Courts,1910      **At the Precipice** Shearer Davis Bowman,2010-10-04 Why did eleven slave states secede from the Union in 1860 61 Why did the eighteen free states loyal to the Union deny the legitimacy of secession and take concrete steps after Fort Sumter to subdue what President Abraham Lincoln deemed treasonous rebellion At the Precipice seeks to answer these and related questions by focusing on the different ways in which Americans North and South black and white understood their interests rights and honor during the late antebellum years Rather than give a narrative account of the crisis Shearer Davis Bowman takes readers into the minds of the leading actors examining the lives and thoughts of such key figures as Abraham Lincoln James Buchanan Jefferson Davis John Tyler and Martin Van Buren Bowman also provides an especially vivid glimpse into what less famous men and women in both sections thought about themselves and the political social and cultural worlds in which they lived and how their thoughts informed their actions in the secession period Intriguingly secessionists and Unionists alike

glorified the Declaration of Independence and the Constitution of the United States yet they interpreted those sacred documents in markedly different ways and held very different notions of what constituted American values *University High School Journal* ,1929 *Honor's Voice* Douglas L. Wilson,2011-03-30 Abraham Lincoln's remarkable emergence from the rural Midwest and his rise to the presidency have been the stuff of romance and legend But as Douglas L Wilson shows us in *Honor's Voice* Lincoln's transformation was not one long triumphal march but a process that was more than once seriously derailed There were times in his journey from storekeeper and mill operator to lawyer and member of the Illinois state legislature when Lincoln lost his nerve and self confidence on at least two occasions he became so despondent as to appear suicidal and when his acute emotional vulnerabilities were exposed Focusing on the crucial years between 1831 and 1842 Wilson's skillful analysis of the testimonies and writings of Lincoln's contemporaries reveals the individual behind the legends We see Lincoln as a boy not the dutiful son studying by firelight but the stubborn rebel determined to make something of himself We see him as a young man not the ascendant statesman but the canny local politician who was renowned for his talents in wrestling and storytelling as well as for his extensive store of off color jokes Wilson also reconstructs Lincoln's frequently anguished personal life his religious skepticism recurrent bouts of depression and difficult relationships with women from Ann Rutledge to Mary Owens to Mary Todd Meticulously researched and well written this is a fascinating book that makes us reexamine our ideas about one of the icons of American history **Lincoln & Davis** Brian R. Dirck,2001 As Savior of the Union and the Great Emancipator Abraham Lincoln has been lauded for his courage wisdom and moral fiber Yet Frederick Douglass's assertion that Lincoln was the white man's president has been used by some detractors as proof of his fundamentally racist character Viewed objectively Lincoln was a white man's president by virtue of his own whiteness and that of the culture that produced him Until now however historians have rarely explored just what this means for our understanding of the man and his actions Writing at the vanguard of whiteness studies Brian Dirck considers Lincoln as a typical American white man of his time who bore the multiple assumptions prejudices and limitations of his own racial identity He shows us a Lincoln less willing or able to transcend those limitations than his more heroic persona might suggest but also contends that Lincoln's understanding and approach to racial bigotry was more enlightened than those of most of his white contemporaries Blazing a new trail in Lincoln studies Dirck reveals that Lincoln was well aware of and sympathetic to white fears especially that of descending into white trash a notion that gnawed at a man eager to distance himself from his own coarse origins But he also shows that after Lincoln crossed the Rubicon of black emancipation he continued to grow beyond such cultural constraints as seen in his seven recorded encounters with nonwhites Dirck probes more deeply into what white meant in Lincoln's time and what it meant to Lincoln himself and from this perspective he proposes a new understanding of how Lincoln viewed whiteness as a distinct racial category that influenced his policies As Dirck ably demonstrates Lincoln rose far enough above the confines of his culture to accomplish deeds still worthy of our admiration

and he calls for a more critically informed admiration of Lincoln that allows us to celebrate his considerable accomplishments while simultaneously recognizing his limitations When Douglass observed that Lincoln was the white man s president he may not have intended it as a serious analytical category But as Dirck shows perhaps we should do so the better to understand not just the Lincoln presidency but the man himself **All Hands** ,1968 **Lincoln's Rise to the Presidency** William Charles Harris,2007 Emphasizes the conservative bent that guided the young statesman s remarkable political evolution revealing a Lincoln who was increasingly driven by his antislavery sentiments and fear for the republic in the hands of the Democrats like Stephen Douglas as much as if not more than his own political ambition North Carolina Reports North Carolina. President (1963-1969 : Johnson),1965 **Abraham and Mary Lincoln** Kenneth J. Winkle,2011-09-30 For decades Abraham and Mary Lincoln s marriage has been characterized as discordant and tumultuous In Abraham and Mary Lincoln author Kenneth J Winkle goes beyond the common image of the couple illustrating that although the waters of the Lincoln household were far from calm the Lincolns were above all a house united Calling upon their own words and the reminiscences of family members and acquaintances Winkle traces the Lincolns from their starkly contrasting childhoods through their courtship and rise to power to their years in the White House during the Civil War ultimately revealing a dynamic love story set against the backdrop of the greatest peril the nation has ever seen When the awkward but ambitious Lincoln landed Mary Todd people were surprised by their seeming incompatibility Lincoln lacking in formal education and social graces came from the world of hardscrabble farmers on the American frontier Mary by contrast received years of schooling and came from an established wealthy slave owning family Yet despite the social gulf between them these two formidable personalities forged a bond that proved unshakable during the years to come Mary provided Lincoln with the perfect partner in ambition one with connections political instincts and polish For Mary Lincoln was her diamond in the rough a man whose ungainly appearance and background belied a political acumen to match her own While each played their role in the marriage perfectly Lincoln doggedly pursuing success and Mary hosting lavish political soir es their partnership was not without contention Mary once described as the wildcat of her age frequently expressed frustration with the limitations placed on her by Victorian social strictures exhibiting behavior that sometimes led to public friction between the couple Abraham s work would at times keep him away from home for weeks leaving Mary alone in Springfield The true test of the Lincolns dedication to each other began in the White House as personal tragedy struck their family and civil war erupted on American soil The couple faced controversy and heartbreak as the death of their young son left Mary

grief stricken and dependent upon sciences and spiritualists as charges of disloyalty hounded the couple regarding Mary's young sister a Confederate widow and as public demands grew strenuous that their son Robert join the war The loss of all privacy and the constant threat of kidnapping and assassination took its toll on the entire family Yet until a fateful night in the Ford Theatre in 1865 Abraham and Mary Lincoln stood firmly together he as commander in chief during America's gravest military crisis and she as First Lady of a divided country that needed the White House to emerge as a respected symbol of national unity and power Despite the challenges they faced the Lincolns' life together fully embodied the maxim engraved on their wedding bands love is eternal Abraham and Mary Lincoln is a testament to the power of a stormy union that held steady through the roughest of seas
