Pet Business, 1997-08 **A Pet Owner's Guide to a Happy and Healthy Companion** Kimberly Sarmiento, 2016-11-30 Dogs and cats are like humans; they need a proper diet and good exercise. This book will show you how to make sure that your pet is properly cared for. Did you know that obesity is very common among dogs and cats? Did you know that the best way to keep your pet healthy is not feeding him less? This book explores feeding options as well as ingredients and labeling to ensure that you know what to do when it comes to mealtime. Countless hours have been devoted to researching the latest findings about pet care to ensure that the learning process is simple and hassle-free. Walks and playing fetch aren't the only activity that dogs enjoy. What about volunteering with your dog at a local nursing home or trying out a doggy park? This book also covers how to meet your pet's needs creatively and well. The answers to how to pick a good vet, how to find a good trainer, and how to make sure that your pet is getting enough exercise when you're at work are all covered. Most importantly, this book will help you understand your pet better and therefore appreciate her more. Compared to the average human life, a pet's life is sadly short. The book will help you make the most of it.
