OF THE GREEKS  
IN ART AND LITERATURE

# Shield Devices Of The Greeks In Art And Literature

**Rosina Ehmann**

## **Shield Devices Of The Greeks In Art And Literature:**

**The Shield Devices of the Greeks in Art and Literature** George Henry Chase,1979      **The Dolphin in the Literature and Art of Greece and Rome** Eunice Burr Stebbins,1929      The Transformation of Greek Amulets in Roman Imperial Times Christopher A. Faraone,2018-04-20 Featuring more than 120 illustrations The Transformation of Greek Amulets in Roman Imperial Times is an essential reference for those interested in the religion culture and history of the ancient Mediterranean      Antimachus of Colophon V.J. Matthews,2018-07-17 This volume is an edition of the fragments of the Greek epic and elegiac poet Antimachus of Colophon ca 400 B C an important figure linking the literatures of Archaic and Classical Greece with that of the Hellenistic Age The introduction examines the poet s life and work discussing both his poetry and his activity as a Homeric scholar It concludes with an assessment of his reception by Hellenistic and later writers The body of the book is a critical edition of the 200 plus fragments of Antimachus work Each fragment is supplied with a commentary elucidating both text and context with particular emphasis on Antimachus use of his predecessors especially Homer and on his own influence upon the Hellenistic scholar poets      **Greek and Roman Art, Architecture, and Archaeology** William D. E. Coulson,Patricia N. Freiart,1987      *Interpreting the Images of Greek Myths* Klaus Junker,2012 A concise introduction highlighting theoretical and methodological issues and describing the strategies ancient artists used in order to instruct and persuade      Some Traces of the Pre-Olympian World in Greek Literature and Myth E. A. S. Butterworth,2018-11-05 No detailed description available for Some Traces of the Pre Olympian World in Greek Literature and Myth      **The Neo-Assyrian Shield** Fabrice De Backer,2016-02-15 This handbook treats the different types of shields used by soldiers in the Neo Assyrian army and their opponents Written visual and material sources are analyzed to illustrate practical aspects of defensive weaponry in the ancient Near East in the first millennium B C The origins use evolution and manufacture of shields are considered in presenting a typology that is essential reading for enthusiasts and scholars alike

**Shield Devices of the Greeks** Marietta Herweg Stephens,1991      The Greek Tile Works at Corinth Gloria S. Merker,2006 A series of kilns at ancient Corinth known as the Tile Works are given final publication in this awaited book based on excavations conducted in 1939 and 1940 The book describes the kilns and their products with a discussion of fabrics and techniques of manufacture moving on to typology and dating      **The Play of Texts and Fragments** J. Robert C. Cousland,James James Rutherford Hume,2009 This volume is arguably one of the most important studies of Euripides to appear in the last decade Not only does it offer incisive examinations of many of Euripides extant plays and their influence it also includes seminal examinations of a number of Euripides fragmentary plays This approach represents a novel and exciting development in Euripidean studies since it is only very recently that the fragmentary plays have begun to appear in reliable and readily accessible editions The book s thirty two contributors constitute an international who s who of Euripidean studies and Athenian drama and their contributions will certainly feature in the forefront of scholarly discourse

on Euripides and Greek drama for years to come      Information Gathering in Classical Greece Frank Santi Russell,1999  
Information Gathering in Classical Greece opens with chapters on tactical strategic and covert agents Methods of communication are explored from fire signals to dead letter drops Frank Russell categorizes and defines the collectors and sources of information according to their era methods and spheres of operation and he also provides evidence from ancient authors on interrogation and the handling and weighing of information Counterintelligence is also explored together with disinformation through leaks and agents The author concludes this fascinating study with observations on the role that intelligence gathering has in the kind of democratic society for which Greece has always been famous Publisher description

**Dogs in Athenian Sculpture and Vase Painting of the Archaic and Classical Periods** Katia Margariti,2025-05-15  
This book analyses the iconography of dogs in Athenian art highlighting their roles as companions hunters pets and status symbols It explores their presence in various aspects of ancient Greek life their association with gods and heroes and their depiction in funerary reliefs reflecting the deep human canine bond      *Tragic Papyri* Kyriakos Tsantsanoglou,2022-08-01  
With concern to Greek literature and particularly to 5th c BCE tragic production papyri provide us usually with not only the most ancient attestation but also the most reliable one Much more so when the papyri are the only or the main witnesses of the tragic plays The misfortune is that the papyri transmit texts incomplete fragmentary and almost always anonymous It is the scholar s task to read supplement interpret and identify the particular texts In this book five Greek plays that survived fragmentarily in papyri are published four by Aeschylus and one by Sophocles Three of them are satyr plays Aeschylus Theoroi Hypsipyle and Prometheus Pyrkaeus Sophocles Inachos belongs to the genre we use to call prosatyrical Aeschylus Laos is a typical tragedy The author s scope was after each text s identification was secured as regards the poet and the play s title to proceed to textual and interpretative observations that contributed to reconstructing in whole or in part the storyline of the relevant plays These observations often led to unexpected conclusions and an overthrow of established opinions Thus the book will appeal to classical scholars especially those interested in theatrical studies      **The Peloponnesian War** Professor J F Lazenby,J.F Lazenby,2004-06 A detailed military history of one of the most momentous episodes in ancient history      **Animals in the Ancient World from A to Z** Kenneth F. Kitchell Jr.,2014-06-23 The ancient Greeks and Romans lived in a world teeming with animals Animals were integral to ancient commerce war love literature and art Inside the city they were found as pets pests and parasites They could be sacred sacrificed liminal workers or intruders from the wild Beyond the city domesticated animals were herded and bred for profit and wild animals were hunted for pleasure and gain alike Specialists like Aristotle Aelian Pliny and Seneca studied their anatomy and behavior Geographers and travelers described new lands in terms of their animals Animals are to be seen on every possible artistic medium woven into cloth and inlaid into furniture They are the subject of proverbs oaths and dreams Magicians physicians and lovers turned to animals and their parts for their crafts They paraded before kings inhabited palaces and entertained the poor in the arena Quite

literally animals pervaded the ancient world from A to Z. In entries ranging from short to long Kenneth Kitchell offers insight into this commonly overlooked world covering representative and intriguing examples of mammals reptiles amphibians and invertebrates. Familiar animals such as the cow dog fox and donkey are treated along with more exotic animals such as the babirusa pangolin and dugong. The evidence adduced ranges from Minoan times to the Late Roman Empire and is taken from archaeology ancient authors inscriptions papyri coins mosaics and all other artistic media. Whenever possible reasoned identifications are given for ancient animal names and the realities behind animal lore are brought forth. Why did the ancients think hippopotamuses practiced blood letting on themselves? How do you catch a monkey? Why were hyenas thought to be hermaphroditic? Was there really a vampire moth? Entries are accompanied by full citations to ancient authors and an extensive bibliography. Of use to Classics students and scholars but written in a style designed to engage anyone interested in Greco-Roman antiquity. *Animals in the Ancient World from A to Z* reveals the extent and importance of the animal world to the ancient Greeks and Romans. It answers many questions asks several more and seeks to stimulate further research in this important field.

Literature, Art, History A. F. Basson, William J. Dominik, 2003. In this volume thirty new studies have been specially commissioned from scholars in seven countries to treat key texts and cultural phenomena from the Homeric age to the medieval period. A wide variety of critical approaches are employed to challenge orthodoxies and to present fresh perspectives on the literature art and history of classical antiquity late antiquity and the middle ages. Attractive features of the volume include the treatment of newly emerging areas of inquiry in addition to canonical texts and the representation of views of established international scholars at the forefront of the discipline. A recurrent motif of the volume emerges in the interpretive benefits of combining philological acumen with theoretical and intertextual considerations. This accessible and provocative book will be of interest to classicists historians art historians students of comparative literature and anyone concerned with the immense cultural legacy of classical Mediterranean civilisation. Greek and Latin quotations are accompanied by translations throughout.

*A Dictionary of Classical Antiquities, Mythology, Religion, Literature & Art* Oskar Seyffert, 1895.

**Ecphrastic Shields in Graeco-Roman Literature** Karel Thein, 2021-09-30. This volume takes a fresh look at ekphrasis as a textual practice closely connected to our embodied imagination and its verbal dimension. It offers the first detailed study of a large family of ancient ecphrastic shields often studied separately but never as an ensemble with its own development. The main objective consists of establishing a theoretical and historical framework that is applied to a series of famous ecphrastic shields starting with the Homeric shield of Achilles. The latter is reinterpreted as a paradigmatic thing whose echoing down the centuries is reinforced by the fundamental connection between ekphrasis and artefacts as its primary objects. The book demonstrates that although the ancient sources do not limit ekphrasis to artificial creations the latter are most efficient in bringing out the intimate affinity between artefacts and vivid mental images as two kind of entities that lack a natural scale and are rightly understood as ontologically unstable. *Ecphrastic Shields in Graeco-Roman Literature*

The World's Forge should be read by those interested in ancient culture art and philosophy but also by those fascinated by the broader issue of imagination and by the interplay between the natural and the artificial     **A Storm of Spears**

Christopher Matthew, 2012-05-09 A practical and thought provoking study of the ancient military tactic known as the phalanx the classic battle formation used in historic Greek warfare The Historian In ancient Greece warfare was a fact of life with every city brandishing its own fighting force And the backbone of these classical Greek armies was the phalanx of heavily armored spearmen or hoplites These were the soldiers that defied the might of Persia at Marathon Thermopylae and Plataea and more often than not fought each other in countless battles between the Greek city states For centuries they were the dominant soldiers of the classical world in great demand as mercenaries throughout the Mediterranean and Middle East Yet despite the battle descriptions left behind and copious evidence in Greek art and archaeology there are still many aspects of hoplite warfare that are little understood or the subject of fierce academic debate Christopher Matthew's groundbreaking work combines rigorous analysis with the new disciplines of reconstructive archaeology reenactment and ballistic science He examines the equipment tactics and capabilities of the individual hoplites as well as how they used juggernaut masses of men and their long spears to such devastating effect This is an innovative reassessment of one of the most important early advancements in military tactics and indispensable reading for anyone interested in ancient warfare The New York Military Affairs Symposium

Thank you definitely much for downloading **Shield Devices Of The Greeks In Art And Literature**. Maybe you have knowledge that, people have look numerous period for their favorite books taking into account this Shield Devices Of The Greeks In Art And Literature, but end going on in harmful downloads.

Rather than enjoying a good book once a cup of coffee in the afternoon, otherwise they juggled in the manner of some harmful virus inside their computer. **Shield Devices Of The Greeks In Art And Literature** is straightforward in our digital library an online entrance to it is set as public hence you can download it instantly.
