Polish Jewry suffered the worst fate But miraculously the Jewish community in Poland has been experiencing a rebirth over the past decade The Jewish population there is now estimated at twenty thousand This increase is not due to immigration but to the surfacing of secrets family truths that have been buried since the early days of the Holocaust when many Jews hid their identity their religion and their heritage in order to survive **The Atlantic Reporter** ,1921 *The American and English Railroad Cases* ,1903 **Dangerous Memories** Angi Morgan,2013-02-01 After witnessing her mother s murder as a child Jolene Atkins had forced the memories from her mind Now the killer had resurfaced but this time Jo had Levi Cooper to protect her Even if he was disobeying direct orders from the U S Marshal service to do so Levi had vowed years ago to always keep the innocent beauty safe So when Jo insisted on finally getting some answers Levi had no choice but to help her But watching as the pain of the past threatened to crush a spirited Jo Levi ignored every professional instinct and pulled her into his arms After one night together Levi was more determined than ever to close this case Because that one night would never be enough **Lawyers' Reports Annotated** ,1894 **Court of Appeals: New York: No. 123** Court of Appeals,1901 Atlantic Reporter ,1919 **The rival detectives; or, Dangerous ground** Emma M.
